Lets Read Hebrew The Aleph Bet For Our Days:

God's Rest Day of the New Testament , The Jewish Pregnancy Book Sandy Falk, Daniel Judson, Steven A. Rapp, 2004 In addition to information on medical issues this book features ancient and modern prayers and rituals for each stage of pregnancy as well as traditional Jewish wisdom on pregnancy **Song of Slaves in the Desert** Alan Cheuse, 2012-07-01 Lyrically told and impeccably researched Song of Slaves in the Desert traces the story of Nathaniel Pereira a young New Yorker who is called to revive his uncle's South Carolina plantation Nathaniel is struck by the sobering reality of slavery as he becomes captivated by the young slave Liza Liza's never known the meaning of freedom and as Nathaniel plunges into the murky mysteries of slavery she can see how he might change her life forever A masterful writer Cheuse traces the thread of slavery from sixteenth century Timbuktu and grapples with the wild nature of love **Reading Jewish Women** Iris Parush, 2004 In this extraordinary volume Iris Parush opens up the hitherto unexamined world of literate Jewish women their reading habits and their role in the cultural modernization of Eastern European Jewish society in the nineteenth century Parush makes a paradoxical claim she argues that because Jewish women were marginalized and neglected by rabbinical authorities who regarded men as the bearers of religious learning they were free to read secular literature in German Yiddish Polish and Russian As a result of their exposure to a wealth of literature these reading women became significant conduits for Haskalah Enlightenment ideas and ideals within the Jewish community This deceptively simple thesis dramatically challenges and revamps both scholarly and popular notions of Jewish life and learning in nineteenth century Eastern Europe While scholars of European women's history have been transforming and complicating ideas about the historical roles of middle class women for some time Parush is among the first scholars to work exclusively in Jewish territory The book will be a very welcome introduction to many facets of modern Jewish cultural history particularly the role of women which have too long been ignored *Judaism Online* Susan M.
