Shinn was a key contributor to the New Thought movement in America and one of the most influential spiritual teachers of her time. In the decades since her death, her works have continued to remain popular, impacting new generations of readers. *The Path of Greatness* is composed of unedited original editions of Shinn's work and includes *The Game of Life* and *How to Play It* (1925), *Your Word is Your Wand* (1928), *The Secret Door to Success* (1940), and *The Power of the Spoken Word* (1945). *The Path of Greatness* is part of *The Library of Spiritual Wisdom*, a beautifully designed series of curated classics written by some of the greatest spiritual teachers of all time. With books covering topics ranging from prosperity and motivation to the occult and metaphysical thought, *The Library of Spiritual Wisdom* is the definitive collection of texts from some of the most revolutionary thought leaders of the last three centuries and belongs on the shelves of home libraries everywhere.

The Game of Life Florence Scovel Shinn, 2023-12-10 In *The Game of Life*, Florence Scovel Shinn presents a transformative exploration of the interplay between thought and reality, drawing on spiritual metaphysics and New Thought philosophy. Richly woven with parables and affirmations, the book encourages readers to recognize the power of their words and beliefs in shaping their experiences. Shinn employs a straightforward yet engaging literary style that makes complex concepts accessible, fostering a sense of empowerment and personal responsibility. The text situates itself within early 20th-century spiritual literature, reflecting the burgeoning interest in self-help and metaphysical healing practices during that period. Florence Scovel Shinn, an accomplished artist and metaphysical teacher, was heavily influenced by her own experiences and the explorations of thought leaders of her time. Her journey through personal struggles and insights into the power of affirmative thought led her to articulate these principles succinctly for her audience. As a pioneer among female spiritual writers, Shinn's voice resonates in a time when such wisdom was often overshadowed by patriarchal narratives, providing a uniquely feminine perspective on personal empowerment and spiritual growth. For readers seeking a deeper understanding of how mindset can influence life's outcomes, *The Game of Life* serves not only as a guide but also as an invitation to reimagine one's reality. Shinn's timeless insights encourage introspection and self-discovery, making this work an essential addition to the library of anyone interested in personal development or spiritual growth.

The Game of Life Neville Goddard, This selection of talks exposes essential themes such as persistent prayer, creative imagination, and the search for true divine identity. Each lecture is an incentive to dive into

the depths of self knowledge and connection with the divine offering valuable insights for a life of fulfillment and purpose In the first lectures we are encouraged to reflect on the importance of faith persistence and imagination Prayer is highlighted as a key to life change while imagination is presented as the powerful engine behind the manifestation of one s deepest desires As we move forward we delve deeper into the search for the source of life and the connection between imagination and the creation of reality The figure of Christ emerges as a spiritual pattern of salvation while the history of salvation is presented as essential for the development of the soul We then explore rules for living well challenging conventional conceptions and emphasizing belief in the fulfillment of desires and a positive state of mind The spiritual mystery is unraveled making us reflect on the truth beyond traditional interpretations As we move towards the final lectures we are led to scrutinize the divinity inherent in each individual and to awaken to our true identity as incarnate divine beings The importance of recognizing and exploring our imagination as a way of connecting with the divine is emphasized offering a message of hope and individual power for all readers A R Ribeiro
