Lily and the Moon Lesley-Anne Heine,2024-11-08 Lily was a lovely little girl but sadly she was spoiled and never truly satisfied she was always asking for something new To get her way she would nag and nag and nag One day Lily wanted a dangerously high pair of stilts without a thought for the consequences Then there was the time after dinner when she demanded more and more ice cream However Lily s strangest request came the day she decided she wanted the moon to play with As you can imagine this was not a good idea at all but that didn t stop Lily from nagging until she got the moon for her very own Will Silly Lily learn any lessons along the way
