In the Ocean of Night Gregory Benford, 2007-07-31 A classic novel of man's future and fate written by the eminent American physicist and award winning author of *Timescape 2034* An indistinguishable sound is heard from the depths of space and one member of the search and survey team Nigel believes he knows its origins 15 years earlier he was the astronaut sent to implode a fiery comet as it hurtled toward the Asian subcontinent Once inside the fissure he made an unlikely discovery an abandoned alien ship Against his better judgment Nigel carried out his mission destroying the vessel but not before clandestinely removing alien data and technology from on board Now as the team sets forth on a new adventure of discovery Nigel's past will collide with the present introducing him to wonders beyond human comprehension

In the Ocean of Night Gregory Benford, 1987      **Etruria Celtica** William Betham, 1842      ,      *Logbook Affairs* John Spadea, 2020-01-23 John Spadea dreamed of being a pilot as a young boy but everyone doubted him He heard that his grades were not good enough schooling was too expensive or flying was too dangerous Others pointed out that he wore glasses and being a pilot probably was not going to happen But obstacles are meant to be overcome and Spadea refused to let others dictate what he'd achieve In this memoir he looks back at how he defied the naysayers to enjoy a long and successful career as a commercial pilot a career that is still going strong From scary incidents to famous people who have joined him on his flying adventures he reveals what it's like to fly all over the planet He also shares an uplifting commentary on the future of flying noting that Boeing and Airbus have each predicted that the world will need thousands of new pilots in the coming years so the time to enter aviation has never been better      **Blackwood's Edinburgh magazine** , 1845      The Golden West , 1920      **Alone on a Wide Wide Sea** William Clark Russell, 2023-09-28 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision
