 Theatricality of Desire** Peter James Turberfield, 2008-01-01 Pierre Loti and the Theatricality of Desire offers an original
 analysis of patterns of unconscious desire observable in the life and work of the French orientalist writer Pierre Loti It aims
 to reconcile attitudes and conduct that have been regarded as contradictory and not amenable to analysis by locating the
 unconscious urges that motivate them It looks at the ambiguous feelings Loti expresses towards his mother the conflicting
 desires inherent in his bisexuality and his deeply ambiguous sense of a cultural identity as expressed through his cross
 cultural transvestism The political implications of this reappraisal are also considered offering a potential reassessment of
 the apparently exploitative nature of much of Loti s writing This new reading in terms of the unconscious not only serves as a
 way of understanding inconsistencies but also suggests how such new interpretations can offer an alternative way of viewing
 the hierarchies of power his work portrays on both a sexual and political level This volume is consequently of interest to
 those interested in gender studies and sexual politics and offers a way of appreciating writing that might otherwise appear
 dated and embarrassingly sexist and colonialist in content to twenty first century readers The Complete Works of Guy de

 nameless village a battered village The war stretching from the mountains to the sea cannot alter the beauty of land and sky
 the light falling on the graveyard the silence of a proud and impoverished people Ceaselessly on foot and on horseback the
 narrator travels about a land to which he is rapidly becoming attached During his excursions through a landscape that
 stimulates and fascinates him he gives way to an anguished meditation on fate questioning himself about good and evil the
 degradation and corruption of men the absurdity of war Day by day his sense of observation grows more acute and to keep
 from giving in to the interior panic that threatens him he studies attentively his fellow soldiers the inhabitants especially the
 women and among them the beautiful and affecting Kheira As he feels within him the upwelling of a primordial wildness he
 chooses to bury himself in solitude But will he be able to avoid confronting the wild beast in its lair adapted from the cover of
