***Lifting the Veil*** Janet Farrar, Gavin Bone, 2024-04-22 Written to fill the gap in available knowledge on trance prophecy deity possession and mediumship within the neo Pagan and Wiccan communities *Lifting the Veil* has been developed from Janet Farrar and Gavin Bone's personal work and public workshops on trance prophecy and ecstatic ritual over 25 years The book covers the history and modern practice of trance as well as the methods of practice It also explores the four keys to trance prophecy which include the importance of understanding mythical cosmology and psychology understanding the role of energy in trance the nature of spirits and deity and understanding what trance is and the techniques involved Because trance prophecy is a very subjective process the book includes descriptions of the personal experiences of others and transcriptions from several independent sessions by modern seers and priestesses

**Three**

**Midwestern Playwrights** Marcia Noe, 2022-08-02 In the early 1900s three small town midwestern playwrights helped shepherd American theatre into the modern era Together they created the renowned Provincetown Players collective which not only launched many careers but also had the power to affect US social cultural and political beliefs The philosophical and political orientations of Floyd Dell George Cram Cook and Susan Glaspell generated a theatre practice marked by experimentalism collaboration leftist cultural critique rebellion liberation and community engagement In *Three Midwestern*

Playwrights Marcia Noe situates the origin of the Provincetown aesthetic in Davenport Iowa a Mississippi River town All three playwrights recognized that radical politics sometimes begat radical chic and several of their plays satirize the faddish elements of the progressive political social and cultural movements they were active in Three Midwestern Playwrights brings the players to life and deftly illustrates how Dell Cook and Glaspell joined early 20th century midwestern radicalism with East Coast avant garde drama resulting in a fresh and energetic contribution to American theatre

**Public Behavioural Responses to Policy Making during the Pandemic** Noriko Suzuki,Xavier Mellet,Susumu Annaka,Masahisa Endo,2022-11-30 This book provides a comparative study of people s mask wearing behaviour in response to government policies between European Northern America and Asian countries Examining citizens attitudes towards their state during the COVID 19 pandemic from the perspectives of history linguistics politics economics and sociology the contributors in this volume explore to what extent people accept the wearing of masks in countries where governments have made it mandatory as compared to countries where people wear masks voluntarily The book thus looks at mask wearing from a political dichotomy between authoritarianism and liberalism and posits the extent to which political divisions could have existed in public opinion over the measures taken against COVID 19 Filled with invaluable insights through research in 13 countries this book will appeal to readers in policy making and influencing public opinion via the Europe Asia comparative study

*It, and Other Stories* Gouverneur Morris,2021-04-25 In *It and Other Stories* Gouverneur Morris offers a compelling exploration of human emotion and social dynamics against the backdrop of early 19th century America Morris s literary style is characterized by a rich descriptive prose that weaves vivid imagery with astute psychological insights Each story delves into the complexities of relationships choices and the pursuit of happiness reflecting the intellectual currents of his time including the shift towards Romantic ideals and burgeoning individualism Morris s narrative craft is deftly illustrated through his ability to create multifaceted characters who grapple with existential dilemmas Gouverneur Morris a statesman and writer possessed a unique perspective shaped by his experiences in both the political sphere and personal life Known for his role in the drafting of the U S Constitution and his discerning observations of human nature Morris harnessed these insights to breathe life into his fictional characters His narrative ambitions were further driven by an interest in depicting the moral and ethical landscapes of his era as well as exploring the human condition through a nuanced lens Readers seeking profound reflections on the intricacies of life will find *It and Other Stories* an enriching addition to their literary repertoire This collection not only entertains with its engaging tales but also invites contemplation on enduring themes of love loss and redemption making it a significant work for those interested in the evolution of American literature

**Intertextuality in American Drama** Drew Eisenhauer,Brenda Murphy,2012-12-10 The new essays in this collection on such diverse writers as Eugene O Neill Susan Glaspell Thornton Wilder Arthur Miller

Maurine Dallas Watkins Sophie Treadwell and Washington Irving fill an important conceptual gap The essayists offer numerous approaches to intertextuality the influence of the poetry of romanticism and Shakespeare and of histories and novels ideological and political discourses on American playwrights unlikely connections between such writers as Miller and Wilder the problems of intertexts in translation the evolution in historical and performance contexts of the same tale and the relationships among feminism the drama of the courtroom and the drama of the stage Intertextuality has been an under explored area in studies of dramatic and performance texts The innovative findings of these scholars testify to the continuing vitality of research in American drama and performance

