Index Fund Solution A Step By Step Investors Guide:

The Index Fund Solution Richard E. Evans, Burton G. Malkiel, 2000-03-21 MAXIMIZE YOUR RETURNS MINIMIZE YOUR RISK Now more than ever before average investors are embracing index funds to eliminate the anxiety and expense of trying to predict which individual stocks bonds or mutual funds will beat the index In The Index Fund Solution Richard E Evans and Burton G Malkiel explore why choosing index funds funds that buy and hold all stocks or bonds within a given group of securities ensures that you will always do as well as the market average The Index Fund Solution not only examines why index funds are growing rapidly in popularity but using easy to understand language also explains how anyone from longtime investors to novices can use these thriving funds to create a successful investment strategy Whether you are saving for a child s education the purchase of a house or your retirement nest egg index funds can be the key to unlocking the potential of dependable long term returns

Earn More (sleep Better) Richard Eli Evans, 1999 This is likely to be the most important book you will ever read about investing It recommends a very simple step by step strategy to do what sophisticated professionals do use index funds as the vehicle of choice for their investment assets Why Index Funds For the fifteen year period ending December 31 1997 an S P 500 index fund beat 90 percent of all diversified stock funds before counting sales charges and the tax advantage of index funds In fact index funds have outperformed non index funds across a wide range of asset classes and time periods What about individual stocks and bonds Based on the evidence investing with individual stocks bonds or conventional mutual funds is not likely to give you the best results It makes more sense to invest with a diversified portfolio of index funds balanced to fit your needs and goals How do Index Funds perform in bear markets Index funds in six recent bear markets held up better than conventional non index funds
