*Queer Forms*  
Ramzi Fawaz, 2022-09-06 How do we represent the experience of being a gender and sexual outlaw In *Queer Forms* Ramzi Fawaz explores how the central values of 1970s movements for women's and gay liberation including consciousness raising separatism and coming out of the closet were translated into a range of American popular culture forms Throughout this period feminist and gay activists fought social and political battles to expand transform or wholly explode definitions of so-called normal gender and sexuality In doing so they inspired artists writers and filmmakers to invent new ways of formally representing or giving shape to non-normative genders and sexualities This included placing women queers and gender outlaws of all stripes into exhilarating new environments from the streets of an increasingly gay San Francisco to a post-apocalyptic commune from an Upper East Side New York City apartment to an all-female version of Earth and finding new ways to formally render queer genders and sexualities by articulating them to figures outlines or icons that could be imagined in the mind's eye and interpreted by diverse publics Surprisingly such creative attempts to represent queer gender and sexuality often appeared in a range of traditional or seemingly generic popular forms including the sequential format of comic strip serials the stock figures or character types of science fiction genre the narrative conventions of film melodrama and the serialized rhythm of installment fiction Through studies of queer and feminist film literature and visual culture including Mart Crowley's *The Boys in the Band* 1970 Armistead Maupin's *Tales of the City* 1976-1983 Lizzy Borden's *Born in Flames* 1983 and Tony Kushner's *Angels in America* 1989-1991 Fawaz shows how artists innovated in many popular mediums and genres to make the experience of gender and sexual non-conformity recognizable to mass audiences in the modern United States Against the ideal of ceaseless gender and sexual fluidity and attachments to rigidly defined identities *Queer Forms* argues for the value of shapeshifting as the imaginative transformation of genders and sexualities across time By taking many shapes of gender and sexual divergence we can grant one another the opportunity to appear and be perceived

as an evolving form not only to claim our visibility but to be better understood in all our dimensions *Ridykeulous Presents*

*Kalyna the Cutthroat* Elijah Kinch Spector, 2024-11-26

The Daughters of Izdihar meets The Foxglove King An ex soothsayer and stranded scholar of curses upend a Utopian community that has no love for refugees Radiant Basket of Rainbow Shells scholar of curses and magical history has spent several years on a research expedition abroad in Quruscan one of the four kingdoms of the Tetrarchia When Tetrarchia and Radiant's home country of Loasht suddenly revoke their tenuous peace Quruscan is no longer the safe haven for Radiant that it once was He needs someone to help him escape a bodyguard perhaps or someone with the sheer cunning to escort him to safety The perfect candidate is Kalyna Aljosanova a crafty mysterious mercenary with an uncanny reputation But the political situation in Loasht is far more volatile and dangerous than Radiant left it it soon becomes clear that he may never be able to return home to his family With a little of Kalyna's signature guile she finds Radiant asylum in a utopian community on the border between Loasht and the Tetrarchia and for a moment it seems like they might finally have a safe place to stay But when the group's charismatic leader grows wary of the refugees flocking to his community and suspicious of Kalyna in particular that sense of safety begins to unravel once more Kalyna the Cutthroat deftly imagines how the pressures of heroism can warp even the most unshakeable of survivors asking what responsibilities human beings have to one another and whether one good deed of any magnitude can absolve you of your past for the sake of a future

**Hegemony** Christopher Chitty, 2020-07-24 In *Sexual Hegemony* Christopher Chitty traces the five hundred year history of capitalist sexual relations by excavating the class dynamics of the bourgeoisie's attempts to regulate homosexuality. Tracking the politicization of male homosexuality in Renaissance Florence, Amsterdam, Paris, and London between the seventeenth and nineteenth centuries, as well as twentieth century New York City, Chitty shows how sexuality became a crucial dimension of the accumulation of capital and a technique of bourgeois rule. Whether policing male sodomy during the Medici rule in Florence or accusing the French aristocracy of monstrous sexuality in the wake of the French Revolution, the bourgeoisie weaponized both sexual constraint and sexual freedom in order to produce and control a reliable and regimented labor class and subordinate it to civil society and the state. Only by grasping sexuality as a field of social contention and the site of class conflict, Chitty contends, can we embark on a politics that destroys sexuality as a tool and an effect of power and open a front against the forces that keep us unfree.

*Rebel Friendships* Benjamin Shepard, 2016-04-08 *Rebel Friendships* considers the interplay between individuals and their friendships with social movements. The intersections between individual and community, the ways we experiment with social change, explore, create, and reduce the harms of modern living are the work of social movements. Yet the process is rarely simple. Through auto-ethnographic reflections of experiences with the Beats, ACT UP, Occupy Wall Street, anti-consumer, queer rights, and non-polluting transportation movements, Shepard explores the way friendship infuses social movements with the social capital necessary to move bodies of ideas forward. Such innovation is rarely seen in more institutionalized social arrangements. *Rebel Friendships* offers a new take on the ties between friends who are connected through affinity and efforts aimed at social change.

*Radical Intimacy* Sophie K. Rosa, 2023-03-20 A clarion voice from a new generation of British feminists, Sophie Lewis, author of *Abolish the Family*, a powerful, utterly engaging read and a vital call to action. Meg John Barker, author of *Rewriting the Rules*, made me reconsider so many of the cultural scripts I've been fed my whole life. Unsparing, important, and hopeful. Annie Lord, author of *Notes on Heartbreak*. In a world where money rules, what does it mean to have good relationships? *Radical Intimacy* explores how the capitalist system shapes our intimate lives and what we can do about it. Through the topics of self-care, romance, and sex, family, home, death, and friendship, the book looks at the histories and modern realities of these forms of intimacy and considers what it might mean for things to be otherwise. From political sex scandals to climate justice, from Britney Spears to communes, from Black Lives Matter to alternatives to the nuclear family, Sophie K. Rosa interrogates common sense ideas about the good life. What might our desires look like in a better world? And how can care, connection, and community support our struggles for liberation? Sophie K. Rosa is a writer and journalist. She has written for many publications, including *Novara Media*, *The Independent*, *The Guardian*, *Buzzfeed*, *VICE*, *Al Jazeera*, *Aeon*, and *CNN*.
