David Meltzer

Lighting The Corners On Nature Art And The Visionary Essays And Interviews:

Lighting the Corners Michael McClure, 1993 A diverse and entirely fascinating collection of essays and interviews many previously unpublished by poet McClure including pieces on Bob Dylan Robert Duncan Richard Brautigan Allen Ginsberg Gary Snyder Dennis Hopper and Jim Morrison Annotation copyright by Book News Inc Portland OR **Conversations with Michael McClure** David Stephen Calonne, 2024-06-20 *Conversations with Michael McClure* features twenty interviews from 1969 to 2015 that chronicle the capacious scope of McClure's creativity McClure 1932-2020 is notable not only for his considerable achievements as a poet and prose writer of the Beat Generation but also for the many collaborative connections he forged over seven decades From the 1950s to his death McClure worked with an astonishing range of important figures in the worlds of painting filmmaking music and science McClure counted among his friends and acquaintances Bruce Conner Harold Pinter Amiri Baraka Richard Brautigan Wallace Berman George Herms Lawrence Jordan Dennis Hopper Bob Dylan Janis Joplin Jim Morrison Ray Manzarek Sterling Bunnell Francis Crick Gary Snyder Francesco Clemente and Diane di Prima During his early years in San Francisco McClure attended Kenneth Rexroth's literary evenings and formed significant lifelong friendships Among those friends were poets Philip Lamantia and Robert Duncan who became a mentor to McClure He also learned much from Charles Olson and adopted several features of Olson's concept of Projective Verse in his own work McClure's exchange of letters with experimental filmmaker Stan Brakhage lasted for four decades During his illustrious career McClure published fourteen books of poetry eight books of plays and four collections of essays *Conversations with Michael McClure* reveals the many contributions of this central personality in the evolution of the American counterculture

The Films of Stan Brakhage in the American Tradition of Ezra Pound, Gertrude Stein and Charles Olson R.

Bruce Elder, 2011-08-26 Since the late 1950s Stan Brakhage has been in the forefront of independent filmmaking His body of work some seventy hours is one of the largest of any filmmaker in the history of cinema and one of the most diverse Probably the most widely quoted experimental filmmaker in history his films typify the independent cinema Until now despite well deserved acclaim there has been no comprehensive study of Brakhage's oeuvre *The Films of Stan Brakhage in the American Tradition* fills this void R Bruce Elder delineates the aesthetic parallels between Brakhage's films and a broad spectrum of American art from the 1920s through the 1960s This book is certain to stir the passions of those interested in artistic critique and interpretation in its broadest terms

The Wisdom Anthology of North American Buddhist Poetry Andrew Schelling, 2005-05-15 This unique collection brings us African Americans reading the Black diaspora through the eyes of exiled Tibetan monks Americans of Vietnamese and Tibetan heritage wrestling with the cultural norms of their parents or ancestors Zen and Dada inspired performance pieces and groundbreaking writings from the pioneers of the Beat movement so many of whom remain not just relevant but vital to this day With its eclectic mix of acknowledged elders and newly emergent voices this landmark anthology vividly displays how Buddhism is influencing the character of contemporary poetry [An Open Map](#)

Robert J. Bertholf, Dale M. Smith, 2017-12-15 The correspondence of Robert Duncan and Charles Olson is one of the foundational literary exchanges of twentieth century American poetry The 130 letters collected in this volume begin in 1947 just after the two poets first meet in Berkeley California and continue to Olson's death in January 1970 Both men initiated a novel stance toward poetry and they matched each other with huge accomplishments an enquiring declarative intelligence wide ranging interests in history and occult literature and the urgent demand to be a poet More than a literary correspondence An Open Map gives insight into an essential period of poetic advancement in cultural history [Welcome to Painterland](#)

Anastasia Aukeman, 2016-08-09 The Rat Bastard Protective Association was an inflammatory close knit community of artists who lived and worked in a building they dubbed Painterland in the Fillmore neighborhood of midcentury San Francisco The artists who counted themselves among the Rat Bastards which included Joan Brown Bruce Conner Jay DeFeo Wally Hedrick Michael McClure and Manuel Neri exhibited a unique fusion of radicalism provocation and community Geographically isolated from a viable art market and refusing to conform to institutional expectations they animated broader social and artistic discussions through their work and became a transformative part of American culture over time Anastasia Aukeman presents new and little known archival material in this authorized account of these artists and their circle a colorful cultural milieu that intersected with the broader Beat scene

The Spiritual Imagination of the Beats David Stephen Calonne, 2017-08-17 The first comprehensive study to explore the role of esoteric occult alchemical shamanistic mystical and magical traditions in the work of major Beat authors

Lighting the Corners Michael McClure, 1994 A luminous compendium of fascinating poetic and cultural history by one of our best and wisest bard scholars McClure's thinking is brave obdurate passionate complex This book sparkles with bright panoramic reminiscences wit juice and vertebraic insight

