Game Of Wizards:

Game Wizards Jon Peterson, 2021-10-12 Discover the colorful history of the table top RPG phenomenon Dungeons Dragons as a D D expert examines its surprising successes setbacks and controversies The battle over Dungeons Dragons was the ultimate geek war Wired When Dungeons Dragons was first released to a small hobby community it hardly seemed destined for mainstream success and yet this arcane tabletop role playing game became an unlikely pop culture phenomenon In Game Wizards Jon Peterson chronicles the rise of Dungeons Dragons from hobbyist pastime to mass market sensation from the initial collaboration to the later feud of its creators Gary Gygax and Dave Arneson Inside you ll learn about Gygax and Arneson s first meeting and their work toward the 1974 release The founding of TSR and its growth as a company Arneson s acrimonious departure and subsequent challenges to TSR Satanic Panic accusations that plagued D D and boosted its popularity TSR s reckless expansion and near fatal corporate infighting And much more With Game Wizards Peterson restores historical particulars long obscured by competing narratives spun by the one time partners That record amply demonstrates how the turbulent experience of creating something as momentous as Dungeons Dragons can make people remember things a bit differently from the way they actually happened *The Game of Wizards* Charles Poncé, 1975
