

In Search *of* God

Some thinker has said, 'A smattering of knowledge turns people away from God. Grater knowledge brings them back to Him'. The author concludes in this book by examining various theories that the choice humanity have is not between the universe with God and the universe without God. The real option is between the universe with God and no universe at all. Therefore humanity is compelled to opt for the proposition the universe with God. Hence it is logical to say I exist, therefore, God exists.

In Search Of God:

In Search of God Sherry Hill, 2017-03-17 All my life I have been a seeker seeking knowledge seeking truth and seeking a better way to live Because of my biological parents and their own struggles with life I believed that there had to be a better way to live than with constant trails addiction and anger I did not want to live that way or turn out that way I believed that if I sought God and sought his way that my life could be better happier and more successful Every day of my life I sought God in church services in Christian books in reading the Bible and in leaders that spoke plainly about their own struggles and how with Gods help they could overcome *In Search of God* David A. Eisenbart, 2012-03 Truth is stranger than fiction Do you find the Bible to be a bit dull and boring Or is it just confusing Are you always asking questions but never finding answers Why is God invisible Is He hiding from us Or is He just playing a cosmic hoax while humanity is left to grapple in the dark Were Adam and Eve really embarrassed because they were naked Or was there something else they were trying to cover up Why would an omnipotent God go searching for mere mortals Could the answer be found in modern physics At one time in history it was dangerous to be a Christian but now it seems to be en vogue Has the modern church widened the narrow road that leads to life While nobody can take issue with Jesus magnificent sermons on love or His compassionate works of healing what about those volatile moments when He cursed a fig tree or flipped tables over in a temple Pearly gates Streets of gold A mansion in the sky Is that a description of heaven or of the Vegas Strip If reality is a two sided coin with both physical and spiritual dimensions then shouldn t we recalibrate our way of looking at things How can we understand what is happening in the visible universe until we first understand what is going on in a parallel invisible universe By unlocking deep spiritual mysteries embedded in the Bible *In Search of God* decoding reality will shatter the old paradigm which is nothing more than an illusion constructed by our five senses *In Search of God* Mohamed Gad, 2004-12 The author shares his personal journey while investigating religious scriptures for evidence to support the presence of Divine Revelation The first section of the book begins with discussions supporting the existence of God and refuting Darwin yet also arguing for the co existence of evolution and creation Subsequently in the second section of the book the author examines the Koranic claim that the advent of the prophet Muhammad is foretold in the Torah and the Gospel Koran 7 157 The author traces this claim beginning with Ishmael the father of the Arabs whose Hebrew name means God Hears The Bible foretells that Ishmael s descendents would have a Great Nation Genesis 17 20 KJV In fulfillment of this promise Ishmael s sons Kedar and Tema Genesis 25 13 15 are part of Isaiah s prophetic vision Isaiah 21 11 17 and 42 1 11 as mentioned in the Old Testament s Book of Isaiah In the third section of this book the difficult yet challenging controversy surrounding the identity of Jesus a major point of contention between Judaism Christianity and Islam is examined The fourth part of this book deals mainly with Koranic scientific facts that only became common knowledge with recent discoveries Finally this book closes by examining the spiritual essence and commonalities of the world s three major religions ***In Search of God in the Hebrew Bible*** Tryggve N. D.

Mettinger,2005-06-01 Tryggve Mettinger's much praised work analyzes the major names for God in the Old Testament to trace through the many confrontations and challenges of individuals and groups that mark Israel's story the historical development of Israel's conception of God ***In Search of God*** J. Delgado,1995-01-01 ***In Search of God*** Aravind Vedanth,2024-10-15 Who is God Does God really exist These questions are very hard to understand every generation strives to figure them out yet these questions still remain controversial I am here to break the chain I don't explain God and I don't even tell you to do any mental or physical actions to experience God Yes without doing any actions I can make you experience God an enlightened being and this is not based on my own perceptions This is the existing knowledge to reach God in the Bhagavad Gita Krishna's words are blessings if you understand even one word from the Gita you will experience God which is Absolute Reality ***In Search of God*** J. Gregory Steiner,2022-06-27 In Search of God invites you to enhance your faith in a new way J Gregory Steiner draws on his personal and religious life as a vehicle to seek wisdom on the nature of God divinity the Son of God and eternity He considers questions such as How can Christians express new ideas without being disowned as true believers Does faith need to move in a new direction to attract people searching for God in their lives Should our understanding of dogma and doctrine change as we grow into adulthood and beyond It is easy to discuss on a philosophical and theological level the need to change our ideas about creation incarnation and redemption in today's world However it is quite a challenge to deal with these needs from a kneeling position in a church pew Join the author as he explores how to navigate questions about religion and move the church forward ***In Search of God's Will*** Trevor Hudson,2024-11-05 Have You Ever Asked What Is God's Will for My Life A trusted voice of the Christian faith in spiritual formation and discipleship deeply shaped by the wisdom of Dallas Willard and St Ignatius Trevor Hudson has crafted a user's guide to discern God's personal will for our lives After serving the local congregation as a Methodist pastor in South Africa for almost fifty years Trevor now lectures teaches and offers spiritual retreats both locally and internationally Over the years this question about discerning God's will is one that he has heard again and again In Search of God's Will creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life ultimately helping you to become the unique person God wants you to be You'll be equipped and encouraged in your faith on how to align your heart with the heart of God attune yourself to your calling listen to God in Scripture pray the Scriptures pay attention to the movements of the Spirit in your heart uncover and exercise your God-given giftedness notice God's presence and activity in daily life engage in sacred conversations with trusted companions make faithful decisions take the initiative when God seems silent and more Each concept includes a discernment exercise so that you can experience what you are learning If you have ever wondered about God's personal will for your life how your desires and God's desires intersect and how God is present and active around you In Search of God's Will can help you catch glimpses of what it means to become the person that from eternity you were destined to be ***In Search of God's Perfection*** Andrew

Murray,2013-09-02 Follow legendary teacher and author Andrew Murray as he takes you through the many appearances of the word perfect in Scripture From these passages Murray concludes that Perfection is possible and attainable To know perfection we must accept God s commands and obey them Perfection is not an arbitrary command the nature of God can ask for nothing less Perfection is the highest aim of what God in His great power can do for us Perfection is not some intangible level of existence that sounds good in theory but is impossible to achieve in real life Perfection is not only obtainable but it should be our goal as believers God has made divine provision for each of us to become perfect **In Search of God's**
