Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *The Pseudo-Democrat's Dilemma* Susan D. Hyde, 2011-06-06 Why did election monitoring become an international norm Why do pseudo democrats undemocratic leaders who present themselves as democratic invite international observers even when they are likely to be caught manipulating elections Is election observation an effective tool of democracy promotion or is it simply a way to legitimize electoral autocracies In *The Pseudo Democrat's Dilemma* Susan D Hyde explains international election monitoring with a new theory of international norm formation Hyde argues that election observation was initiated by states seeking international support International benefits tied to democracy give some governments an incentive to signal their commitment to democratization without having to give up power Invitations to nonpartisan foreigners to monitor elections and avoiding their criticism became a widely recognized and imitated signal of a government's purported commitment to democratic elections Hyde draws on cross national data on the global spread of election observation between 1960 and 2006 detailed descriptions of the characteristics of countries that do and do not invite observers and evidence of three ways that election monitoring is costly to pseudo democrats micro level experimental tests from elections in Armenia and Indonesia showing that observers can deter election day fraud and otherwise improve the quality of elections illustrative cases demonstrating that international benefits are contingent on democracy in countries like Haiti Peru Togo and Zimbabwe and qualitative evidence documenting the escalating game of strategic manipulation among pseudo democrats international monitors and pro democracy forces **Houlihans and Horse Sense** Vernon Schmid, 2004 This collection of popular newspaper and magazine columns by Vernon Schmid is gleaned from hundreds of published pieces over the years in

newspapers and magazines His work regularly reaches tens of thousands readers A prize winning poet and newspaper editor he is also a novelist and playwright Filled with humor wit and wisdom these pieces offer insight into the always odd and illuminating activities of humanity albeit from a unusual point of view Whether a rancher farmer stable owner racehorse aficionado or casual reader these columns will tickle your funny bone and sometimes bring a tear to your eye **Children's Books in Print, 2007** ,2006 **The Sweetness of Life** Françoise Héritier,2013-03-07 There is a form of lightness and grace in the simple fact of existence regardless of occupation of strong feelings or of political commitments of any sort and that is the only thing I have wanted to write about About that little extra thing that is granted to all of us a lust for life So begins Françoise Héritier in her exploration of the things in life worth living for the moments and events that give life flavour An eminent anthropologist now in her eighties she draws on her own memories and the wisdom gained in a lifetime of exploration to show how life is richer and more interesting than we often remember **Selling it** Leslie Ware,2002 A collection of articles featured in Consumer Reports magazine s Selling It column which bring a variety of consumer scams and sweepstakes to the attention of Americans **The Monstrous-Feminine** Barbara Creed,2015-09-04 In almost all critical writings on the horror film woman is conceptualised only as victim In The Monstrous Feminine Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body With close reference to a number of classic horror films including the Alien trilogy T Culture Wars Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today **New York Magazine** ,1982-01-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Punk** Rich Weidman,2023-01-15 Infused with a raw and energetic sound that stripped rock n roll to the bone punk rock transformed rock s landscape in the 1970s deconstructing bloated arena rock and leaving a lasting influence on the music and cultural scene in the United States and overseas Punk was all about extending a middle finger to the status quo while pushing boundaries in uncharted directions According to punk poet laureate Patti Smith To me punk rock is the freedom to create freedom to be successful freedom to

be not successful freedom to be who you are It s freedom Punk The Definitive Guide to the Blank Generation and Beyond focuses on the origins of punk ranging from disparate influences such as Dadaism the Beat Generation the garage bands of the 1960s the Paris based Situationist International movement Jamaican ska bands Stanley Kubrick s dystopian masterpiece A Clockwork Orange and the glam rock of the early 1970s Rich Weidman highlights the best and worst punk bands the greatest punk songs and albums the most notorious concerts and the rise of American hardcore punk Legendary venues such as CBGB and classic punk films and documentaries like The Decline of Western Civilization propelled the rise of pop punk bands into the mainstream and every other aspect of punk subculture including its lasting impact on rock n roll and society as a whole **Forthcoming Books** Rose Arny,2003-04 **Women Scientists in Fifties Science Fiction Films** Bonnie Noonan,2015-02-18

In the 1950s science was rapidly advancing and so were scientific opportunities for women Modern science fiction films reflected these simultaneous social developments This book proposes that the social ideology of the 1950s which was partly concerned with gender issues saturated the B science fiction films of that era and inspired a new appreciation for the role of women in scientific advancements and other social achievements Drawing on feminist literary and cultural theory the author argues that the emergence of the modern American science fiction film in 1950 and the situation of post World War II female scientists together created a film genre That genre was explicitly amenable to exploring the tension between a woman s place in her home and her place in the work force particularly in scientific fields Early chapters provide a general introduction to the science fiction genre and specifically describe 1950s B science fiction films as they resonate with concerns proper to feminist theory Subsequent chapters offer detailed historically situated readings of 10 B science fiction films from the 1950s that feature women in science The cinematic representations of female scientists are compared and contrasted with real female professionals of the time illuminating the changing gender dynamics reflected in popular film in the 1950s Films analyzed include Rocketship X M It Came from Beneath the Sea Them Tarantula The Deadly Mantis Beginning of the End Kronos Cat Women of the Moon World Without End and Queen of Outer Space **Vintage**
