Increase Mather Norma Jean Lutz, 2013 Describes the life and times of clergyman and scholar Increase Mather The Lives of Increase Mather and Sir William Phipps Enoch Pond, 1847 Increase Mather 1639 1723 was born at Dorchester Massachusetts the youngest son of Rev Richard Mather 1596 1669 He attended Harvard and a year at Trinity College Dublin Ireland He married Maria Cotton daughter of John Cotton of Boston Massachusetts in 1858 They had ten children He was pastor of the Old North Church at Boston for almost sixty years The Portraits of Increase Mather Kenneth Ballard Murdock, 1924 *Increase Mather, the Foremost American Puritan* Kenneth Ballard Murdock, 1925 **Burning Books** Haig A. Bosmajian, 2006 This work provides a detailed account of book burning worldwide over the past 2000 years The book burners are identified along with the works they deliberately set aflame Provided by publisher **The Mathers** Robert Middlekauff, 1999-06-29 Originally published New York Oxford University Press 1971 *Increase Mather* Mason I. Lowance, 1974 *Theology in America* E. Brooks Holifield, 2003-01-01 Since its first publication in 1859 few works of political philosophy have provoked such continuous controversy as John Stuart Mill's *On Liberty* a passionate argument on behalf of freedom of self expression This classic work is now available in this volume which also includes essays by scholars in a range of fields The text begins with a biographical essay by David Bromwich and an interpretative essay by George Kateb Then Jean Bethke Elshtain Owen Fiss Judge Richard A Posner and Jeremy Waldron present commentaries on the pertinence of Mill's thinking to early 21st century debates They discuss for example the uses of authority and tradition the shifting legal boundaries of free speech and free action the relation of personal liberty to market individualism and the tension between the right to live as one pleases and the right to criticize anyone's way of life **Increase Mather: Doctrine** Increase Mather, 1675 **The Cultural Roots of American Islamicism** Timothy Marr, 2006-07-03 An analysis of the historical roots of today's conflicts between the US and the Muslim world Congregational Communion Francis J. Bremer, 1994 Puritan studies is one of the most heavily researched areas of scholarship in both England and the United States In this in depth exploration of the relationship between Puritans in England and New England Francis J Bremer challenges the view that the colonists turned away from English Puritans in the 1640s Rather he convincingly demonstrates that the two communities retained a complex symbiotic connection a communion throughout the seventeenth century and that the clergy on both sides of the Atlantic saw themselves as closely linked in their spiritual mission Focusing on the interaction between social experience and the shaping of belief Bremer thoroughly analyzes how Puritan clergymen of a congregational persuasion came together in a godly communion and examines how that communion sustained them in times of trouble and physical dispersal He explains the social forces that led to the articulation of early Congregationalism and details the significance of trans Atlantic religious exchanges through correspondence associations publications and other devices Bremer traces the first generation Puritans from their formative years at Cambridge University through the creation of a network of clerical

friendships through the flight to Holland and to New England to the death of Oliver Cromwell and the beginnings of division within Congregationalism This thought provoking volume makes a solid contribution to Puritan studies and offers a basis for further discussions of the trans Atlantic aspects of the Congregational community *Science at Harvard University* Clark A. Elliott, Margaret W. Rossiter, 1992-02 This collection of original historical essays examines aspects of the relationship between science and the nation s oldest academic institution This is history as viewed from the varying perspectives of a group of scholars for whom science at Harvard University is a significant component of their ongoing research Thus the essays are of specialist interest while collectively the volume is a case study of science in an institutional setting In conducting their research the authors have used a wealth of primary sources from the Harvard Archives and other repositories The volume opens with a thematic introduction by Margaret Rossiter reflecting the picture of Harvard science drawn in the several papers in the volume while suggesting ways in which a study of Harvard relates to and illuminates the history of science in America The subsequent papers follow a generally chronological sequence beginning with Sara Schechner Genuth s study of attitudes toward comets in relation to early Harvard University programs and functions Mary Ann James examines the beginnings of applied science at Harvard and Bruce Sinclair continues that theme with a comparative study of MIT and Harvard Toby Appel s paper