**Play a Bigger Game** Rowdy McLean,2017-06-19 Have you ever had the desire to achieve something remarkable Would you like to be better or do something absolutely awesome Have you ever thought about having much more than you have right now Are you ready to play a bigger game Play a Bigger Game will help you smash your goals Whether you re an individual or part of a large organisation this practical guide to getting what you want will enable you to achieve real results no matter what One of Australia s leading speakers Rowdy McLean is well known for his simple hard hitting no excuses approach to motivation He believes that success is not just about setting goals but actually kicking them In this definitive guide you ll find useful processes to help you define what you want practical tools and resources to turn your dreams into reality inspirational stories of people achieving real success unique chapter specific videos accessible by QR codes Play a Bigger Game has everything you need to gain more from life **101 Games to Play Before You Grow Up** ,2018-01-30 Playing games is the best part of growing up Help kids tap into their playful imaginations with 101 Games to Play Before You Grow Up the ultimate handbook for kids that introduces tons of games to play by themselves or with friends and family Offering an extensive list of games from classic favorites such as H O R S E Simon Says and Handball to quirky card and board games such as Pandemic and Spoons your children will get up get outside and never get bored 101 Games to Play Before You Grow Up features both indoor and outdoor games for rainy or snowy days With so many ways to play kids will always have something new to do **Bushville** Jerry Kelly,2017-07-06 From Bushville The game is a fine construct Its trace through anyone s life can range from a youthful diversion to a full blown career a tender small fingered grasp to a deep muscular understanding It provides a focus and a way to express the physical self in a physical world I ve played every moment of every game in my life as an amateur in the best sense of that word doing something I love just for the love of it The roots of that soulful effort run as deep as my earliest memories measuring them And possibly yours likewise To play baseball is to become part of the game One need not be a megabuck star to live baseball as a participant to figure into its geometry and its drama The friendly exertions of amateur play lie at the heart of the sport comprising the wellspring of its professional levels Here viewed as a pastime through the eyes of a lifelong amateur player baseball unfolds as an experience of motion and time and senses the work of muscle the textures of wood and leather the warmth of sun the scents of a grassy field In the timeless continuity of the game can be glimpsed part of baseball s singular appeal the lively tension between the momentary and the eternal what is over and what is never over The interwoven essays making up Bushville are a poignant reflection upon the pursuit of what is essentially a ball but what is crucially human as well **Play Up and Play the Game** Patrick Howarth,2023-03-08 Play Up and Play the Game 1973 examines the type of fictional hero most embodied in the work and character poetry and philosophy of Sir Henry Newbolt Newbolt Man imbued with the spirit of fairplay loyalty

fearlessness conformity while remaining slightly philistine and sexless can be traced in the work of Rider Haggard Conan Doyle Edgar Wallace Anthony Hope and P C Wren The book traces his development from the Victorian schoolboy Tom Brown's School Days and Kipling to the twentieth century secret agent Buchanan's Richard Hannay and on to his demise in Sheriff's Journey's End and Aldington's Death of a Hero **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1978 **The Animal Game** Daniel E. Bender,2016-11-07 Tracing the global trade and trafficking in animals that supplied U S zoos Daniel Bender shows how Americans learned to view faraway places through the lens of exotic creatures on display He recounts the public's conflicted relationship with zoos decried as prisons by activists even as they remain popular centers of education and preservation **King of the Mountain** Arnold M. Ludwig,2013-07-24 People may choose to ignore their animal heritage by interpreting their behavior as divinely inspired socially purposeful or even self-serving all of which they attribute to being human but they masticate fornicate and procreate much as chimps and apes do so they should have little cause to get upset if they learn that they act like other primates when they politically agitate debate abdicate placate and administrate too King of the Mountain presents the startling findings of Arnold M Ludwig's eighteen year investigation into why people want to rule The answer may seem obvious power privilege and perks but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable trust nobody feel besieged and face almost certain death Ludwig's results suggest that leaders of nations tend to act remarkably like monkeys and apes in the way they come to power govern and rule Profiling every ruler of a recognized country in the twentieth century over 1 900 people in all Ludwig establishes how rulers came to power how they lost power the dangers they faced and the odds of their being assassinated committing suicide or dying a natural death Then concentrating on a smaller sub set of 377 rulers for whom more extensive personal information was available he compares six different kinds of leaders examining their characteristics their childhoods and their mental stability or instability to identify the main predictors of later political success Ludwig's penetrating observations though presented in a lighthearted and entertaining way offer important insight into why humans have engaged in war throughout recorded history as well as suggesting how they might live together in peace Holistic Game Development with Unity Penny de Byl,2012-11-12 The independent developer has ascended and the new business model demands agility You have to be able to work on all aspects of game creation and your team's game will publish directly to platforms like Android iPhone and Facebook You'll use Unity the hottest game engine out there to do it In order to earn your place on the elite development team you must master both sides of the development coin art and programming Holistic Game Development with Unity is an authoritative guide to creating games in Unity Taking you through game design programming and art Penny de Byl uses a holistic approach to equip you with the multidisciplinary skills you need for the independent games industry With this book you will master essential digital art and design principles while learning the programming skills necessary to build interactivity into your games The tutorials will put these skills into action

Pellegrini,Peter K. Smith,2005-01-01 Comprehensive and up to date this tightly edited volume belongs on the desks of researchers and students in developmental psychology comparative psychology animal behavior and evolutionary psychology and will also be of interest to anthropologists It is a richly informative text for advanced undergraduate and graduate level courses **BOOK JACKET** **Creating the Big Game** Wiley L. Umphlett,1992-10-26 John W Heisman 1869 1936 was a man of many faces whose public image has suffered from a diffused enigmatic and mostly misunderstood private personality Since his death the popular reception of the memorial trophy named in his honor has also obscured his identity In singling out his many innovative contributions to the development of intercollegiate football this book attempts to present a true picture of Heisman as both man and coach Because he coached at schools throughout the country during some of the most eventful

years in our history Heisman's life relates to significant political economic and social developments that impacted on American society as well as sports However this book is much more than the story of John Heisman's 36 year coaching career It is also the story of how an indigenous American public ritual the Big Game came about and how college football evolved into the complex problematic and highly structured big business that it is today
