Lightning Bolts Butterflies:

Lightning Bolts and Butterflies Michael Maddox, Debi Maddox, 2002-03-29 Lightning Bolts and Butterflies is a collaborative effort between Michael and Debi Story Maddox who have been married to each other since 1970. It's nothing new for them to work together. They have always been a team ever since their early hippie days when they devoted themselves to promoting peace in the world. This collection of poetry and prose provides insight into their hearts and spirits. Debi describes many of Michael's poems as striking her as lightning bolts which is in keeping with his straightforwardness and uncompromising character. Mike has always referred to Debi as a colorful butterfly because of the beauty she brings to the world through her personality and art. Lightning Bolts and Butterflies is indicative of the balance they have with one another. The book also conveys their continuing efforts to promote love and peace through the Prince of Peace. **A British Butterfly Collector on the Texas Frontier** James Kaye, 2015-05-08 The protagonist is a young British butterfly collector who, working for the British Museum in London, collected the little-known butterflies and moths at the time in Texas in 1840. The collector teamed with a Spanish seorita to collect them across Texas when traveling in an ox-drawn covered wagon over rough and muddy roads and through the ranges of hostile Native Americans. The book is about their collections and at times hazardous adventures. The text is a natural history of the butterfly and moth species pictured. The book is also a history of pioneer Texas of the 1840s as well as the ethnology of Comanche Indians. *The Monarch Butterfly's Journey* Jon M. Fishman, 2018-01-01 Monarchs are some of the most well-known migrators. But did you know that monarch caterpillars shed their skin four times as they grow? Follow the journey of the monarch butterfly from a tiny egg to an orange and black butterfly and all the way down to Mexico. The Butterfly Nebulae Paisley Summer, 2022-03-14 They both lived in the heavens holding prominent places among the stars. One of peaceful springs and waters, the other a symbol of darkness and resilience. Now both are on Earth, each with a different vision. Scorpius in search of Hell's Gate snatches all lost souls that live among us to form his army. Pegasus searching for peace lives amongst the humans as one of them. When darkness reaches its peak, the war will begin. All manner of evils will be released against mankind unless Pegasus and the scientists that rescued him can close forever the gate that releases them. *F the Fairy Tale* Damona Hoffman, 2024-01-02 From a popular dating coach and podcast host, a guide to dismantling the myths that get in the way of finding love.
