Searle, Mykhailo Cherenkov, 2014-12-05 After more than twenty years since the fall to be of the USSR the evangelical movement in post Soviet society has entered a crucial phase in its historical development Setting out a transformative vision of mission and theological education this book makes an important contribution towards the renewal of the church in this fascinating but deeply troubled part of the world After the violent and disruptive events that followed the Ukrainian Revolution of Dignity and Freedom in 2013 14 the evangelical movement in post Soviet society now has an unprecedented opportunity to become a shining example of a church without walls Searle and Cherenkov reflect on the political social cultural and intellectual legacy of the Soviet Union and offer bold and innovative proposals on how the church can rediscover its prophetic voice by relinquishing its debilitating dependence on the state and instead expressing solidarity with the people in their legitimate aspirations for freedom and democracy Notwithstanding the pessimism and lament expressed on many pages the authors conclude on a positive note predicting that the coming years will witness a flowering of evangelical ecumenism in action as Christian solidarity flourishes and overflows denominational boundaries and Schleiermacher, the Study of Religion, and the Future of Theology Brent W. Sockness, Wilhelm parochial interests Gräb, 2010-02-26 The past three decades have witnessed a significant transatlantic and trans disciplinary resurgence of interest in the early nineteenth century Protestant theologian and philosopher Friedrich Schleiermacher 1768 1834 As the first major Christian thinker to theorize religion in a post Enlightenment context and re conceive the task of theology accordingly Schleiermacher holds a seminal place in the histories of modern Christian thought and the modern academic study of religion alike Whereas his liberalism and humanism have always made him a controversial figure among theological traditionalists it is only recently that Schleiermacher's understanding of religion has become the target of polemics from Religious Studies scholars keen to disassociate their discipline from its partial origins in liberal Protestantism Schleiermacher the Study of Religion and the Future of Theology documents an important meeting in the history of Schleiermacher studies at which leading scholars from Europe and North America gathered to probe the viability of key features of Schleiermacher's theological and philosophical program in light of its contested place in the study of religion

Church Alban released all three of these books as a single special edition hardcover In addition to these classic texts in beautiful newly designed formats this collection features an interview with Loren Mead discussing how his views have changed since the books first publications and his current thoughts on directions for the church in the twenty first century. This hardcover volume is the perfect gift for graduating seminary students new congregational leaders or for pastors whose original editions of these three books may be dog eared or missing and a wonderful addition to every church library All who love the church and pray for the future of our congregations will value this opportunity to have Loren Mead's seminal works in a single long lived edition. Manifesto for Learning Donn F. Morgan,2012 This book stresses the importance of active advocacy for education in the church suggesting the balance between worship social service and education is out of whack Morgan promotes a new understanding of education at all levels of church life that takes the discussion beyond questions of survival finances and status quo to discover new roles in developing mission through the church and out in the world
