Wertheimer, 2016-08-23 An intimate cross country look at the new debate over religion in the public schools A suburban Boston school unwittingly started a firestorm of controversy over a sixth grade field trip The class was visiting a mosque to learn about world religions when a handful of boys unnoticed by their teachers joined the line of worshippers and acted out the motions of the Muslim call to prayer A video of the prayer went viral with the title Wellesley Massachusetts Public School Students Learn to Pray to Allah Charges flew that the school exposed the children to Muslims who intended to convert American schoolchildren Wellesley school officials defended the course but also acknowledged the delicate dance teachers must perform when dealing with religion in the classroom Courts long ago banned public school teachers from preaching of any kind But the question remains How much should schools teach about the world s religions Answering that question in recent decades has pitted schools against their communities Veteran education journalist Linda K Wertheimer spent months with that class and traveled to other communities around the nation listening to voices on all sides of the controversy including those of clergy teachers children and parents who are Muslim Jewish Christian Sikh or atheist In Lumberton Texas nearly a hundred people filled a school board meeting to protest a teacher s dress up exercise that allowed freshman girls to try on a burka as part of a lesson on Islam In Wichita Kansas a Messianic Jewish family s opposition to a bulletin board display about Islam in an elementary school led to such upheaval that the school had to hire extra security Across the country parents have requested that their children be excused from lessons on Hinduism and Judaism out of fear they will shy away from their own faiths But in Modesto a city in the heart of California s Bible Belt teachers have avoided problems since 2000 when the school system began requiring all high school freshmen to take a world religions course Students receive comprehensive lessons on the three major world religions as well as on Sikhism Hinduism Buddhism and often Shintoism Taoism and Confucianism One Pentecostal Christian girl terrified by idols including a six inch gold Buddha learned to be comfortable with other students beliefs Wertheimer s fascinating investigation which includes a return to her rural Ohio

Stanley, 2016-09-27 As trusted pastor Dr Charles Stanley comes to the later years of his life he is ready to share his personal story on a more intimate level than ever before As he walks us through his ups and downs he shares how the biblical principles he s taught all his life affected the way he s actually lived In this new book from Dr Charles Stanley he looks his readers in the eye and says This is how my faith has worked for me at the most challenging times of my life and how it has led me to the victories God had in store for me As Dr Stanley looks back over his long life of ministry he is now ready to share how his personal faith choices directed his every step He shares how God walked with him through his most difficult days as a pastor when he faced internal conflict in a church he d led for years He bravely shares painful family issues that brought him to his knees and taught him to look to God for answers when life wasn t simple and trite answers didn t work Dr Stanley reminds us that choosing to follow and obey God when life is hard can be both the toughest and best thing we ll ever do As Dr Stanley reflects on the biblical teachings that have led him through his difficulties and joys he always comes back to this principle Do what God says is right and leave the consequences to Him no matter what that means

Yesteryear's Faith Seeking Understanding Philip John Fisk, 2022-06-24 The voices of yesteryear s scholastics are silenced Scholastic distinctions discarded Faith seeking understanding cancelled This book turns to university professors who brought classical medieval Reformation and Renaissance thought to bear on the teaching of the doctrine of providence at the early New England Colleges Their ultimate purpose was to exonerate God from the charge that he was the author even actor of evil Their scholastic method drew from a long and surprisingly ecumenical and philosophical enterprise in the history of the church This book s aim is to let the scholastic approaches to the mystery of divine providence speak for themselves Part One introduces the reader to the art of disputation and provides a guided historical theological tour of scholastic distinctions that were used by doctors of the church to explain issues related to the doctrine of divine providence

Part Two invites the reader to follow the author on his journeys to Harvard Yale the College of New Jersey and the College of Rhode Island and Providence Plantations commencement day disputations as he engages in Platonic like dialogues with presidents rectors and students of the New England Colleges While the dialogues are imagined the characters times locations and quoted texts are real

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
