

"WE SACKETTS DON'T DIE EASY."

Galloway was thinking of Flagan. Back in those mountains somewhere he was fighting to keep alive... if he was alive. Without weapons, in a rugged country where the only humans he found were apt to be enemies, his chances of survival depended upon himself and his own energies. They had grown up together, struggling together, and no man could know another so well as Galloway knew Flagan. He knew what Flagan must do to survive because he knew what he would do. And there was no easy way.

First Fast Draw Louis L'Amour,1981-09 **West of Everything** Jane Tompkins,1993-04-29 A leading figure in the debate over the literary canon Jane Tompkins was one of the first to point to the ongoing relevance of popular women s fiction in the 19th century long overlooked or scorned by literary critics Now in West of Everything Tompkins shows how popular novels and films of the American west have shaped the emotional lives of people in our time Into this world full of violence and manly courage the world of John Wayne and Louis L Amour Tompkins takes her readers letting them feel what the hero feels endure what he endures Writing with sympathy insight and respect she probes the main elements of the Western its preoccupation with death its barren landscapes galloping horses hard bitten men and marginalized women revealing the view of reality and code of behavior these features contain She considers the Western hero s attraction to pain his fear of women and language his desire to dominate the environment and to merge with it In fact Tompkins argues for better or worse Westerns have taught us all men especially how to behave It was as a reaction against popular women s novels and women s invasion of the public sphere that Westerns originated Tompkins maintains With Westerns men were reclaiming cultural territory countering the inwardness spirituality and domesticity of the sentimental writers with a rough and tumble secular man centered world Tompkins brings these insights to bear in considering film classics such as Red River and Lonely Are the Brave and novels such as Louis L Amour s Last of the Breed and Owen Wister s The Virginian In one of the most moving chapters chosen for Best American Essays of 1991 Ttompkins shows how the life of Buffalo Bill Cody killer of Native Americans and charismatic star of the Wild West show evokes the contradictory feelings which the Western

typically elicits horror and fascination with violence but also love and respect for the romantic ideal of the cowboy Whether interpreting a photograph of John Wayne or meditating on the slaughter of cattle Jane Tompkins writes with humor compassion and a provocative intellect Her book will appeal to many Americans who read or watch Westerns and to all those interested in a serious approach to popular culture *Historical Dictionary of Westerns in Literature* Paul Varner, 2010-09-20 When in 1902 Owen Wister a member of the Eastern blueblood aristocracy and friend of novelist Henry James became a best selling novelist with the publication of *The Virginian* few readers would have guessed that a new kind of American literature was being born While Owen Wister was enjoying his success Edwin S Porter in New Jersey was filming the first cinema Western *The Great Train Robbery* which would usher in a new era both of movies in general and of Western movies in particular Both events would lead to a century of cultural fascination with stories of the old West The *Historical Dictionary of Westerns in Literature* tells the story of the Western through a chronology a bibliography an introductory essay and hundreds of cross referenced dictionary entries on authors such as Owen Wister Zane Grey Max Brand Clarence Mulford Ernest Haycox Luke Short Dorothy Johnson Louis L Amour and Cormac McCarthy