**Masking America, 1918-1919** Kerry Segrave, 2024-07-31 This book recalls masking efforts in response to the Spanish flu epidemic Masking the population as an ineffective response to disease by public health officials and political bureaucrats at various levels of jurisdiction reached its zenith in 2020 However it began a century earlier during the Spanish flu epidemic of 1918 1919 In both cases masking was not the first response made by the officials In both cases it was introduced as part of the second round of responses after the first round had failed During 1918 the imposition of masking was done by legal mandate in some areas by hectoring and whining on the part of officials in other areas and by gentle and not so gentle public persuasion involving the use of good examples Military members were mainly forced to don masks Since there were bases camps and cantonments all over America as the war was ongoing it was hoped an example would be set for the general public Post office clerks who dealt with the public were often forced to wear masks it was one of the few areas where the federal government had the power to impose masking Some areas used masking almost not at all such as the New England states Other areas such as the Pacific forced masking on much of the population Some public health officials did not subscribe to any of the imposed measures such as Dr Royal Copeland the New York City Health Commissioner and Dr Rupert Blue the United States Surgeon General

*Staging Depth* Joel Pfister, 2000-11-09 Until now Eugene O'Neill's psychological dramas have been analyzed mainly by critics who relied on obvious parallels between O'Neill's life his family and his plays In this theoretically expansive and interdisciplinary book Joel Pfister reassesses what was at stake ideologically in O'Neill's staging and modernizing of psychological individualism for his social class Pfister examines the history of the middle class family and of Freudian pop psychology in the 1910s and 1920s to reconstruct the cultural conditions for the imagining and popularizing of depth a trope that was central to O'Neill's dramatic vision He also recovers provocative critiques by contemporary critics on the Left who challenged O'Neill's preoccupation with dramatizing psychological familial and aesthetic depth One of the few sustained works on O'Neill in recent years this wide ranging book makes a major contribution to cultural studies to the history of subjectivity and to scholarship on the ideological origins of modernism and modern American drama Originally published in 1995 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in

affordable paperback formats bringing readers both historical and cultural value      **The Pause** Julian Jason Haladyn,2024-05-01 When COVID 19 spread across the globe people experienced protection measures such as social distancing self isolation and self quarantine as a kind of shutting down or putting on hold of life Many referred to this experience as a pause Calling attention to the long history of grappling with pausing in writing on plagues and pandemics Julian Haladyn explores the pause in its social political and personal manifestations over the extended pandemic The schism between the virus and its prohibitions on human engagement with the world produced a crisis Haladyn argues in which for an extended time it was impossible to imagine a future The Pause is a cultural inquiry into a moment when human life around the globe seemed to halt as well as the social symptoms that defined it The Pause captures the experience of being inside the pandemic even as that experience continues to unfold It regards our current situation not for what it may become in the future but rather as a moment of mass uncertainty and existential hesitation      The Jonathan Papers Elisabeth Woodbridge Morris,2021-04-25 In The Jonathan Papers Elisabeth Woodbridge Morris weaves a profound narrative that explores the complexities of human relationships and the nuances of individuality within a societal framework Through a series of poignant letters diary entries and reflective essays Morris employs a lyrical yet accessible prose style that invites readers into the intimate world of her protagonist Jonathan The book s literary context is rooted in contemporary existential thought examining themes of identity belonging and the often conflicting nature of personal desires versus societal expectations Elisabeth Woodbridge Morris known for her keen psychological insights and evocative storytelling draws from her extensive background in psychology and sociology to create a deeply empathetic portrait of her characters Her own experiences navigating the intricate tapestry of human interaction have undoubtedly shaped her literary voice enabling her to present a nuanced portrayal of contemporary life Morris s academic and personal pursuits reveal a commitment to understanding the subtleties of the human experience which is embedded throughout her work The Jonathan Papers is highly recommended for readers seeking a thoughtful exploration of the human condition Morris s eloquent prose and keen eye for detail will resonate with anyone who has grappled with their own identity within the tapestry of community This book invites reflection and encourages readers to engage with their own narratives making it a transformative reading experience      **Church(ish): the polished mask I gracefully wear** Andrew Cannon,2018-03-22 The story is too familiar You visit a church and everyone is nice but no one seems to truly care The people wear masks of righteousness only to after you have committed yourself remove those masks to reveal the face of a horrid witch like creature Or perhaps a different mask is worn a mask that looks beautiful so that it hides the fact that the people are not worshipping or teaching about a real god only some god that is created by human hands from tradition or from the popular religious myths of our day or a day in the distant past Why should I burn my mask and expose my cross      **The Living Age** ,1912
