Association of City Transportation Officials, 2014-03-24 NACTO's Urban Bikeway Design Guide quickly emerged as the preeminent resource for designing safe protected bikeways in cities across the United States. It has been completely redesigned with an even more accessible layout. The Guide offers updated graphic profiles for all of its bicycle facilities, a subsection on bicycle boulevard planning and design, and a survey of materials used for green color in bikeways. The Guide continues to build upon the fast-changing state of the practice at the local level. It responds to and accelerates innovative street design and practice around the nation.
