Constructions Put Upon Them by William Burnet in ... The Capital Principles of the People Called Quakers ...** George Whitehead,1823      Augustine and Nicene Theology Rene Barnes,2024-01-25 In this collection of essays Michel Rene Barnes offers a new reading of the character and development of Latin Trinitarian theology in the fourth and fifth centuries Although Augustine is the principal focus he is treated here as an inheritor of an earlier Latin tradition Antecedent theologians most notably including Marius Victorinus are given a revised interpretation and Augustine himself is explored from multiple angles At every turn developments in Augustine s thought are shown to be a response to the anti Nicene theologies of the period Most significantly this view decries the modern systematic tendency to engage with Augustine only through a simplified version of late nineteenth century categories This accusation invites the question of how far modern theology can actually engage with Patristic theology at all but Barnes offers a way forward      **The Preacher's Complete Homiletical Commentary** ,1892      **The Power of God** Michel R. Barnes,2001-05 This study will be useful for those who study the development of the doctrine of the Trinity as well as those who are interested in the role of scriptural and philosophical resources in Christian theology Fi      *The Near Approaching Day of Universal Restoration, Regeneration, Peace and Salvation* John Bousell,1793      A treatise concerning thoughts and imaginations ... Revised from the third edition printed 1769 William Shewen,1850      **Sessions with James** Michael D. McCullar,2001 Sessions with James is an eleven session study unit designed to give the learner a full understanding of the book of James Each session is followed with a resource page of 8 10 questions These resource pages allow for a deeper experience in the book of James and can be used by a seminar leader during preparation and planning as well as for individual Bible study      *A Small Treatise Concerning Evil Thoughts and Imaginations* William Shewen,1861      **Light, Power and Wisdom** Divine Life Society of South Africa,1993

**Desiring Divinity** M. David Litwa,2016-10-03 Perhaps no declaration incites more theological and moral outrage than a human s claim to be divine Those who make this claim in ancient Jewish and Christian mythology are typically represented as the most hubristic and dangerous tyrants Their horrible punishments are predictable and still serve as morality tales in religious communities today But not all self deifiers are saddled with pride and fated to fall Some who claimed divinity stated a simple and direct truth Though reviled on earth misunderstood and even killed they received vindication and rose to the stars This book tells the stories of six self deifiers in their historical social and ideological contexts In the history of interpretation the initial three figures have been demonized as cosmic rebels the first human Adam Lucifer later identified with Satan and Yaldabaoth in gnostic mythology By contrast the final three have served as positive models for deification and

divine favor Jesus in the gospel of John Simon of Samaria and Allogenes in the Nag Hammadi library In the end the line separating demonization from deification is dangerously thin drawn as it is by the unsteady hand of human valuation The Guidebook to the True Secret of the Heart M. R. Bawa Muhaiyaddeen, 1976 The Collected Works of Witness Lee, 1971, volume 1 Witness Lee, The Collected Works of Witness Lee 1971 volume 1 contains messages given by Brother Witness Lee from early January through April 11 1971 In 1971 Brother Lee spoke twenty four messages that constituted The Visions of Ezekiel which were later published in Life study of Ezekiel These Life study messages are not included in The Collected Works of Witness Lee From the middle of October 1970 until the middle of January 1971 Brother Lee was in Hong Kong and Taiwan Then he visited Manila Philippines Singapore Surabaya Indonesia and Melbourne Australia before arriving in Auckland New Zealand on March 1 Brother Lee traveled to San Francisco on March 17 and then went to Los Angeles at the beginning of April where he remained until the end of May The contents of this volume are divided into six sections as follows 1 Ten messages given in Taipei Taiwan in January These messages were previously published in a book entitled *Shepherding the Church and Perfecting the Young People* 2 Ten messages given in Taipei Taiwan from January 5 through 9 They were previously published in a book entitled *The Meaning of Human Life and a Proper Consecration* 3 Three messages given in an unknown city and in Singapore from the end of January to the beginning of February The date and place of the first message are uncertain The last two messages were given in Singapore in February They are part of an eight day conference held in Singapore at the end of January and the beginning of February The records of only two of the messages given during that conference have been located The three messages in this section are included in this volume under the title *The Abolishing of Ordinances and the Making of Peace* 4 Twelve messages given in Palmerston North New Zealand on March 12 through 16 These messages are included in this volume under the title *Experiencing Christ for the Church as the New Man the Body of Christ and the Bride of Christ* 5 Five messages given in San Francisco California on March 19 through 21 They are included in this volume under the title *Experiencing Christ for the Building Up of the Church as the Body of Christ and the New Man* 6 Seven messages given in Los Angeles California on April 8 through 11 These messages were previously published in a book entitled *The Life for the Preaching of the High Gospel* *The Exercise of the Spirit and the Building of God* Witness Lee, 2024-01-17 In the New Testament age God is doing a specific work in His Son and through the Holy Spirit He is entering into people that they may be filled with the element of God and He is bringing these people who are filled with His element into Himself This is the mingling of God with man this is the building of God The believers who have been mingled with God are built up together in Him The builded church is not composed of only human beings Rather the building of the church is accomplished by building God into man When God is in all of us and we are in God we are one Body This is the way that we are built together This building depends on the New Testament priests These priests are not a special class of believers but rather the believers who are in spirit and can be built together in God In order for the church to be built up it is necessary for

every believer to enter into the Holy of Holies and carry out their priestly service that is to pray in their spirit Only by praying in our spirit can we become living stones that are being built together 1 Pet 2 5 The present need is for the believers to be built together in spirit to become a living spiritual temple as the Body of Christ for Him to obtain rest to be expressed and to be glorified     **Meditations and Experiences ... Taken from the third edition, printed 1769** William Shewen,1826

*A Small Treatise concerning evil thoughts and imaginations ... By W. S. W. S.,1861*     *"Too Much to Grasp"* Andrea D. Saner,2015-09-15 Few phrases in Scripture have occasioned as much discussion as has the I am who I am of Exodus 3 14 What does this phrase mean How does it relate to the divine name YHWH Is it an answer to Moses question v 13 or an evasion of an answer The trend in late nineteenth and twentieth century scholarly interpretations of this verse was to superimpose later Christian interpretations which built on Greek and Latin translations on the Hebrew text According to such views the text presents an etymology of the divine name that suggests God s active presence with Israel or what God will accomplish for Israel the text does not address the nature or being of God However this trend presents challenges to theological interpretation which seeks to consider critically the value pre modern Christian readings have for faithful appropriations of Scripture today In *Too Much to Grasp* Exodus 3 13 15 and the Reality of God Andrea Saner argues for an alternative way forward for twenty first century readings of the passage using Augustine of Hippo as representative of the misunderstood interpretive tradition Read within the literary contexts of the received form of the book of Exodus and the Pentateuch as a whole the literal sense of Exodus 3 13 15 addresses both who God is as well as God s action The I am who I am of v 14a expresses indefiniteness while God reveals himself as YHWH and offers this name for the Israelites to call upon him God is not exhausted by this revelation but rather remains beyond human comprehension and control
