The Light of Falling Stars J. Robert Lennon,1997 The crash of an airplane on the outskirts of Marshall Montana takes more than just the lives of those on board Technical Manual United States. Leonard,2021-10-05 Creation Rediscovered by Jeffery M Leonard guides readers through a contextual reading of the Bible s creation stories Over the last two centuries few subjects have generated as much controversy for Christians as has creation The whethers whens and hows of creation have often become a battlefield in which the pitched forces of competing sides Darwinists and creationists young earthers and old figurativists and literalists have struggled for the upper hand Like most battles this fight has tended to inflict a fair amount of collateral damage along the way This is especially true for those put in the terrible position of feeling they have had to choose between the Bible they have fallen in love with and the science they have studied In this book Jeffery Leonard writes to fellow travelers in the faith who want to take the biblical text seriously while at the same time appreciate science s exploration of what we consider to be God s creation It is his contention that setting the Bible s creation texts back within their ancient context allows us to do both of these things Indeed Leonard believes that when we reread what the Bible has to say about creation in its original setting we find meaning in the text far more profound than what we have previously imagined Key points and features Written by a Bible scholar Unique timely and fresh interpretation Helps readers see the Bible s creation stories as vessels of healing and hope in God s larger plan for humanity Attempts to redirect Christians to read the ancient creation stories within the context in which they were written The Eclectic Magazine John Holmes Agnew,Walter Hilliard Bidwell,1878 The Silver Link ,1892 **The Eclectic Magazine** ,1878 *Cosmos* Alexander von Humboldt,1852 Science ,1891 Vols for 1911 13 contain the Proceedings of the Helminothological Society of Washington ISSN 0018 0120 1st 15th meeting Report of the ...
