Daphne Patai,2008-05-29 This volume brings together for the first time more than two dozen of Daphne Patai's incisive and at times satirical essays dealing with the academic and intellectual orthodoxies of our time Patai draws on her years of experience in an increasingly bizarre academic world where a stifling politicization threatens genuine teaching and learning Addressing the rise of feminist dogma the domination of politics over knowledge the shoddy thinking and moralizing that hide behind identity politics and the degradation of scholarship her essays offer a resounding defense of liberal values Patai takes aim at the unctuous and also dangerous posturing that has brought us restrictive speech codes harassment policies and a vigilante atmosphere while suppressing plain speaking about crucial issues But these trenchant essays are not limited to academic life for the ideas and practices popularized there have spread far beyond campus borders Included are two new pieces written especially for this volume one on the bullying tactics of a famous feminist and the other on Islamic fundamentalism

**Divine Suspense** Andreas Seland,2018-07-23 What is suspense and why do we feel it These questions are at the heart of the first part of this study It develops and defends the imminence theory of suspense the view that suspense arises in situations that are structurally defined by something essential being imminent Next the study utilizes this theory as an interpretative key to S ren Kierkegaard s seminal work Frygt og B ven FB FB is an exploration of what it means to take the story of Abraham and Isaac as a paradigmatic example of faith The study argues that a core aspect of how Kierkegaard conceptualizes faith through the figure of Abraham is suspense The argument is built upon the observation that to have faith is to be a hero To be hero means to belong to a story Stories manifests different conceptualizations of time Abraham s story as FB frames it is radically geared towards something imminent it is characterized by an essential relation of suspense The study then explores how suspense not only forms part of the conceptualization of faith but is also part of how this conceptualization is communicated Thus the study argues that there exists a symmetry of suspense between the rhetorical and the conceptual levels of the text
