Light on the Gospels John L. McKenzie, 2009-01-01 The key to understanding the Gospels says Father McKenzie is to read them carefully and inquisitively then reread them and reread them Perhaps never before has there been such a need for a mature Christian faith based solidly on the scriptures that will stand against the secularity of the times And perhaps never before has the work of scripture scholars been so helpful in giving the ordinary reader an understanding of the scriptures that is pertinent to his or her life McKenzie without being polemical or technical provides a brief and readable guide to the Gospels that will deepen and enrich Christian faith

Deeper Secrets of Human Evolution in Light of the Gospels Rudolf Steiner, 2021-10-14 The personality who received the Christ Being into himself in his thirtieth year is a complex entelechy Only on the basis of the Akashic Record can an accurate view be gained as to why the life of Jesus is so diversely presented in the various Gospels Rudolf Steiner Previously untranslated this collection of twelve lectures represents a middle point in Rudolf Steiner's unique exposition of the Christian gospels his momentous courses on St John and St Luke had already been delivered whilst his lectures on the Matthew and Mark gospels were yet to follow Here he examines the varying depictions of Christ in the gospels explaining that they represent four different but complementary perspectives Steiner's unparalleled insights are based on his firsthand ability to research the spiritual Akashic Record the universal compendium of all events thoughts emotions and intentions The twelve lectures include The Gospels Buddha and the two Jesus children Four varying depictions of Christ in the four Gospels The Mission of the ancient Hebrew people Preparations for an understanding of the Christ Event On the right attitude to Anthroposophy The Gospel of Matthew and the Christ conundrum Group souls and Individuality God within and the God in outer manifestation The Christmas tree as a symbol and A Christmas mood Translated by Christiana Bryan this volume features an introduction by Tom Ravetz as well as notes and an index

Lukan Theology in the Light of the Gospel's Literary Structure Douglas S. McComiskey, 2007-01-01 Numerous scholars have noted various elements of literary structure in the Gospel of Luke many of them patterned such as chiasm Several of these scholars have rigorously explored the significance of such structure A common conclusion is that if Luke is consistent with other ancient writers then the observation of some elements of patterned structure e g what has already been discovered in the Gospel suggests that there is probably considerably more This book offers a comprehensive literary structure for the Gospel of Luke thoroughly and critically evaluates it and ultimately focuses on theology that may be derived from this structure As groundwork the Introduction provides rigorous tests for assessing the intentionality behind proposals of

parallelism The first chapter then employs the tests in an evaluation of Robert C Tannehill s work on Luke Acts which is representative of studies on correspondences that are not strictly structural in nature His contribution enables us to grasp how Luke encourages the reader to read passages in the light of other passages within the Gospel and accordingly provides an interpretive aid for our study The second chapter applies the tests to the Lukan correspondences suggested by Charles H Talbert which are inherently structural His analysis of Luke Acts and other Greco Roman literature provides a strong theoretical foundation for our own proposal Chapter three surveys OT Greco Roman and NT texts that bear a similar patterned structure to what we discover in Luke The structure of Luke is presented and carefully evaluated in chapter four and the theological implications of that structure are developed in chapter five shedding much fresh light on Lukan theology

The Qur'an by the Light of the Gospel Patrick John,2018-02-23 If a Muslim came to a Christian and asked him to explain his belief in Jesus Christ how would a Christian respond If an Imam asked a Christian Pastor to bring evidence of the Gospels authority would a Pastor welcome the opportunity And if any Muslim would ask a Christian to judge between their respective beliefs would a Christian know how to do it These questions presupposed an occurrence that most Christians will never encounter because most Muslims do not ask Yet the Quran has been asking these exact same questions of us for the last thirteen hundred years Should we ignore the Quran for another Millennia It is time to answer On a visit to my local mosque I asked the Imam if I could pray with him Before I started to pray the Imam quickly interjected You are not going to pray to Mary are you That there are those who pray to Mary and worship her is maybe understandable but it is not Biblical Christians are told in the Quran to desist using the term Trinity But the word Trinity is not found in the Bible I believe as Abraham believed that there is a God that can be seen and a God that we do not see BUT they are one and the same Allah is not a name but the Arabic word for God even Christians in the Middle East use the word Al Maidah 47 Let the People of the Gospel judge by what Allah has revealed in it Isaiah 43 10 You are my witness declares the LORD and my servant whom I have chosen that you may know and believe me and understand that I am he Here we hopefully put right many misconceptions and bring what God has revealed

