## **Letter From An Airman Wwii:**

World War II Dispatches to Akron: An Airman's Letters Home Christopher M. LaHurd, 2017-01-30 On his twenty sixth horrifying mission over the hostile skies of Nazi Europe a charismatic bombardier seated at the nose of a B 17 strapped on his parachute as his disintegrating bomber dropped uncontrollably to the ground What got him to this point the ensuing months behind barbed wire and his daily letters written to his family in Akron Ohio makes for an emotionally intense memoir This is the true account of a single unknown individual who stands in for the unsung warriors of the greatest generation during World War II      **World War II** United States. Provost Marshal General's Bureau, 1946      **World War II Letters** Tracy Quinn McLennan, 2003-11-29 A poignant collection of letters from World War II soldiers accompanied by photographs Writers from twenty Allied and Axis countries are gathered in this unique collection of letters from servicemen and women to their friends families and sweethearts World War II Letters gives an unbiased look into the lives of those who served throughout the world in Europe the Pacific Northern Africa and Asia and gives an intimate and honest portrayal of their experiences Wide ranging in scope World War II Letters includes writings by officers and infantry nurses and doctors pilots POWs those injured in action killed in action and those reported missing Introductory biographies and photographs vividly capture the letter writers lives before during and after the war The writers of the letters in this powerful collection express their own views of the enemy give their impressions of countries far away from home describe battle by land sea and air and recount war s atrocities and its rare humorous moments Ultimately World War II Letters provides a revealing and unforgettable journey through the war of the century      **Office of the Provost Marshal General, World War II** United States. Office of the Provost Marshal General, 1946      **Letters Home from a B-17 Bomber Pilot in World War II** Diane Robinson, 2020-08-13 Letters Home from a B 17 Bomber Pilot in World War II By Diane Robinson Letters Home from a World War II B 17 Bomber Pilot is a collection of letters written by author Diane Robinson s uncle before he perished in a bombing raid over Brux Czechoslovakia His writings demonstrate the courage and bravery of those fighting for our country Anyone with an interest in World War II will enjoy a personal look into the life of John J Cunningham as he enters pilot training his feelings on being a soldier and his allegiance to his country      *Dearest Darling, Letters from World War II* Catherine Emerson Porto, 2022-12-08 Dearest Darling tells the true story of the WWII romance and marriage of Anthony Tony Porto of New York a Navy aerial photographer aboard the USS Saginaw Bay and Bernice Hardey of Texas From a box of letters stored for decades their daughter in law recounts their inspiring life together Key to the story are Bernice s late in life recollections of the letters Tony wrote to her while he was aboard ship in the Pacific during the final battles of WWII The letters were a lifeline as Bernice listened to news feeds from Tokyo Rose about supposed Japanese triumphs and worried about Tony s safety amidst the heavy fighting When Tony died in 2011 Bernice disclosed to the family their lifelong secret recalling how happy she was the day she finally received the long awaited letter from Tony disclosing in code that he was finally coming

home Code What code was she talking about The code which neither Tony nor Bernice had ever mentioned before was his way of letting her know his ever changing location in the Pacific without arousing suspicion from the Navy censor who read all outgoing mail Unraveling the code and reading Tony s elegant letters brings to life Bernice and Tony s deepening love amidst the backdrop of war The letters chronicle his journey from aerial photography training to pre invasion surveillance to photographing the invasion of Iwo Jima Dearest Darling is more than a classic WWII love story Bernice s and Tony s postwar lives are inspiring examples of devotion to something bigger than oneself in their case faith family community country and above all each other

**Letters to Mom** Roy C. Meyer, Tara Meyer Harper, 2025-05-30 Well I am finally done with my training here When I read your letter asking if we sleep on air mattresses I had a good laugh We sleep on the ground and like it Roy C Meyer was seventeen when he enlisted in the US Army Air Forces during World War II Stationed on a base in Grottaglie Italy he and his crew dropped bombs on heavily fortified targets Time and money don t mean much over here I never know what day it is On days we don t fly time goes slow As the 449th Bomb Group suffered heavy losses mail call was a lifeline Letters to Mom chronicles Roy s military experiences from his first day of enlistment to his discharge as the war came to a close His entertaining accounts provide an intimate look at courage and sacrifice during an extraordinary time in world history Don t worry I am okay and I am sure things will work out alright

**Film and the End of Empire** Lee Grieveson, Colin McCabe, 2017-10-23 In these two volumes of original essays scholars from around the world address the history of British colonial cinema stretching from the emergence of cinema at the height of imperialism to moments of decolonization and the ending of formal imperialism in the post Second World War

