Light On Her Face:

Studio Anywhere Nick Fancher, 2015-03-19 What's your definition of a photo studio? Is it a room with a white seamless backdrop or a cyc wall? Maybe it's simply anywhere you're in control of the lighting. In a perfect world where every day is a breezy 72 degrees with partial cloud coverage, we would all have a 5,000 square foot studio and the entire catalog of B&H in our equipment lockups. But the reality is that you may have an outdated DSLR with two decent lenses which took you several years to save up for and all you have at your disposal is an unfinished basement, your garage or the empty conference room at your office. That's where Studio Anywhere comes in. With photographer Nick Fancher as your guide, you'll learn how to get portfolio-ready photos while working in some of the most problematic scenarios imaginable. Whether shooting a corporate portrait, a test shoot with a model or a promo shoot with a band, you'll discover that most of the time there's no need for an expensive studio; you just have to get creative. Studio Anywhere is a resource for photographers to learn through behind-the-scenes photos and lighting diagrams from a range of photo shoots, but it doesn't stop there. Because directing a photo shoot involves more than simply knowing how to wield a camera or process a raw file, Nick also lets you in on the aesthetic decisions he makes in his signature photos, inspiring you to develop your own vision. And finally, he describes his Lightroom and Photoshop workflow so you can learn how to deftly navigate post-processing. Shows how to create images with minimal equipment that is within reach of anyone's budget. Takes you through the entire shoot from concept to lighting to exposure to post-processing in Lightroom and Photoshop. Teaches how to build a portfolio without a dedicated studio space. *Light*

Then fate intervened: she was captured, brought to Rome in chains, and trained to fight in the arenas as a gladiator, only to fall in love with a Roman aristocrat, Marcus Arrius Julianus, and become his wife. Marcus and Auriane have lived in tranquility for years, but without his knowledge, Auriane is a traitor to Rome. Plundering her husband's coffers for nearly a decade, Auriane has provided her people with enough wealth to arm themselves. Now Auriane's betrayal has been discovered, and if her duplicity reaches the Roman authorities, her life and the lives of her family will be forfeit. **Sugar Apple Fairy Tale, Vol. 8 (light novel)** Miri Mikawa, 2025-06-10 A royal decree ordering candy crafters to take fairies as their disciples and raise them into crafters shocks the kingdom of Highland.
