In The Golden Land:

The Golden Land Di Morrissey, 2012-11-01 The new novel from Australia's favourite writer and author of bestsellers such as *TEARS OF THE MOON* and *THE OPAL DESERT* **In the Golden Land of Dreams** Herbert Kaufman, Hermitage Press, 193? The Sketch, 1912 , **American Yiddish Poetry** Barbara Harshav, Benjamin Harshav, 2023-09-01 This book introduces a collection of twentieth century American poetry written in Yiddish aiming to bring this rich cultural and literary heritage to a broader audience. It is designed not only for those who understand Yiddish but for all readers of poetry, literature and history who seek to discover new themes and texts. Yiddish poetry with its roots in cities like New York, Chicago, Tel Aviv and Vilna engages with major Modernist trends while creating its own unique poetic world. The collection emphasizes that despite the language barrier the human topics and artistic achievements of Yiddish poetry are an essential part of global cultural heritage. The challenge of conveying the essence of Yiddish poetry to readers unfamiliar with the language is significant but this anthology provides translated works that aim to preserve the original's meaning and poetic form. The editors through daily collaboration and the support of several translators and experts have crafted translations that offer a glimpse into the powerful imagery and themes of Yiddish verse. By incorporating insights from both poetry and visual art, this volume positions Yiddish poetry within the broader landscape of twentieth century American cultural expression, ensuring its place in the literary canon. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1986 *Sing, Stranger* Benjamin Harshav, Barbara Harshav, 2006 *Sing Stranger* is a comprehensive historical anthology of a century of American poetry written in Yiddish and now translated into English for the first time. This anthology reveals both an amazing achievement of Jewish creative work and an important body of American poetry **Sweatshop Strife** Ruth A. Frager, 1992-01-01 In the first half of the twentieth century many of Toronto's immigrant Jews eked out a living in the needle trade sweatshops of Spadina Avenue. In response to their exploitation on the shop floor, immigrant Jewish garment workers built one of the most advanced sections of the Canadian and American labour movements. Much more than a collective bargaining agency, Toronto's Jewish labour movement had a distinctly socialist orientation and grew out of a vibrant Jewish working class culture. Ruth Frager examines the development of this unique movement, its sources of strength and its limitations, focusing particularly on the complex interplay of class, ethnic and gender interests and identities in the history of the movement. She examines the relationships between Jewish workers and Jewish manufacturers as well as relations between Jewish and non Jewish workers and male and female workers in the city's clothing industry. In its prime, Toronto's Jewish labour movement struggled not only to improve hard sweatshop conditions but also to bring about a fundamental socialist transformation. It was an uphill battle. Drastic

economic downturns hard employer offensives and state repressions all worked against unionists workplace demands Ethnic gender and ideological divisions weakened the movement and were manipulated by employers and their allies Drawing on her knowledge of Yiddish Frager has been able to gain access to original records that shed new light on an important chapter in Canadian ethnic labour and women s history Chaos Agni Onatt,2022-12-16 Chaos is the first book in the Chaos Trilogy and also the first installment in a greater upcoming saga of suspense thriller books Chaos itself is an adventure filled suspense thriller with gripping narration story telling and interesting complex characters The story revolves around the character of Pralay who is an easy going peace loving college student who is thrown into the jaws of the wild with his friends while he was on a vacation with them As the story moves forward the characters evolve and descend into madness and intensity as they re exposed to the cruel elements of nature A Golden Land James Reeves,1958 Stories poems and songs intended to be read aloud to young children **Call it English** Hana Wirth-Nesher,2006 No detailed description available for Call It English **GOLDEN LAND.** ,1986 **Faulkner at Fifty** Marie Liénard-Yeterian,Gérald Préher,2014-05-02 2012 commemoration ceremonies included strange bedfellows as the year marked the 50th anniversary of the deaths of both Marilyn Monroe and William Faulkner The Faulkner commemoration events were an opportunity for scholars to honor not just the memory of the writer but also the memory of dear departed members of the Faulkner community a community of past readers and lovers of Faulkner s oeuvre Divided into three parts this collection first focuses on ways of teaching Faulkner and then endeavors to show how the Mississippi writer made use of his knowledge of other writers to give shape to his craft and later help others The last section puts Faulkner into perspective by bringing together new ways of reading his works and new voices that echo his The twenty first century shows how Faulkner s fiction can be dislodged from its traditional moorings dislocated and placed in movement and transformed and tutored into new meanings and significance This volume is a tribute to the memory of Noel Polk Andr Bleikasten and Michel Gresset pioneers in charting the course of the Faulkner journey **Tales from the Cloud Walking Country** Marie Campbell,2000-02-01 Assembled here are seventy eight stories from six of the ballad singingest tale tellingest residents of the eastern Kentucky mountain country Based on stories rooted in European traditions from German fairy tales to Irish hero stories to Greek myths the tales had been handed down through generations of telling before Marie Campbell collected them in the late 1920s and early 1930s Readers will recognize the story of Snow White in A Stepchild That Was Treated Mighty Bad while Three Shirts and a Golden Finger Ring recalls the fairy tale of the Seven Swans The Fellow That Married A Dozen Times is a lively rendition of Bluebeard As the narrators cautioned Marie Campbell again and again Tale telling is nigh about faded out in the mountain country but Tales from the Cloud Walking Country offers a lasting record of history cultural heritage language and good old fashioned fun The Kingdom of Beautiful Colours and Other Stories Isabel Wyatt,2020-04-30 Once upon a time there was a kingdom of beautiful colours In the middle of it stood a cloud mountain and from the top of the cloud mountain you looked down on a