The Gospel of John: More Light from Philo, Paul and Archaeology Peder Borgen,2014-03-06 To Paul the traditions from and about Jesus had authority similar to that of the Scriptures a logion or story served as text for paraphrastic expositions Such expositions are also seen in John s Gospel It is insufficient to discuss John and the Synoptics A better scope is John within early gospel traditions Paul and Philo maintain a cosmic understanding of Jesus and the Jewish people respectively Correspondingly Jesus is seen in cosmological perspective in John s Prologue Philo illuminates the role of God s logos relative to creation and revelation Archaeology testifies to the reliability of John s topographical references Both John and Philo can combine theological and ideological elaborations with specific geographical references historical events and religious feasts The study has brought in material and perspectives which strengthen the view that the Gospel of John was

independent of the other three written gospels The Gospel of John in the Light of Indian Mysticism Ravi Ravindra,2004-08-16 Explores St John s Gospel from an Eastern perspective to reveal the interconnectedness of all faiths and the need for interfaith dialogue Takes readers beyond academic and historical analyses by exploring the mystical foundation of the Gospel Includes the full text of the Gospel of John interwoven with passage by passage interpretations The Gospel of John is different from the other canonical gospels in its overall point of view concerning Jesus Christ and his mission on earth It is much more cosmological in scale and mystical in nature and has long been considered more esoteric The Gospel of John in the Light of Indian Mysticism presents an unusual and rewarding exploration of this Christian text from a Hindu perspective as Ravi Ravindra takes us into the heart of St John s words eloquently and convincingly revealing the interconnectedness of all faiths and the growing need in today s world for interfaith dialogue For those concerned with the emergence of a universal spirituality Ravindra provides a source of light a translucent pool of wisdom that offers from its depths an immense and lasting spiritual vision *Dictionary of Jesus and the Gospels (2nd edn)* J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church *The Way, the Truth, and the Light According to the Gospel and Revelation of John* Victor Pierobon,2021-10-10 John best described the Way the Truth and the Light in the New Testament Jesus Christ is the only

sinless and selfless Man with the Holy Spirit of Truth and the Light and Breath of God residing in Him becomes our Lord and Judge most favored by God The book is an analysis of all the works of John line by line John s Christ often contradicts many modern Christian denominations This book points out these discrepancies It also provides a clear trace of Adam and his fall to his lineage of Mankind as well as the divine evolutionary interventions that shaped our species evolution of humanity and their divine souls In the Final Days of Revelation and Matthew s Gospel both state to let Evil be evil and Good be good Revelation reveals the harvest of the Good from Earth as Earth slowly gets scorched and destroyed by God God destroys the Evil ones that destroyed the Earth A new City of God along with a new Earth and a New Heaven is created for those Good souls spared from the Second Death the death of the soul A complete summary of this book is presented in the third Chapter The Christian Beliefs Events and Definitions The Appendix also provides comparative ideas and facts from other religions science philosophy spiritual works and Near Death accounts that verify John s New Testament writings This book supersedes and replaces my other two previous books How to Believe in Christ According to the Gospel of John and The City of God the Bride of Christ and the Second Death According to Revelation of John and these two previous books will no longer be updated and could be unpublished later on or a nominal price will be added for those who are curious on how this book evolved from past editions Christian Doctrine in the Light of New Testament Revision Alexander Gordon,1882 **New Testament**

Smyth,1914 **A Dictionary of Christ and the Gospels** James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is

thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church **A General Sketch of the New Testament in the Light of Christ and the Church** Witness Lee, 1999

The Gospel of John and the Sociology of Light Norman R. Petersen, 2008-12-09 This provocative study of the language of the Fourth Gospel pursues the complicated but intriguing thesis that the Gospel's language is a blend of everyday ordinary language and a special language suitable to the Johannine community This special language transforms the ordinary language in a way that makes it into an anti language The oppositional character of the language then functioned socially to distinguish the Johannine believers from their opponents By addressing the perplexing issue of the language of the Fourth Gospel in a way that has not yet been done Professor Petersen has made his work essential for specialists in New Testament and especially in Johannine studies The work deals with the literary historical and sociological features of the Fourth Gospel Its use of diverse methodologies is one of the book's extraordinary values reflecting the current need for interdisciplinary efforts in Johannine studies The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel James LaGrand, 1999 This original work of scholarship clarifies how in light of Matthew's Gospel the first Christians understood and claimed Israel's messianic mission to people of every ethnic group immediately after Jesus' death and resurrection BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Son of David in Matthew's Gospel in the Light of the Solomon as Exorcist Tradition Jiri Dvoracek, 2016-05-30 Jiri Dvoracek examines the usage of the messianic title Son of David in Matthew's Gospel against the background of contemporary Jewish ideas focusing especially on how the Solomon as exorcist tradition shaped Matthew's final portrait of Jesus as the healing Messiah
