Discover the game changing theory of the cycles of history and what past generations can teach us about living through
times of upheaval with deep insights into the roles that Boomers Generation X and Millennials have to play now with a new
preface by Neil Howe One of the best efforts to give us an integrated vision of where we are going The Wall Street Journal
First comes a High a period of confident expansion Next comes an Awakening a time of spiritual exploration and rebellion
Then comes an Unraveling in which individualism triumphs over crumbling institutions Last comes a Crisis the Fourth
Turning when society passes through a great and perilous gate in history William Strauss and Neil Howe will change the way

you see the world and your place in it With blazing originality The Fourth Turning illuminates the past explains the present and reimagines the future Most remarkably it offers an utterly persuasive prophecy about how America s past will predict what comes next Strauss and Howe base this vision on a provocative theory of American history The authors look back five hundred years and uncover a distinct pattern Modern history moves in cycles each one lasting about the length of a long human life each composed of four twenty year eras or turnings that comprise history s seasonal rhythm of growth maturation entropy and rebirth Illustrating this cycle through a brilliant analysis of the post World War II period The Fourth Turning offers bold predictions about how all of us can prepare individually and collectively for this rendezvous with destiny