Anne Waldman *The Beats* Nancy Grace, 2021-03-11 This survey of the many little magazines carrying the Beat message is impressive in its coverage drawing attention to the importance of their paratextual content in providing valuable socio political context The collection contains a range of insightful close readings astute contextualizing and inventive lateral pedagogical thinking charting the transformation of the Beat scene from its free wheeling self help heady revolutionary 1960s days to its contemporary position as an increasingly respectable component of the curriculum The Beats A Teaching Companion is successful on a number of levels it is a noteworthy contribution to the ever expanding field of Beat studies and more broadly cultural studies and it is a collection that at its best gives hope that in referring to its ideas the inspired teacher may still be able to enlarge the lives of their students

John Shapcott Keele University *Text and Drugs and Rock 'n' Roll*

Simon Warner, 2013-03-14 Text and Drugs and Rock n Roll explores the interaction between two of the most powerful socio cultural movements in the post war years the literary forces of the Beat Generation and the musical energies of rock and its attendant culture Simon Warner examines the interweaving strands seeded by the poet novelists Jack Kerouac Allen Ginsberg William Burroughs and others in the 1940s and 1950s and cultivated by most of the major rock figures who

emerged after 1960 Bob Dylan the Beatles Bowie the Clash and Kurt Cobain to name just a few This fascinating cultural history delves into a wide range of issues Was rock culture the natural heir to the activities of the Beats Were the hippies the Beats of the 1960s What attitude did the Beat writers have towards musical forms and particularly rock music How did literary works shape the consciousness of leading rock music makers and their followers Why did Beat literature retain its cultural potency with later rock musicians who rejected hippie values How did rock musicians use the material of Beat literature in their own work How did Beat figures become embroiled in the process of rock creativity These questions are addressed through a number of approaches the influence of drugs the relevance of politics the effect of religious and spiritual pursuits the rise of the counter culture the issue of sub cultures and their construction and so on The result is a highly readable history of the innumerable links between two of the most revolutionary artistic movements of the last 60 years

Of Indigo and Saffron Michael McClure, 2011-01-26 This essential collection of Michael McClure's poetry contains the most original radical and visionary work of a major poet who has been garnering acclaim and generating controversy for more than fifty years Ranging from *A Fist Full* published in 1957 through *Swirls in Asphalt* a new poem sequence *Of Indigo and Saffron* is both an excellent introduction to this unique American voice and an impressive selection from McClure's landmark volumes for those already familiar with his boldly inventive work One of the five poets who heralded the Beat movement in the 1955 Six Gallery reading in San Francisco McClure reveals in his poetry a close kinship to Romanticism Modernism Surrealism and Japanese haiku These poems grounded in imagination and a profound regard for the natural world chart a poetic landscape of utter originality

The Beats in Mexico David Stephen Calonne, 2022-04-15 Mexico features prominently in the literature and personal legends of the Beat writers from its depiction as an extension of the American frontier in Jack Kerouac's *On the Road* to its role as a refuge for writers with criminal pasts like William S Burroughs Yet the story of Beat literature and Mexico takes us beyond the movement's superstars to consider the important roles played by lesser known female Beat writers The first book length study of why the Beats were so fascinated by Mexico and how they represented its culture in their work this volume examines such canonical figures as Kerouac Burroughs Ginsberg Lamantia McClure and Ferlinghetti It also devotes individual chapters to women such as Margaret Randall Bonnie Bremser and Joanne Kyger who each made Mexico a central setting of their work and interrogated the misogyny they encountered in both American and Mexican culture *The Beats in Mexico* not only considers individual Beat writers but also places them within a larger history of countercultural figures from D H Lawrence to Antonin Artaud to Jim Morrison who mythologized Mexico as the land of the Aztecs and Maya where shamanism and psychotropic drugs could take you on a trip far beyond the limits of the American imagination

William Blake and the Myth of America Linda Freedman, 2018-07-11 This volume tells the story of William Blake's literary reception in America and suggests that ideas about Blake's poetry and personality helped shape mythopoeic visions of America from the Abolitionists to the counterculture It links high and low

culture and covers poetry music theology and the novel American writers have turned to Blake to rediscover the symbolic meaning of their country in times of cataclysmic change terror and hope Blake entered American society when slavery was rife and civil war threatened the fragile experiment of democracy He found his moment in the mid twentieth century counterculture as left wing Americans took refuge in the arts at a time of increasingly reactionary conservatism vicious racism pervasive sexism dangerous nuclear competition and an increasingly unpopular war in Vietnam the fires of Orc raging against the systems of Urizen Blake s America as a symbol of cyclical hope and despair influenced many Americans who saw themselves as continuing the task of prophecy and vision Blakean forms of bardic song aphorism prophecy and lament became particularly relevant to a literary tradition which centralised the relationship between aspiration and experience His interrogations of power and privilege freedom and form resonated with Americans who repeatedly wrestled with the deep ironies of new world symbolism and sought to renew a Whitmanesque ideal of democracy through affection and openness towards alterity

