Lessons From The Carpenter An Apprentice Learns From Jesus:

Lessons from the Carpenter H. Michael Brewer, 2006 Before Jesus was a teacher and a healer before his life changed the world he was a carpenter Woodworking was his occupation for most of his time on earth and the years he spent in Joseph's shop clearly shaped his message and ministry Now by gaining an understanding of first century carpentry you can see how Jesus rebuilt broken people and constructed a new world His workmanship still amazes all who put themselves in his hands and his principles for constructing a solid life are as relevant today as they were two thousand years ago Lessons from the Carpenter H. Michael Brewer, 2010-06-09 Before Jesus was a teacher and a healer before his life changed the world he was a carpenter Woodworking was his occupation for most of his time on earth and the years he spent in Joseph's shop clearly shaped his message and ministry Now by gaining an understanding of first century carpentry you can revolutionize your faith through the discovery of surprising insights into Christ's life The ministry of Jesus was spiritual carpentry He rebuilt broken people and constructed a new world His workmanship still amazes all who put themselves in his hands and his principles for constructing a solid life are as relevant today as they were two thousand years ago In **Lessons from the Carpenter** you can sit as an apprentice at the feet of this amazing master carpenter And learn firsthand how he builds and rebuilds beautiful lives meant to last forever *Jesus, the Carpenter of Nazareth* Layman, Robert Bird, 1890 **Jesus, the carpenter of Nazareth, by a layman [R. Bird.]** Robert Bird (writer on religion.), 1891 **Jesus, the Carpenter of Nazareth** Robert Bird, Layman, 1891 The Way of Discipleship Anthony J. Gittins, 2016 Vatican II's famous declaration that the church on earth is by its very nature missionary has often been taken out of context and used to support all manner of church initiatives But the conclusion of the statement since it has its origin in the mission of the Son and the Holy Spirit is of monumental importance In The Way of Discipleship theologian Anthony Gittins describes the eternal mission of the Trinity historically brought down to earth in the ministry of Jesus and then continued to the ends of the earth by those called and sent as disciples throughout future generations Gittins explains that Christian discipleship must be the living out of Jesus' own example in many different times and places He encourages people of all ages to follow the invitation of Jesus to be missionary disciples The Way of Discipleship explores several New Testament examples of Jesus' call and commissioning distills the principles involved and then recontextualizes the stories so that they pose a direct challenge to disciples today In this way Gittins builds up a picture both of the Way of Jesus himself and of the way today's disciples can loyally follow his call to mission The Life of Jesus Christ for the Young Richard Newton, 1880 **The Practice of Remembering** Casey Tygrett, 2023-12-05 How we hold and carry our memories good and bad is a part of what forms us spiritually In this way we have a common bond with the people of Scripture who also had a sensory life Exploring the power of memory Casey Tygrett offers biblical texts and practices to guide us in bringing our memories to God for spiritual transformation Gospel Portraits K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly

With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God's word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel

What Was Jesus Thinking? Frank R. Stirk,2023-06-13 No one could ever get fully inside the mind of Jesus but we can gain important insights through a better understanding of the contexts in which he spoke and acted For example with whom was he speaking and interacting in that moment Where did this take place How can the events of the history of the period in general and the many new and often unexpected archaeological discoveries in particular from the time of Jesus enhance our understanding of what he was thinking And what light can the answers to these and related questions shed on what we already know about Jesus from the Four Gospels This book attempts to provide some answers to these questions with the intent of leading the reader toward a deeper understanding of his wholly human yet wholly divine character This in turn will hopefully create a deeper and more grounded faith

Stay, Watch, Pray Frank Bahr,2022-05-24 The disciples asked Jesus to teach them how to pray Our prayers must be genuine but what God wants from us in prayer may not readily spring to mind for example to honor the holiness of God s name or to pray for people who abuse us Does merely adding God turn a wish into a prayer How is prayer related to our understanding of who God is his omniscience love and power In prayer we expect God to act but how does that relate to our own love and work We pray in the name of Jesus So what difference does it make that God s Son became flesh suffered died and lives again How does the Holy Spirit lead in prayer Why does the Bible provide us with actual prayers Do language literary form location time and body language matter And what does it mean that the apostle cautions Rom 8 26 For we do not know how to pray as we ought Stay Watch Pray tackles these questions and more

Discipleship in the School of Christ Theodore Austin-Sparks,2011-09-13 Chapter 1 The Chief Occupation of a Disciple Chapter 2 The Nature of Divine Life Chapter 3 The Quality of Divine Life Chapter 4 Divine Life Unlimited by Time and Space Chapter 5 Divine Life and Deliverance from Bondage to Sin and Death Chapter 6 Divine Life All Sufficient and Inexhaustible Chapter 7 Divine Life Triumphant Over Natural Forces Chapter 8 Divine Life by Spiritual Sight Chapter 9 Divine Life Overcoming Death in its Fullness In the New Testament the Lord s people were called by various names and these were the names by which Christians came to be known Most of the names were given to them by themselves but there were two exceptions The name Christian was someone s joke The inhabitants of Antioch found this a very suitable title for these people And then there was another word which was taken over from more common use and whilst not particularly their own choice for themselves it became the name by which they were more usually known than any other