on zoologist Jeffries Wyman identifies the special part that personal character plays in institutional history Curtis Hinsley concentrates on facilities and shows how the Peabody Museum gave rise to teaching in anthropology David Livingstone s biographical treatment of Nathaniel S Shaler reveals a number of intellectual strands running through the University in the late nineteenth century and John Parascandola s paper on L J Henderson likewise deals with a figure of wide influence and many interests ranging from biochemistry to sociology The latter topic leads to Lawrence Nichols s account of the rise of sociology at Harvard A view of the internal tensions within psychology are seen in Rodney Triplet s study of Henry A Murray I Bernard Cohen examines the relations among Howard Aiken IBM and Harvard in the development of the Mark I computer while Peggy Kidwell studies the Observatory community during World War II and its response to national defense and a developing federal support system Finally Clark Elliott considers the history of Harvard science as a field for study through a review of published literature and archival sources and makes suggestions for further investigation BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Proceedings of the American Antiquarian Society** American Antiquarian Society, 1911 **The Mather Papers** , 1868 *Biography* Elroy McKendree Avery, 1918 *Communities of Journalism* David Paul Nord, 2001 Widely acknowledged as one of our most insightful commentators on the history of journalism in the United State David Paul Nord offers a lively and wide ranging discussion of journalism as a vital component of community In settings ranging from the religion infused towns of colonial America to the rrapidly expanding urban metropolises of the late nineteenth century Nord explores the cultural work of the press *The Making of an American Thinking Class* Darren Staloff, 2001 This

pathbreaking study offers a radical new interpretation of the political religious and intellectual history of Puritan Massachusetts More than simply a theologically inspired Biblical commonwealth the church state of the Bay Colony was a seventeenth century one party state where congregations served as ideological cells **Collections of the Massachusetts Historical Society** Massachusetts Historical Society,1871 For the statement above quoted also for full bibliographical information regarding this publication and for the contents of the volumes 1st ser v 1 7th series v 5 cf Griffin Bibl of Amer hist society 2d edition 1907 p 346 360 The Culture of Calamity Kevin Rozario,2007-08-15 Turn on the news and it looks as if we live in a time and place unusually consumed by the specter of disaster The events of 9 11 and the promise of future attacks Hurricane Katrina and the destruction of New Orleans and the inevitable consequences of environmental devastation all contribute to an atmosphere of imminent doom But reading an account of the San Francisco earthquake of 1906 with its vivid evocation of buildings crumbling as one might crush a biscuit we see that calamities whether natural or man made have long had an impact on the American consciousness Uncovering the history of Americans responses to disaster from their colonial past up to the present Kevin Rozario reveals the vital role that calamity and our abiding fascination with it has played in the development of this nation Beginning with the Puritan view of disaster as God s instrument of correction Rozario explores how catastrophic events frequently inspired positive reactions He argues that they have shaped American life by providing an opportunity to take stock of our values and social institutions Destruction leads naturally to rebuilding and here we learn that disasters have been a boon to capitalism and paradoxically indispensable to the construction of dominant American ideas of progress As Rozario turns to the present he finds that the impulse to respond creatively to disasters is mitigated by a mania for security Terror alerts and duct tape represent the cynical politician s attitude about 9 11 but Rozario focuses on how the attacks registered in the popular imagination how responses to genuine calamity were mediated by the hyperreal thrills of movies how apocalyptic literature like the best selling Left Behind series recycles Puritan religious outlooks while adopting Hollywood s style and how the convergence of these two ways of imagining disaster points to a new postmodern culture of calamity The Culture of Calamity will stand as the definitive diagnosis of the peculiarly American addiction to the spectacle of destruction Cotton Mather's Spanish Lessons Kirsten Silva Gruesz,2022-07-05 In 1699 Cotton Mather authored the first Spanish language text in the English New World a religious tract aimed at evangelizing readers across the Spanish Americas Kirsten Silva Gruesz uses Mather s text to explore complex overlaps of race ethnicity and language in the early Americas which continue to govern Latina o x belonging today
