Galveston Suzanne Morris, 1976 A rich flowing old fashioned novel about three women and three generations in a burgeoning Texas town The success and failure of a city itself *Galveston* Suzanne Morris, 2016-01-12 A powerful and absorbing story of three women whose lives shaped and were inevitably shaped by the success and failure of a city a story that strangely parallels the intriguing history of this island of lost dreams **Galveston** Nic Pizzolatto, 2016-03-14 *Born on the Island* Linda S. Bingham, 2000-07 The story of one family s ordeal with the killer hurricane that devastated the city of Galveston TX in 1900 Galveston Sean Stewart, 2017-10-18 After magic and monsters re enter the world the island of Galveston splits into two sides the normal half and Carnival an endless Mardi Gras where miracles abound Terrific fun Publishers Weekly **Galveston, Texas** ,1900 **The Windows of Heaven** Ron Rozelle, 2022-11-10 Winner of the 2000 Texas Review Fiction Prize Set in Galveston during the 1900 storm the most devastating natural disaster in the history of the United States this sweeping novel follows the fates of several richly drawn characters It is the story of Sal the little girl who is wise beyond her years and who holds out as much hope for the world as she does for her father the ruined son of a respected father It is the story of Sister Zilphia the nun who helps run the St Mary s Orphanage The only thing separating the two long buildings of the orphanage is a fragile line of sand dunes the only thing separating Zilphia from the world is the brittle faith that she has been sent there to consider A faith that has never been truly tested Until now And it is the story of Galveston herself the grand old lady of the Gulf Coast with her harbor filled with ships from the world over her Victorian homes and her brothels and her grand pavilions set in their own parks and her stately mansions along Broadway the highest ground on the island at eight feet above sea level All must face their darkest night now as nature hurls the worst she can muster at the narrow strip of sand and saltgrass that is doomed to become for a time part of the ocean floor This is the story

of heroes and villains of courage and sacrifice and most of all of people trying desperately to survive And it is the story of an era now gone of splendor and injustice filled with the simple joy of living Prologue It started raining after midnight At first a few heavy drops as large as pebbles splattered against windows and spotted the dry pavement of the streets They plinked into half full troughs of dirty water outside the saloons on Post Office Street horses tied there winced against the stings People inside the saloons sailors and dock workers and whores paid no attention to the steadily quickening tattoo being pelted out on the tin sheets or slates of the roofs but kept to the business at hand the drinking and gambling and the sweaty brief stabbing away at the very oldest of human exertions Some of Galveston s people in other parts of the city listened to the rain from their beds A few who had looked up that day at the Levy Building on Market Street and noticed the pair of warning flags that flew from the fourth floor offices of the Weather Bureau knew that this was the first slow calling card of a tropical storm Isaac Cline the chief of the bureau had hoisted the flags on Friday morning and they had danced and popped in the brisk north wind all day The red one with the black box in its middle meant that a particularly malevolent storm was a possibility The white one above it meant that if it came it would come from the northwest But not too many people had seen the flags And now the first big drops of rain plopped into the sand dunes and salt grass of the island and slid through the muted light of the gas street lights in town and nobody paid much attention to them Those in bed closed their eyes and let the tapping of the rain sing them to sleep It had come a long way this storm Almost two weeks before somewhere on the immense swaying surface of the eternal Atlantic a small portion of the sea had rebelled against the unremitting late summer heat and heaved itself up in protest Africa lay a thousand miles to the east over the vast bowl like curve of the world and many more thousands of miles of ocean and sky stretched endlessly to the west The air above the place had become suddenly full of new burdensome moisture

Galveston's Summer of the Storm Julie Lake,2003 A fourteen year old girl from Austin spends the summer of 1900 at her grandmother s home in Galveston and is caught in the Great Hurricane of September 8 1900

the ways in which her aunt loved her but kept her at arm's length. She's also ill-equipped to deal with the old house she's inherited, unable to afford the repairs, unwilling to face the memories it contains. Or the ghost she thought she once saw in the attic. While stuck in a vicious cycle, she can't escape. Lola befriends an old woman with an impressive vintage wardrobe and some skeletons of her own in her colorful closet, and two teenage boys who are adept at getting themselves into trouble with drugs, men, money, and a glitzy yet dangerous party world that has flourished in Galveston despite the overall economic downturn. Like the Island itself, Lola is scrappy, run-down, quite honestly a hopeless mess. But just like the Island, she has the capacity to reinvent herself and rise from her own ashes. If only she could stop drinking, she might find ways to help, not just herself but those around her as well. Will she succeed? And what will it take? The self-discipline she's always lacked. Chewing gum to soothe her nerves. A strong desire to help her wayward teenage friends. A pinch of magic. Or perhaps the kind of love that can piece the veil between worlds and heal the grieving.
