some extra income During the underwater pressure test while his classmates were competing to see who could withstand the pressure and swim to shore fastest Ning Du was submerged in water with a pile of clothes on his body frantically washing them to save on laundry fees During reaction time class while other students frantically dodged arrows fired by robots Ningdu lay on the ground picking up arrows when no one was looking then selling them for a good price to earn extra money Later the teachers evaluation of her A student with an extremely improper attitude sleeping during theory classes always the last to surface during pressure tests and cowardly during reaction time classes the robots shooting arrows at her made her crawl on the ground in fear She s completely unfit The teachers shook their heads then pulled out the final exam score sheets for each subject to select a few outstanding students to participate in the district level competition But they discovered that Ning was first in theory exams first in underwater pressure resistance and first in reaction speed Her overall score was at the top of the list The teachers Ning was sent to the central district to participate in a mecha competition Since she couldn t afford to buy a mecha she made one out of paper She refused to attend training classes because the fees were too expensive and didn t practice with the mecha Instead she spent her days working as a part time cleaner at the competition venue During the competition she was afraid the opponent would destroy her paper mecha so she hesitated to act and kept the opponent Later district officials came to the school and vented their frustrations Your student doesn t even use a proper mecha She skips training and goes to the competition venue every day While others are fighting she s cleaning up under their noses During the competition she doesn t even fight she just Teachers Oh we re so sorry We ll bring her back right away District officials Hmm you do need to bring her back After all the teacher of the champion has to attend the award ceremony Teachers What District officials Your student didn t fight at the competition She just hid from the other opponents making them exhaust themselves I don t know how she managed to dodge them so well They couldn t even hit her once Teachers

**Japanese Influence on American Children's Television** Gina O'Melia,2019-07-11 Japanese Influence on American Children s Television examines the gradual yet dramatic transformation of Saturday morning children s programming from being rooted in American traditions and popular culture to reflecting Japanese popular culture In this modern era of globalization and global media cultural convergence the book brings to light an often overlooked phenomenon of the gradual integration of narrative and character conventions borrowed from Japanese storytelling into American children s media The book begins with a brief history of Saturday morning in the United States from its earliest years and the interaction between American and Japanese popular media during this time period It then moves onto reviewing the dramatic shift that occurred within the Saturday morning block through both an overview of the transitional decades as well as an in depth analysis of the transformative ascent of the shows Mighty Morphin Power Rangers Pok mon and Yu Gi Oh *Seasons of Love* Emily Garside,2023-11-15 With its groundbreaking score unabashed romanticism and scrappy sensibility Rent was like a firecracker thrown into a hushed theater turning heads and upending conventions But if its unexpected success was

the stuff of theatrical legend the story of its making was a bittersweet one with composer Jonathan Larson a student of Sondheim's finally making his Off Broadway debut tragically dying on the night of the final dress rehearsal Even decades later Rent lives on as a warmly remembered chapter in Broadway history yet the show is too often trivialized reduced to parody or dissected in the service of an arid cultural politics In light of this journalist and theater expert Emily Garside has some questions Chief among them Why is Rent taken less seriously than other musicals of its caliber And should it be In Seasons of Love Garside brings both a fan's devotion and a scholar's critical eye to reassess the legacy of this Pulitzer Prize winning musical a quarter century after its premiere Even as the show memorably captured the experience of life on the margins in the late 90s Garside argues that it remains an important and relevant work today She explores the influence it had on diverse casting immersive set design and queer representation in the works that followed in its wake And she dives into the world of past and present Rentheads who share their formative experiences with the musical which coincided with the dawn of online fan culture Ultimately Rent was an uncommonly innovative and prescient musical and as we survey past works for inspiration and look for ways to fill our theaters there's much to learn from its example **Single Season**
