Conjugal Love Emanuel Swedenborg, 2013-11-19 This work published in 1768 when Swedenborg was eighty years of age was the first of the author's theological works on the title of which his name appeared It treats of the relation of the sexes of the nature and origin of love truly conjugal and of its indissoluble nature of the marriage of the Lord and the Church and its correspondence of the spiritual conjunction of partners in true marriage of the change effected in both sexes by marriage of the causes of disaffection separations and divorces of the causes of apparent love friendship and favor in marriage and of iterated marriages To which is appended a treatise on Adulterous or Scortatory Love in its various degrees showing it to be in its nature the very opposite of Conjugal Love

*The Book of Unknowing* David S. Herrstrom, 2012-03-29 The Book of Unknowing meditates on John's confrontation with the incandescent Jesus a figure of our desire for immortality Guiding us through the Gospel's coming to grips with Jesus the poet David Sten Herrstrom prefers sparking the imagination to arguing a thesis as he explores John's own obsessions such as image light symbol water sign water to wine shapeliness symmetry loves Peter Mary's and above all words the Word the body of Jesus The result is a heady literary engagement not afraid of wit and paradox For anyone who loves literature or whose business is interpretation ministers and teachers this book blossoms with fresh revelations about the many voices of Jesus living in the House of the Interpreter and interacting with another interpreter Nicodemus as well as about John the interpreter who continually pauses to explain Jesus motives metaphors and the meaning of his death This meditation on John's Gospel takes the goat's leaping approach to the craggy language of John and Jesus rather than the methodical rock climber's And along the way to help him find footholds on the how and why of John's strategies the author calls on other poets from William Blake to Emily Dickinson and Miguel de Unamuno The result a poet's rather than a preacher's theologian's or scholar's reading of John's book one which crosses the borders of disciplines Throughout *The Book of Unknowing* David Herrstrom is unsettled and exhilarated by the peculiar orneriness and fragrance

of John's book by its strange particulars that grab him by the throat and call lives into question As William Blake has said Exuberance is Beauty and this is an exuberant book      *Reading the Human Body* Mladen Popović, 2007 Offering new reconstructions and interpretations of physiognomic and astrological texts from Qumran in comparison with Babylonian and Greco Roman texts this book gives a fresh view of their sense function and status within both the Qumran community and Second Temple Judaism      **Commentary on the Gospel of John: Bible Study Notes and Comments** David Pratte, 2018-12-25 Bible study notes and commentary on the New Testament Gospel of John Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Comments include discussion of these topics Evidence for faith in the Deity of Jesus Testimony of miracles and fulfilled prophecy Jesus public ministry and teaching Work of John the Baptist and of Jesus apostles Jesus death burial and resurrection      **Light in the Darkness** A.
