Physical, Spiritual and Soul Love Kevin Hunter, 2019-07-04 The point of all existence in the end is connected to love whether that is love for another person self love or universal and spiritual love One of the main reasons all souls are here is to learn the nature of love Love is to understand that even the most heinous person in your eyes has love built deep down in the core of their soul When you are in Heaven you truly understand what Universal love feels like Love is the most powerful vibration that exists throughout all of time and space Displaying hatred doesn't take much effort but to show love requires a complete soul do over in order to get back to that space your soul was born with Love will always cost you something whether that's time or energy Love will cost you pride when you need to let go of something that someone else did and extend the olive branch Universal Physical Spiritual and Soul Love examines one of the most powerful vibrations that exists and that is love There are divinely guided discussions on what it means to display Universal love and spiritual love There is a heavy emphasis on the connection nature between souls from the karmic to soul mates and twin flames before devoting a good chunk on the practical which is of great interest in the physical world The mid section of this acts as a dating and relationship guide to finding a quality mate in a world dominated by the darkness of ego This is coupled with the challenges and benefits to finding and keeping love in a language that resides within the cold technology sphere It would be awesome if every single person on the planet was keenly aware of their innate psychic abilities built into their soul's DNA because then Earth would be as close to Heaven as feasibly possible There would be never ending joy peace and love for every soul Everyone would be operating from a higher vibration while moving mountains in the process We see this kind of amazing uplifting joy in others when they're in a high vibrational state Universal Physical Spiritual and Soul Love has the goal and intention of filling the reader with as much as love as possible with the hope that it can motivate one soul back into their soul's natural state of love Some of the topics discussed in Universal Physical Spiritual and Soul Love include It's All About Love Creating the Life You Love Self Love and Self Care Karmic Soul Connections Soul Mate Soul Connections Twin Flame Soul Connections The Benefits and Challenges of Technology Dating Single and Longing for a Relationship Love and Relationships Love is a Battlefield Seeking Love Through External Validation Divine Soul Love Love Yourself Back to Life Bring Out the Good Vibrations Universal Spiritual Love and much more Let more Light into your soul's life with the Metaphysical Divine

A Course of Love ,2025-04-25 A Course of Love is a spiritual masterpiece that gently guides the reader to the awareness of Oneness something that cannot be learned but only revealed from within It is not a course for the mind but for the heart It is not a self help book involving thought and effort but a way of feeling ease and direct relationship with your divinity It contains no self improvement exercises No striving for unity or perfection A Course of Love takes you beyond the rational learning process to an awareness of the truth of who you really are Your reality is divine union Love cannot be taught or learned Neither can union or oneness If you continue to see yourself as a student seeking to acquire what you do not yet have you cannot recognize the unity in which you exist A Course of Love begins the transformation that is the movement from head to heart from their separation to their union A Course of Love is more than a book It is a transmission that you feel It came from Jesus through Mari Perron the first receiver It is a catalyst that introduces a new way of being and living It facilitates the dawning of a consciousness of unity through which you move from self doubt to self love You will begin to know yourself in a new way through receptivity of the heart without the perceptions and judgments of the mind It asks you only to pause to give the mind a rest to enter a realm foreign to the mind and yet beloved to the heart You will begin to know yourself as you truly are and begin to hear the language of your own heart If you want to connect with a known but forgotten Truth this book was written for you We suffer when we forget our true self our true identity This book will bring you to a time of tenderness an acceptance of all feelings and will invite you to embrace your power and reclaim your freedom so you may live as the creator you really are Immerse yourself in the pages of A Course of Love and allow yourself to be gently taken to the mountain top where you will spend forty days and forty nights accompanied by timeless wisdom and palpable truth integrating the human and the divine Nothing need be rejected We can embrace all the fragments of ourselves that we had rejected and extend that embrace to all those we encounter A Course of Love came to its first receiver Mari Perron as thoughts she did not think Although it is a complete work in itself it identifies itself as being a continuation of the earlier A Course in Miracles The two courses complement each other A Course of Love says Where the original Course in Miracles was a course in thought reversal and mind training a course to point out the insanity of the identity crisis and dislodge the ego's hold this is a course to establish your identity and to end the reign of the ego A Course of Love is an intimate companion on your journey Home