*The World War II Bond Campaign* Lawrence R. Samuel, 2025-02-04 How America's greatest marketing triumph in World War II shaped race ethnicity and class in modern America The World War II Bond Campaign is a history of the World War II bond drive led by the federal government an effort called the most successful marketing operation in history By the war's end some 85 million Americans had spent 186 billion in an unprecedented outpouring of patriotism that contributed to the military victory and the prosperity of the following decades The FDR administration used bonds to raise capital to support the war and promote national unity within the context of the nation's increasingly pluralistic society as the melting pot theory was retired African Americans Euro Americans and labor union members enthusiastically bought bonds to express national loyalty but also to demonstrate racial ethnic or class pride a reflection of their dualistic or hyphenated identities Drawing on various primary sources *The World War II Bond Campaign* illustrates how the Treasury Department's multicultural marketing strategies tapped into Americans' aspirations alongside their patriotic impulses Citizens of all social and economic backgrounds eagerly responded to what can be seen as the selling of America making the subject an ideal lens to view national identity at a critical moment in the country's history The author contends that the drive's success helped pave the way for the emergence of both the civil rights movement and the vigorous consumer culture of the postwar years

Canada Charlotte Gray, 2003 In *Canada A Portrait in Letters* renowned biographer and popular historian Charlotte Gray weaves together more than two hundred letters written by Canadians both famous and ordinary These priceless documents are accompanied by a visual narrative of one hundred illustrations including maps sketches and photographs Adding her own notes and commentary Gray creates a captivating portrait of a country rich in diversity and hope once a backwater of the British Empire that has matured to take its place among the world's cultural and economic leaders

**World War II in Europe, Africa, and the Americas, with General Sources** Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both

experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war

**Forgotten Casualties** Kevin T Hall, 2023-08-01 Sheds new light on the mistreatment of downed airmen during World War II and the overall relationship between the air war and state sponsored violence Throughout the vast expanse of the Pacific the remoteness of Southeast Asia and the rural and urban communities in Nazi occupied Europe more than 120 000 American airmen were shot down over enemy territory during World War II thousands of whom were mistreated and executed The perpetrators were not just solely fanatical soldiers or Nazi zealots but also ordinary civilians triggered by the death and devastation inflicted by the war In *Forgotten Casualties* author Kevin T Hall examines Axis violence inflicted on downed Allied airmen during this global war Compared with all other armed conflicts World War II exhibited the most widespread and ruthless violence committed against airmen Flyers were deemed guilty because of their association with the Allied air forces and their fate remained in the hands of their often hostile captors Axis citizens angered by the devastation inflicted by the war along with the regimes consent and often encouragement of citizens to take matters into their own hands resulted in thousands of Allied flyers being mistreated and executed by enraged civilians Written to help advance the relatively limited discourse on the mistreatment against flyers in World War II *Forgotten Casualties* is the first book to analyze the Axis violence committed against Allied airmen in a comparative international perspective Effectively comparing and contrasting the treatment of POWs in Germany with that of their counterparts in Japan Hall s thorough analysis of rarely seen primary and secondary sources sheds new light on the largely overlooked complex relationship among the air war propaganda the role of civilians and state sponsored terror during the radicalized conflict Sources include postwar trial testimonies Missing Air Crew Reports MACR Escape and Evasion reports perpetrators explanations and rationalizations for their actions extensive judicial sources transcripts of court proceedings autopsy reports appeals for clemency and justifications for verdicts Drawing heavily on airmen s personal accounts and the testimonies of both witnesses and perpetrators from the postwar crimes trials *Forgotten Casualties* offers a new narrative of this largely overlooked aspect of Axis violence

**Reporting World War II** G. Kurt Piehler, Ingo

Trauschweizer, 2023-04-25 This set of essays offers new insights into the journalistic process and the pressures American front line reporters experienced covering World War II Transmitting stories through cable or couriers remained expensive and often required the cooperation of foreign governments and the American armed forces Initially reporters from a neutral America documented the early victories by Nazi Germany and the Soviet invasion of Finland Not all journalists strove for objectivity During her time reporting from Ireland Helen Kirkpatrick remained a fierce critic of that country s neutrality Once the United States joined the fight after the Japanese attack on Pearl Harbor American journalists supported the struggle against the Axis powers but this volume will show that reporters even when members of the army sponsored newspaper *Stars and Stripes* were not mere ciphers of the official line African American reporters Roi Ottley and Ollie Stewart worked to

bolster the morale of Black GIs and undermined the institutional racism endemic to the American war effort Women front line reporters are given their due in this volume examining the struggles to overcome gender bias by describing triumphs of Th r se Mabel Bonney Iris Carpenter Lee Carson and Anne Stringer The line between public relations and journalism could be a fine one as reflected by the U S Marine Corps creating its own network of Marine correspondents who reported on the Pacific island campaigns and had their work published by American media outlets Despite the pressures of censorship the best American reporters strove for accuracy in reporting the facts even when dependent on official communiqu s issued by the military Many wartime reporters even when covering major turning points sought to embrace a reporting style that recorded the experiences of average soldiers Often associated with Ernie Pyle and Bill Mauldin the embrace of the human interest story served as one of the enduring legacies of the conflict Despite the importance of American war reporting in shaping perceptions of the war on the home front as well as shaping the historical narrative of the conflict this work underscores how there is more to learn Readers will gain from this work a new appreciation of the contribution of American journalists in writing the first version of history of the global struggle against Nazi Germany imperial Japan and fascist Italy
