Faceless Mortals

BOB COOK

Wyman felt oddly numb and light-headed, and with complete detachment he noticed his hands were trembling violently. Now, he reflected, I think I know how people go insane.

Faceless Mortals:

Faceless Mortals Bob Cook, 2000-08 When Herbie Feigl teacher at an obscure English prep school goes missing in Yugoslavia he is branded a spy Michael Wyman ex M16 begins to investigate could Feigl really be a KGB agent Is he still alive As he travels around Europe Wyman realizes that others are on his trail the CIA the FBI the President of a neutral state they are all seeking Feigl The Superpowers stalk Wyman as he draws nearer to the dark secret which could have devastating consequences if revealed Dead Inside Dario Lisiero, 2010 **The Smile of the Human Bomb** Gideon Aran, 2018-09-15 No detailed description available for The Smile of the Human Bomb *The Rising* D. Ann Hall, 2020-11-01 What's buried in the sand has slept for centuries Some things should never be exhumed When Egyptologist Samuel Anubis Clayton inherits a gold talisman he's driven to uncover its secrets Like why after receiving it did a flood of forgotten memories and the ethereal red headed beauty who had seduced him in his youth return with malice With nightmarish visions plaguing him An alliance with a questionable organisation and his scientific team with their own agenda he remains locked within a destiny that will either consume or destroy him Love loss and twisted truths have weaved through the vampire Kesha's long life and now an old threat is at her door Pulled from her sanctuary in Scotland she knows what must be done She must stop the rising to keep the status quo and kill the one responsible Then she meets the one who brings the dead to their deeds The one they call Anubis What is he to her What justice is to be served And on who Follow Samuel and Kesha as they uncover a powerful ancient secret that could change the world forever With unexpected twists and turns this epic journey will take you through the sands of ancient Egypt the halls of the British Museum and beyond Love loss and lies await you in this paranormal horror adventure Not all dead remain buried Experience a paranormal thriller like no other Get your copy now and be transported to a world of mystery and suspense The Rising is for you if you enjoy Paranormal horror and supernatural suspense Ancient worlds bleeding into the modern Egyptian mythology Vampires Family drama Speculative archaeological Urban Fantasy Some Romance If you love Anne Rice Silvia Moreno Garcia Dean Koontz Wilbur Smith J R Ward or Deborah Harkness then this is for you WARNING contains content that some readers may find upsetting 18 *Once Upon a Vampire: An Age-Gap Paranormal Romance* Kenzie Skye, Enjoy this spicy vampire romance series by romantasy author Kenzie Skye She trespassed into my domain now she's mine Katherine should have never stepped foot in my mansion One look at her flushed cheeks pounding pulse that sweet scent of innocence and I was lost I should have let her go I should have wiped her memory clean But I couldn't Now she's trapped in my world trembling beneath my touch begging for things too dark too wicked to speak aloud I try to keep my distance to resist the hunger clawing inside me but she wants the monster in me And when she offers herself up completely her body her blood her soul there's no turning back She says she's ready for forever She has no idea what that means Once Upon a Vampire is a dark obsessive age gap paranormal romance featuring a brooding centuries old vampire who refuses to let his little human go Expect possessiveness filthy seduction and enough bite to leave a mark No

cheating no cliffhangers just a wickedly devoted hero who would burn the world for her Once Upon a Vampire is the fifth book in the Spicy Vampire Romances series although all books in this steamy series can be read as standalones For fans of Jessa Kane Ruby Dixon and Candace Ayers this is a HOT romantic story with a guaranteed happily ever after Like all Kenzie Skye's books it features an obsessed hero and an innocent heroine Enjoy **Night Train to Lisbon** Pascal

Mercier, 2008-10-07 The bestselling novel of love and sacrifice under fascist rule and a treat for the mind One of the best books I have read in a long time Isabel Allende Raimund Gregorius a professor of dead languages at a Swiss secondary school lives a life governed by routine Then an enigmatic Portuguese woman stirs his interest in an obscure and mind expanding book of philosophy that opens the possibility of changing Raimund's existence That same night he takes the train to Lisbon to research the book's phantom author Amadeu de Prado a renowned physician whose principles led him to confront Salazar's dictatorship Raimund now obsessed with unlocking the mystery behind the man is determined to meet all those on whom Prado left an indelible mark Among them his eighty year old sister who maintains her brother's house as if it were a museum an elderly cleric and torture survivor confined to a nursing home and Prado's childhood friend and eventual partner in the Resistance The closer Raimund comes to the truth of Prado's life and eventual fate an extraordinary tale takes shape amid the labyrinthine memories of Prado's intimate circle of family and friends working in utmost secrecy to fight dictatorship and the betrayals that threaten to expose them A meditative deliberate exploration of loneliness language and the human condition The San Diego Union Tribune Night Train to Lisbon calls to mind the magical realism of Jorge Amado or Gabriel Garcia Marquez allusive and thought provoking intellectually curious and yet heartbreakingly jaded and inexorably propelled by the haunting mystery at its heart The Providence Journal Night Train to Lisbon was adapted into Bille August's award winning 2013 film starring Jeremy Irons Lena Olin Christopher Lee and Charlotte Rampling **Homer** Barbara

