**Bethlen Home** Ron Cosentino,2022-02-07 Bethlen Home By Ron Cosentino In his memoir Bethlen Home Cosentino recalls the abrupt shift in his childhood that would alter the course of his life forever The day after Christmas as Cosentino and his brother and sister were still enthralled with their new toys and gifts his mother left giving the implication that she was going out on a date In reality she was seeking out an abortion in secret In the early morning hours of December 27th 1958 Cosentino s mother dies alone in the hospital from blood loss due to severe complications with her abortion With the death of his mother rocking the family to its core the three children are sent to the Bethlen Home an orphanage run by the United Hungarian Reform Federation Church of America and the place the kids would call home for nearly the rest of their childhoods Still trying to process his grief Cosentino writes about his complicated and transformative time at the Bethlen Home and how it ultimately made him who he is today

*The Untold Story of Champ* Robert E. Bartholomew,2012-12-04 The lake surface was glass My girlfriend and I were fishing from our anchored rowboat in about fifteen feet of water facing the New York shore Ron what s that I turned About thirty feet away I saw three dark humps protruding about two feet above the surface The humps were perhaps two or three feet apart They didn t move We didn t either We watched in disbelief for about ten seconds The humps slowly sank into the water There was no wake no telltale sign of movement Unexplained Eerie Unsettling from the Foreword by Ronald S Kermani Scotland may have Nessie the Loch Ness Monster but we have Champ the legendary serpent like monster of Lake Champlain The first recorded sighting of Champ in 1609 has been attributed to the lake s namesake French explorer and cartographer Samuel de Champlain This is pure myth but there have been hundreds of sightings since then Robert E Bartholomew embarks on his own search both of the lake firsthand and through period sources and archives many never before published Although he finds the trail obscured by sloppy journalism local leaders motivated by tourism income and bickering monster hunters he weighs the evidence to craft a rich colorful history of Champ From the nineteenth century when Champ was a household name to 1977 when he appeared in Sandra Mansi s controversial photograph Bartholomew covers it all Real or imaginary Champ and his story will fascinate believers and skeptics alike

Forthcoming Books Rose Army,2000

*Outbreak!* Hilary Evans,Robert E. Bartholomew,2009 From fads crazes and manias to collective delusions scares panics and mass hysterias history is replete with examples of remarkable social behavior Many are fueled by fear and uncertainty others are driven by hope and expectation For others still the causes are more obscure This massive collection of extraordinary social behaviors spans more than two millennia and attempts to place many of the episodes within

their greater historical and cultural context Perhaps the most well known example of unusual collective behavior occurred in 1938 when a million or more Americans were frightened or panicked after listening to a realistic radio drama about a Martian invasion of New Jersey based on an adaptation of the H G Wells novel War of the Worlds Less known but equally remarkable scares based on Wells book occurred in Chile in 1944 when Army units were mobilized in Ecuador in 1949 when riots broke out leaving more than a dozen dead as well as in Buffalo in 1968 Rhode Island in 1974 and Europe in 1988 and 1998 The modern civilized world is by no means immune to such peculiar episodes In the late 20th century scores of people in the U S and Europe were wrongly incarcerated following claims of Satanic ritual abuse by authorities untutored in False Memory Syndrome This episode recalls the European witch terror of the late Middle Ages when innocent people were tortured and executed for consorting with the Devil based on the flimsiest of evidence OUTBREAK THE ENCYCLOPEDIA OF EXTRAORDINARY SOCIAL BEHAVIOR is an authoritative reference on a broad range of topics collective behavior deviance social and perceptual psychology sociology history folklore religious studies political science social anthropology gender studies critical thinking and mental health Never before have so many sources been brought together on the mesmerizing topic of collective behavior *Pennsylvania Game News* ,2012-07 **The Bigfoot Files** Peter Guttilla,2003-11 *Of Sea and Shore* ,1978 **The UFO Evidence** National Investigations Committee on Aerial Phenomena,1964 **The Info Journal** ,1992 "A Most Troublesome Situation" Timothy J. Todish,Todd E. Harburn,2006 At the conclusion of the French Indian War the triumphant British took possession of a vast area west of the Appalachians in the Great Lakes region It was not only replete with a lucrative fur trade and almost infinite colonization possibilities but also hostile Indians harboring lingering loyalties to their former French allies It was not long before overly strict British regulation of the fur trade coupled with a perceived arrogance further fueled Indian resentment of colonial expansion into their territories Pontiac s Uprising or Pontiac s Conspiracy of 1763 named after the Ottawa chief generally recognized as one of its main catalysts was the violent sometimes horrifying tribal reaction in 1763 against two short years of controversial British military rule This important new book looks at the Pontiac Uprising through the eyes of the British military yet treats both sides fairly and honestly UFOs & Alien Contact Robert E. Bartholomew,George S. Howard,1998 The most detailed and comprehensive examination yet of 100 years of UFO reports sighting waves and abduction claims spanning two centuries UFO and Alien Contact utilizes rare press reports and incorporates copious notes and documentation of stories to provide a gripping humorous and at times horrifying account **Storm Data** ,1969 **The Sasquatch in Minnesota** Mike Quast,2021-11-19 This book tells the story of my own investigations in my home state of Minnesota Every report that I am personally aware of at this time for Minnesota and the Dakotas is included here Many are of a more or less conventional nature man sees sasquatch sasquatch runs away while others are downright bizarre but all are true to the best of my knowledge and I believe they prove the existence of the beast I saw along that forest highway all those years ago **Unauthorized America** Vince Staten,1990 A

hilarious unconventional travel guide to the underside of America More than 500 unauthorized tourist attractions are included including the hotel where Rob Lowe made home movies the place where Elvis was spotted alive Dan Quayle s frat house and much more Illustrated
