## Facing God:

**Facing God** Daphne Delay,2016-12-20 If righteousness is right standing with God then self righteousness must be it s greatest enemy In the story of Job we find an interesting illustration of how self righteousness evolves and opens the door to the enemy in our lives Job had strong convictions and he wasn t afraid to stand by them yet his friend eventually Facing the Abusing God David R. Blumenthal,1993-01-01 Looking at the experience of Holocaust survivors and of survivors of child abuse this work asks disturbing questions why God permits victimization of the innocent *The Female Face of God in Auschwitz* Melissa Raphael,2003-09-02 The dominant theme of post Holocaust Jewish theology has been that of the temporary hiddenness of God interpreted either as a divine mystery or more commonly as God s deferral to human freedom But traditional Judaic obligations of female presence together with the traditional image of the Shekhinah as a figure of God s femaleness accompanying Israel into exile seem to contradict such theologies of absence *The Female Face of God in Auschwitz* the first full length feminist theology of the Holocaust argues that the patriarchal bias of post Holocaust theology becomes fully apparent only when women s experiences and priorities are brought into historical light Building upon the published testimonies of four women imprisoned at Auschwitz Birkenau Olga Lengyel Lucie Adelsberger Bertha Ferderber Salz and Sara Nomberg Przytyk it considers women s distinct experiences of the holy in relation to God s perceived presence and absence in the camps God s face says Melissa Raphael was not hidden in Auschwitz but intimately revealed in the female face turned towards the other as a refractive image of God especially in the moral protest made visible through material and spiritual care for the assaulted other *Seeing the Face of God* Puttagunta Satyavani,2014-09-14 The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement especially in its use with the verb to see While some scholars dismissed the expression as merely a metaphor with little significance others have compared it to the face of gods and goddesses of the ANE religious context where worshippers sought an audience with their divine king Scrutinising previous scholarship and based on careful exegesis of several crucial passages in the Pentateuch this publication presents the motif seeing the face of God in an entirely new context of divine self revelation **Gazing Upon the Face of God** Steven Stoltzfus,2010-03-08 Gazing upon the face of God is our only source for ultimate Truth God did not just give us a bunch of rules to follow He gave us His very nature All of creation including mankind is a direct attribute of God Himself so it only makes sense that in order to understand anything we must look upon His face to determine Truth The world today is slipping towards a world order that defines Truth by popular demand and a majority of vote The screaming minorities become the majorities Without God as the ultimate Truth then there is no source other than the will and laws of man and who is to say they are wrong or right but the majority Christianity has become a natural acceptance of belief that is acknowledged but hardly lived Reality as the world knows it has conformed completely to the natural laws of the physical senses The nature of God is hardly recognized as our source of reality Naturalism has become man s god and Spiritualism

has become simply the reference of historical events back in bible times It is time we as Christians accept our role as outsiders to this world and take on the Nature of God in ushering in the Kingdom of Heaven upon earth **Elizabeth Barrett Browning's Spiritual Progress: Face to Face with God** Linda M. Lewis,1998 Lewis English Bethany College studies Browning s religion as poetry and her poetry as religion interpreting her literary life as an arduous spiritual quest Using insights from contemporary feminist thought she argues that Browning s religious assumptions and insights range from the conventional to the iconoclastic and that her political and social ideology are consistent in light of her spiritual quest Draws on Browning s most admired poetry as well as her early poems and her political works and compares her ideology to that of early feminists conservatives and male Victorian poets Annotation copyrighted by Book News Inc Portland OR *Where Is the Fear of God?* Charles Von Hammerstein,2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes [The Shelter of God's Promises](#) Sheila Walsh,2011-02 Gifted Bible teacher and inspiring Women of Faith speaker Walsh offers powerful heart filled teaching on 10 bedrock promises of God providing the foundation for daily confidence joy and hope **God'S Grace: a Long Night'S Journey into Day** Leta H. Montague,2011-06-29 Gods Grace briefly discusses the issues and pain associated with divorce The main thrust of the book is to show how Gods mercy and grace was manifested during the long journey of the divorce The author tries to show that even though divorce is not Gods will he provides and cares for his children through that long journey and he does not let them walk alone **The Book of Signs** Dr. David Jeremiah,2019-03-05 From one of the world s most beloved Bible teachers comes a timely compelling and comprehensive biblical interpretation of Bible prophecy the end times and the apocalypse viewed through the lens of current world events and social crisis Many Christians struggle to understand the Book of Revelation The end times The apocalypse The day of judgment These terms are both fascinating and frightening but what do they really mean Drawing from decades of study Dr Jeremiah explains every key sign of the approaching apocalypse and what it means for you including international cultural heavenly tribulation and end signs With his engaging writing style and clear analysis of how current world events were foretold in the Bible The Book of Signs is an encouraging guide to the Book of Revelation In The Book of Signs Dr David Jeremiah offers answers to questions including What does the Bible tell us about

the future How much can we understand about biblical prophecy and its application in our lives What signs and signals will precede the end of everything as we know it Which of those signs and signals have already come to pass which are we experiencing now and which are still to come An epic and authoritative guide to biblical prophecy The Book of Signs is a must have resource for Christians seeking to navigate the uncertainties of the present and embrace God s promises for the future with a renewed sense of hope and purpose Interested in learning more Check out other books by Dr David Jeremiah The Great Disappearance Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World Is This The End After the Rapture
