S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1914 **Classical Music Radio in the United Kingdom, 1945-1995** Tony Stoller, 2017-11-11 This book is the first comprehensive account of classical music on all British radio stations BBC and commercial between 1945 and 1995 It narrates the shifting development of those services from before the launch of the Third Programme until after the start of Classic FM examining the output from both qualitative and quantitative perspectives as well as recounting some of the stories and anecdotes which enliven the tale During these fifty years British classical music radio featured spells of broad multi channel classical music radio with aspirational and mainstream culture enjoying positive interactions followed by periods of more restricted and exclusive output in a paradigm of the place of high culture in UK society as a whole The history was characterised by the recurring tensions between elite and popular provision and the interplay of demands for highbrow and middlebrow output and also sheds new light on the continuing relevance of class in Britain It is an important and unique resource for those studying British history in the second half of the twentieth century as well as being a compelling and diverting account for enthusiasts for classical music radio **Proceedings of the Worldwide Music Conference 2021** Ildar D. Khannanov, Roman Ruditsa, 2021-04-12 This book presents sixteen chapters in Volume 1 This Volume I of the Proceedings of the Worldwide Music Conference 2021 offers a smorgasbord of scientific approaches to music The congress is one of a kind it is dedicated not to a specific field but to the interdisciplinary developments and the interaction with the representatives from actual scientific disciplines The languages of mathematics computer science semiotics palaeography and medicine are in the mix geography of the studies is also impressive Greece Mexico China Russia India Poland and USA to name just a few The purpose of such juxtaposition is to see how the terminology categorical apparatus and interpretations of music vary from science to science and how this can enrich the

terminology of music theory They cover a wide range of topics that the editors divided into four subfields music in interdisciplinary contexts music and current technology musical instruments and voice and music pedagogy and medicine The opening section of the Proceedings is thus dedicated to the idea of interdisciplinarity relationship of creator of theory of harmony Rameau to sciences of his time the idea of number in music co creation and the category of musical network Three more chapters here deal with Russian palaeography Indian musical genre and the idea of musical semiotics It is a kind of opening statement from music theorists Part two music and current technology united three chapters on zero gravity concept in modern music discussion of scales as mathematical networks and the innovation in digital music making transforming it from stationary to mobile applications The third part musical instruments and voice is of special interest because it is in the study of the instruments the design acoustic characteristics and tuning and sciences have cooperated with music theory for centuries In addition to instruments one chapter here is dedicated to voice The last part musical pedagogy and medicine takes the reader even further into the interdisciplinary domain The Proceedings is written in standard English language prepared for the pleasure of reading of wide circles of professionals in different fields The purpose of the editors is to bring this rather diverse set of texts into the context of a fruitful dialogue *Plain Talk* ,1928 *Music Talks: the lives of classical musicians* Helen Epstein,2019-07-31 A collection of profiles of some of the world s most fascinating musicians including the late Leonard Bernstein Vladimir Horowitz and Dorothy DeLay and the very lively James Galway and Yo Yo Ma Passed from hand to hand and read by music students as well as music lovers everywhere Music Talks makes a wonderful gift book An illuminating introduction to the trials and triumphs of the classical musician Michael E Ross New York Times Sunday Book Review Informative perceptive lively and accurate Gary Graffman Curtis Institute For twenty years I ve assigned these profiles to my students as a means of understanding themselves and their art Epstein has a gift for making the sometimes remote world of classical music seem familiar without sacrificing its majesty and mystery Jonathan Baldo Eastman School of Music I use her book as a model for my students in teaching them both the profile form and how to provoke subjects into revealing themselves on the page Megan Marshall Emerson College Department of Writing Literature and Publishing

Cincinnati Magazine ,1983-06 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **The Penguin Companion to Classical Music** Paul Griffiths,2004-10-07 This superbly authoritative new work provides a comprehensive A Z guide to some 1000 years of Western music It explores in detail the lives and achievements of a vast range of composers as well as looking at such key topics as music history from medieval plainchant to contemporary minimalism performers theory and jargon Throught Griffiths skilfully blends lightly worn scholarship with personal insight whether examining the emotional colouring that different musical keys achieve or charting the rise and development of the symphony **The NPR Listener's Encyclopedia of Classical Music** Theodore Libbey,2006-01-01 A resource on classical music provides coverage of

Federal Communications Commission, 1967 The North Carolina Symphony Joe A. Mobley, John W. Lambert, 2019-06-20 From its beginnings during the Great Depression the North Carolina Symphony has touched the lives of countless Tar Heels One of the state s premier cultural organizations and the oldest continuously state supported orchestra in the nation the Suitcase Symphony grew from a small group of volunteer players to the world class orchestra it is today This book details the contributions of founder Lamar Stringfield longtime conductor Benjamin Swalin and his wife Maxine current music director Grant Llewellyn and other leaders of this iconic institution The authors place the symphony s story for the first time in the context of North Carolina s cultural history and in the process reveal much about the musical traditions of the Sahara of the Bozart and about the trials and triumphs of maintaining a state symphony orchestra

Embracing the Song of Phrase: An Psychological Symphony within **Light Classics**

In a world used by monitors and the ceaseless chatter of fast transmission, the melodic elegance and emotional symphony produced by the written term usually diminish into the background, eclipsed by the persistent noise and disruptions that permeate our lives. But, nestled within the pages of **Light Classics** a marvelous fictional value full of organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, this captivating masterpiece conducts readers on a mental journey, skillfully unraveling the concealed tunes and profound influence resonating within each carefully crafted phrase. Within the depths of the touching review, we shall explore the book is main harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
