In the Distance. A Novel George Parsons

Lathrop,2025-07-09 Reprint of the original first published in 1885 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Approach to the Psychiatric Patient* John W. Barnhill,2018-11-21 A fascinating text that addresses the clinical and educational challenges of treating psychiatric patients from a truly multidisciplinary perspective using a case based format *Approach to the Psychiatric Patient Case Based Essays* is the only book of its kind and an indispensable addition to the mental health practitioner's library The new edition builds upon the strengths that distinguished the first with composite cases that are carefully constructed to capture real world problems followed by essays that provide clear and cogent perspectives on the case These essays cover a wide range from the more conventional such as differential diagnosis of anxiety or the clinical characteristics of delirium to the unusual and intriguing such as creativity and mental illness or an analysis of the case in relation to the classic Strange Case of Dr Jekyll and Mr Hyde Every chapter has been revised and the book boasts many new co contributors as well as the addition of completely new essays For example in the chapter on geriatric depression several new essays have been added on the topics of collaborative care and the embedded psychiatrist depression and medical illness and biomarkers to identify depression subtypes while the chapter on terminal illness features new essays on spirituality and meaning centered therapy In addition there are new essays on co occurring anxiety and alcohol use disorders medication assisted treatment for stimulant use treatment of body dysmorphic disorder and more The text possesses many useful attributes for the reader The more than 100 essays were written by a broad range of specialists each with particular expertise in their aspect of the case and the resulting commentary is focused and concise In addition to the case and discussions each chapter offers an overview and summary points designed to facilitate further consideration of the patient and clinical situation and to focus on the key points The book's unique structure enhances its flexibility allowing the reader to read a case and accompanying essays straight through or to pick and choose as the need or whim arises The cases clinical settings are diverse ranging from inpatient hospitalizations and emergency room evaluations to outpatient assessments and long term psychotherapies maximizing relevance and resonance Each essay has its own bibliography which provides both rigorous documentation and additional sources for more exploration of the topic *Approach to the Psychiatric Patient Case Based Essays* distinguishes itself from prior texts in both the richness of its cases and the ingenuity of its format and its multidisciplinary wisdom and insight will be appreciated by a wide range of readers

Light ,1928 **Dusk's Darkest Shores** Carolyn Miller,2021-05-18 How can a meek wallflower help a returning war hero whose dreams are plunged into darkness Mary Bloomfield has no illusions Her chances for matrimony have long since passed her by Still her circumstances are pleasant enough especially now that she has found purpose in assisting her father with his medical practice in England's beautiful Lake District Even without love it's a peaceful life That is until Adam Edgerton returns to the sleepy district This decorated war hero did not arrive home to acclaim and rest but to a new battle

against the repercussions of an insidious disease Mary's caring nature cannot stand to see someone suffer but how can she help this man see any brightness in his future when he's plunged into melancholic darkness his dreams laid waste by his condition Adam wants no charity but he's also no coward If this gentle woman can work hard how can he do less Together they struggle to find a way forward for him Frustration and antipathy slowly develop into friendship and esteem Then a summer storm atop a mountain peak leads to scandal and both Mary and Adam must search the depths of their closed hearts for answers if they hope to find any future path with happiness at its end Best selling author Carolyn Miller is back with a fresh series that will not only thrill readers eager for more of her work but bring in new fans looking for beautiful writing fascinating research deftly woven love stories and real faith lived out in the Regency period *Godey's Magazine* ,1878

for the many and varied ways in which the novel is indebted to ornament Victorians and Victorianist scholars have compared the novel to fine arts such as Dutch genre painting or to photography emphasizing these visual forms investment in gritty particularity and exhaustive detailing of appearance But this story loses sight of a key fact that this book recovers ornament represents a distinct describable Victorian method of realism a method for boiling down essentials and making palpable the invisible fundamental laws that govern form in nature This book grounds itself historically in Victorian theories and practices of decoration developed in the middle of the nineteenth century a moment when Victorian designers overhauled the reigning principles of decorative art and shows the rise of the newly developed theory of ornament to have explanatory power for contemporary novelistic practice too The compositional principles in ornament far from trivial extraneous or deceptive furnish a new theory of form a new concept of the real and a new method for reading novelistic prose Ornament is at work churning away at the heart of the Victorian novel Wallpaper patterns hinge work stained glass these visual forms articulate principles of form such contrast symmetry flatness and stylization And novelists turn these design principles into literary principles importing them into their narratives as syntax word by word and phrase by phrase This book proceeds by way of very close readings that focus on the scale of the sentence and analyzes the rhythm meter and repetition of prose This method allows an appreciation of how in the hands of George Eliot Thomas Hardy A C Swinburne Oscar Wilde and D H Lawrence ornamental prose opens up representational possibilities not otherwise available Ornament allows novelists to render the patterning of human minds the dynamics of relationship and the intense realities of the more than human world
