## **Face To Face With Jesus For Small Groups Or Personal Study:**

*Face-to-face with Jesus* Kurt Johnson, 1998      **Successful Small Groups** Kurt W. Johnson, 2011 In Matthew 28:18-20 Jesus makes the mission of the church abundantly clear: Go therefore and make disciples of all the nations. But how do you reach a twenty-first century society filled with diverse backgrounds and varying levels of religious interest? And how can you expect to grow the body of Christ when only half of your own congregation regularly attends services? The answer may be simpler than you think: involve and empower the laity in small group ministry. Kurt W. Johnson not only provides the tools for organizing and leading successful small groups but also explores the biblical and historical foundations for small group ministry. In this practical guide, Johnson illustrates the proven effectiveness that small groups have for both nurturing the spirituality of current church members and leading friends, neighbors, coworkers, and others to a saving relationship with Christ. Do you want to fulfill Jesus' Great Commission? Discover how you and your church can change the world around you through the power of the Holy Spirit, one disciple at a time. Kurt W. Johnson, D. Min, is the Bible school director for the Voice of Prophecy international radio ministry. His enthusiasm for small group ministry has led him to conduct training sessions internationally and to author multiple group Bible study guides, including *Face to Face With Jesus* and *Focus on Prophecy*. Book jacket      Adventist Review, 2004      Small Group Idea Book Cindy Bunch, 2003-12-04 This revised and expanded resource, edited by Cindy Bunch, offers hundreds of field-tested activities to help leaders develop healthy and vibrant small group life that includes community worship and prayer, study and nurture, outreach and fun.      The Church and the Crisis of Community Theresa F. Latini, 2011 Contemporary society is in crisis; its structures are broken and fragmented, and its people are overstimulated, overstressed, and thirsty for true communion with the sacred and with one another. Yet although more than eighty-five percent of congregations in the United States conduct small group ministry, too many of these groups begin with no clear sense of purpose, structure, or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity. In *The Church and the Crisis of Community*, Theresa Latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry. Examining the latest sociological research and the real-life practices of small groups in six congregations, she shows how well-developed groups—those with mission statements, leadership training, and solid organizational structure—can be a truly effective tool in the church's work of transforming broken and shallow forms of community into life-giving, life-sustaining relationships with God and others.      Go BIG with Small Groups Bill Easum, John Atkinson, 2010-09-01 Most churches that begin small groups find that within a couple of years, two things happen: the number of small groups has dwindled in size, and few, if any, of them have birthed other small groups. So the only way most churches keep small groups going is by reinventing them over and over, usually with the same people. The authors of this book know God has much more in store for these churches. Bill Easum and John Atkinson have both led congregations in which small group ministry proved crucial to the church's growth. Both know the pitfalls that

endanger all attempts to center a congregation's life around small groups. More importantly they understand how to make small groups growing self-reproducing centers of Christian discipleship.

Atkinson, 2018-01-10 Small groups continue to be a significant part of church life and Christian formation in the twenty-first century, impacting a church and society characterized by loneliness and fragmentation. This is a comprehensive book on small groups and Christian formation, informed by theology, church history, and the social sciences. It addresses both the foundations and praxis of groups, with a special emphasis on leading dynamic group discussions. Do people expectantly return to your group meetings every week? Do you have fun and experience joy during your meetings? Is everyone participating in discussion and ministry? You can lead a great cell group meeting, one that is life-changing and dynamic. Most people don't realize that they can create a God-filled atmosphere because they don't know how. Now the secret is out. This guide will show you how to prepare yourself spiritually to hear God during the meeting, structure the meeting so it flows, spur people in the group to participate and share their lives openly, share your life with others in the group, create stimulating questions, listen effectively to discover what is transpiring in others' lives, encourage and edify group members, open the group to non-Christians, see the details that create a warm atmosphere.