San Francisco Beat David Meltzer,2021-10-20 San Francisco Beat is an essential archive of the Beat Generation a rich moment in a fortunate place America somnolent conformist and paranoid in the 1950s was changed forever by a handful of people who refused an existence of drudgery and enterprise opting instead for a life of personal spiritual and artistic adventure In these intimate free wheeling conversations a baker s dozen of the poets of San Francisco talk about the scene then and now the traditions of poetry and about anarchism globalism Zen the Bomb the Kabbalah and the Internet Diane di Prima William Everson Lawrence Ferlinghetti Jack Hirschman Joanne Kyger Philip Lamantia Michael McClure David Meltzer Jack Micheline Kenneth Rexroth Gary Snyder Lew Welch Philip Whalen as we begin to slip into a national slumber somewhat akin to that of the Eisenhower years it s exhilarating to have this squall line of Beats pass through our consciousness Kirkus Reviews fierce engagement executed with humor and vernacular sensitivity Dale Smith Austin Chronicle David Meltzer 1937 2016 was the author of many books of poetry including Tens The Name Arrows Selected Poetry 1957 1992 and Two Way Mirror City Lights He was the editor of Birth The Secret Garden Reading Jazz and Writing Jazz among other collections His agit smut fictions include The Agency Trilogy Meltzer read poetry at the Jazz Cellar in the 1950s and in the 1960s fronted the band Serpent Power

Jubilee Hitchhiker William Hjortsberg,2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan s career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As

Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer's world. Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life. Part history part biography and part memoir this etches the portrait of a man destroyed by his genius. *About the Rose* Elizabeth Ferrell, 2022-02-22. A remarkable portrait of a web of artistic connections traced outward from Jay DeFeo's uniquely generative work of art. Through deep archival research and nuanced analysis Elizabeth Ferrell examines the creative exchange that developed with and around *The Rose* a monumental painting on which the San Francisco artist Jay DeFeo 1929-1989 worked almost exclusively from 1958 to 1966. From its early state to its dramatic removal from DeFeo's studio the painting was a locus of activity among Fillmore District artists Wallace Berman Bruce Conner Wally Hedrick and Michael McClure each took up *The Rose* in their photographs films paintings and poetry which DeFeo then built upon in turn. The resulting works established a dialogue between artists rather than seamless cooperation. Illustrated with archival photographs and personal correspondence in addition to the artworks Ferrell's book traces how *The Rose* became a stage for experimentation with authorship and community defying traditional definitions of collaboration and creating alternatives to Cold War America's political and artistic binaries.

Psychedelic Humanities Erika Dyck, Tehseen Noorani, Nicolas

Langlitz,Alex Dymock, Anne Katrin Schlag ,Oliver Davis,2024-06-19 Psychedelics are part of a resurgence of interest in consciousness studies especially as altered states of consciousness are being re examined in the context of psychedelic assisted therapies To date discussions about psychedelics in modern medicine have been dominated by studies in biomedicine However given that cultural factors play a significant role in the subjective effects of psychedelics psychedelics can be considered a uniquely powerful point of convergence between the cultural and biomedical Writers and artists alongside psychiatrists and pharmacologists have participated in shaping the psychedelic experience by drawing on a rich set of approaches that blend narrative arts and humanities concepts to explain and interpret psychedelic experiences and explore consciousness for creative purposes Psychedelic studies past and present emphasize the importance of set and setting or the context of psychedelic consumption and its paramount importance in shaping psychedelic experiences These non pharmacological factors rely on a different set of methods and interpretations that necessarily rely on studies conducted outside of the biomedical sciences

Historical Dictionary of the Beat Movement Paul Varner,2012-06-21 The Beat Movement was one of the most radical and innovative literary and arts movements of the 20th century and the history of the Beat Movement is still being written in the early years of the 21st century Unlike other kinds of literary and artistic movements the Beat Movement is self perpetuating After the 1950s generation headlined by Jack Kerouac Allen Ginsberg and William S Burroughs a new generation arose in the 1960s led by writers such as Diane Wakoski Anne Waldman and poets from the East Side Scene In the 1970s and 1980s writers from the Poetry Project at St Mark s Church and contributors to World magazine continued the movement The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement It is now a postmodern movement and probably would be unrecognizable to the earliest Beats It may even be in the process of finally shedding the name Beat But the Movement continues The Historical Dictionary of the Beat Movement covers the movement s history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 700 cross referenced entries on significant people themes critical issues and the most significant novels poems and volumes of poetry and prose that have formed the Beat canon This book is an excellent access point for students researchers and anyone wanting to know more about the Beat Movement

Enjoying the Tune of Phrase: An Psychological Symphony within **Lighting The Corners On Nature Art And The Visionary Essays And Interviews**

In some sort of taken by displays and the ceaseless chatter of quick transmission, the melodic beauty and emotional symphony produced by the published word frequently fade into the back ground, eclipsed by the constant sound and interruptions that permeate our lives. However, located within the pages of **Lighting The Corners On Nature Art And The Visionary Essays And Interviews** an enchanting fictional prize overflowing with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this charming masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed songs and profound affect resonating within each cautiously constructed phrase. Within the depths of the touching review, we shall explore the book is main harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
