neighborhood What Beltran realized was that it was impossible to speak of their exile without understanding the history and  
community surrounding it The Singing Detainee and the Librarian with One Book shares lesser known tales about two of the  
most well known revolutionary exiles and their comrades It speaks of a community and history behind the ordeal weaving it  
into the Filipino diaspora Sison passed away in December 2022 making this book a record of one of the last and arguably  
lengthiest interviews he ever gave The essays track the couple s prolonged stay as refugees how the Philippine liberation  
movement found a home in Europe and how migrants and activists alike gravitated toward each other while adrift from their  
homeland Exile Beltran says is imprisonment by displacement when people are condemned to leave their lands dressed in
