Lets Look At Patterns:

Let's Look Forward Simon Bennett, 2021-10-21 As a student at Bristol University I became aware of two things The first was my own brokenness and complete inability to fix myself The second was similarly the brokenness of the world and its inability to fix itself Both needed redemption and both needed a saviour Both were in denial if they thought they could muddle through without one I was fortunate enough to meet Christians who could explain to me both God's plan for my redemption through the cross and His plan for the redemption of the world through the Second Coming Both of these theologies amazed me Firstly that God should know my deep need and provide the exact remedy through His unconditional love on the cross Secondly that He should recognise the brokenness of the world and teach us the detail of how its redemption would occur This refreshing and revealing study takes you on a timely scriptural tour of the major landmarks that precede the Second Coming of Jesus Christ
