The Universal Pattern Within History Rachamim Dayan, 2002-09-23 This book is a work of synthesis which argues that an all encompassing blueprint governs the evolution of all parts of our universe In its first half it discerns interdisciplinary symmetry in the early development of history and six other disciplines It then uses this discovery to formulate testable predictions about the form and content of later history In its second half the book attempts to verify these intimations of our more recent past and to envision the human future that lies ahead

The Left Hand of the Biblical Gods Carlton Morris, 2024-09-30. The Left Hand of the Biblical God refers to the myths, customs, rituals, ceremonies, and sacrifices performed by religious organizations that are the shields that hide the true identity of both the benevolent Lord God and Jehovah, the vindictive God of Abraham. It is a saga of their genetic bloodlines: that of the Lord God through Adam and that of Jehovah through his son Isaac. It is a realistic look at the civilized society of man before the flood and a critical critique of the recorded death, suffering, trials, and tribulations of the Jewish people after the flood. The Left Hand of the Biblical God is a new and different perspective on the identity of the biblical gods and their relationship with man; an analysis of the Christian Bible and the reality of organized religion. It is a perspective that will never be heard, preached from the pulpit, or taught in Sunday school.

Womb Awakening Azra Bertrand, Seren Bertrand, 2017-08-15. Rediscover the lost ancient mystery teachings of the Cosmic Womb. 2017 Nautilus Silver Award. Explains how each of us has a holographic blueprint of the Womb of Creation; our spiritual Womb. Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation. Looks at the power of the moon and its connection to sacred Womb Consciousness. Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia. Includes access to three guided Womb Awakening audio journeys. The Ancients lived by a feminine cosmology of creation where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales, the legends of the Holy Grail, the traditions of Mary Magdalene and Sophia, the maiden queen and crone archetypes, and

the teachings of alchemy and the chakras They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood The authors look at the power of the Moon and its connection to sacred Womb Consciousness offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world they show how as we reawaken the powerful ancient path of the Womb Mysteries we help return our world to harmony with the wild untamed creative flows and cyclical rhythms of the cosmos