Lords of the Host Isaac Hill Sr.,2016-04-04 Love must win but to blood thirsty warmongers love is a sentiment best enjoyed after the battle is won and the carnage of their victory can be gloated over There is clearly a distinction between love and true love One is obtained by deeds of mercy and sacrifice with patience while the other demands instant gratification for its pretense And iniquity is aware of this and it wears many disguises as any covert double agent would Iniquity strikes at the heart of the contention between war and peace with elements of surprise that cause each side to yield to its objective which is the annihilation of all existence ever hoping that it is not recognized for what it is the common enemy in disguise People who yield to the temptations of lies and deception are the prodigy of iniquity that survive on the advice and potency of reprobate sinners They heed Satans call in broad daylight not resting until evil is accomplished and they squirm at night in the mire of iniquity which has become a real and true resting place for them as they tally the dead and what has been destroyed in their minds eye before they sleep Ancient Skies: Constellation Mythology of the Greeks David Weston Marshall,2018-08-07 Look to the sky and see the stories in the stars The stars and constellations are among the few remaining objects that appear to us just as they appeared to our distant ancestors From anywhere on Earth a person may view the celestial panorama simply by stepping outside at night and gazing upward This non fiction narrative presents the tales of the forty eight classical constellations compiled from literature spanning a thousand years from Homer c 800 BC to Claudius Ptolemy c 150 AD These age old tales have captured the human imagination from ancient times to the present and through them we can examine the early practical astronomy philosophical speculation on the cosmos and fundamental moral beliefs of much of Western civilization Illustrations and star charts carefully reconstructed from ancient sources lend a visual element and immerse the reader in the world of ancient cosmology and constellation mapping Through Marshall s research and storytelling Ancient Skies brings the belief systems of the classical world to shining life *Encyclopedia of the World's Endangered Languages* Christopher Moseley,2008-03-10 The concern for the fast disappearing language stocks of the world has arisen particularly in the past decade as a result of the impact of globalization This book appears as an answer to a felt need to catalogue and describe those languages making up the vast majority of the world s six thousand or more distinct tongues which are in danger of disappearing within the next few decades Endangerment is a complex issue and the reasons why so many of the world s smaller less empowered languages are not being passed on to future generations today are discussed in the book s introduction The introduction is followed by regional sections each authored by a notable specialist combining to provide a comprehensive listing of every language which by the criteria of endangerment set out in the introduction is likely to disappear within the next few decades These languages make up ninety per cent of the world s remaining language stocks Each regional section comprises an introduction that deals with problems of language preservation peculiar to the area surveys of known extinct languages and problems of classification The introduction is followed by a list of all known languages within the region endangered or not arranged by genetic affiliation with endangered

and extinct languages marked This listing is followed by entries in alphabetical order covering each language listed as endangered Useful maps are provided to pinpoint the more complex clusters of smaller languages in every region of the world The Encyclopedia therefore provides in a single resource expert analysis of the current language policy situation in every multilingual country and on every continent detailed descriptions of little known languages from all over the world and clear alphabetical entries region by region of all the world s languages currently thought to be in danger of extinction The Encyclopedia of the World s Endangered Languages will be a necessary addition to all academic linguistics collections and will be a useful resource for a range of readers with an interest in development studies cultural heritage and international affairs

Jean-Pierre Vernant, 1991-01-21 Jean Pierre Vernant has profoundly transformed our perceptions of ancient Greece Published in 1991 this collection of nineteen essays probes deeply into themes of enduring interest death the body the soul the individual and relations between mortals and immortals the mask the mirror the image and the imagination the self and the other and more broadly the concept of otherness itself or alterity **Mortal** Konn Lavery, 2020-07-10 Damnation ends The Afterlife is at war Krista must fend for herself Mortal is the concluding novel of the dark fantasy series Mental Damnation Follow Krista as she descends further into Dreadweave Pass and fulfilling the path of a warrior set by her father reinforced by her allies Will Krista manage to escape the land of the damned She fights to return to Darkwing in the mortal realm as he struggles to rescue her Home is no safe haven either for her people and the humans are on the brink of an all out war

Jonah and the Human Condition Stuart Lasine, 2019-09-19 Stuart Lasine examines all aspects of the human situation and condition in Yahweh's cosmos as depicted in the Hebrew Bible As his starting point Lasine uses the phrase the human condition which has been used to describe features of existence with which every person must cope in ways which vary according to their culture their situation within that culture and their personality In particular the most consistent factor that is basic to the human condition is mortality and in the biblical context the sometimes difficult relationship between the creator God and humankind An examination of this forms the basis of Lasine's study which draws analytical tools from several disciplines including literary theory psychology and philosophy In the first part of the book Lasine examines a number of relevant biblical texts which display different aspects of the human condition Part two engages in a detailed case study of one human life situation that of the prophet Jonah Finally Lasine draws together his conclusions about life and death in

Yahweh's cosmos both for characters within the world of the scriptural text and for present day readers of the Hebrew Bible

Beyond Mortal Cullen Bunn, 2024-07-23 Cullen Bunn Harrow County and Danny Luckert Shock Shop present an original graphic novel where the heroes of a new comic book universe will collide with a new pantheon of alien deities from beyond our understanding of reality Comic book readers are familiar with the world of Bronze and Modern Era comics stories of gleaming steel metropolises populated by daring superheroes battling for truth and justice facing down power mad masterminds and would be world conquerors But unknown to the league of heroes who protect the innocent this world has a cancer growing at its heart A pantheon of elder gods is starting to awaken These timeless forces of super nature once claimed dominion over a primordial Earth and they have returned to reclaim what is theirs Super powered heroes and villains find themselves struggling against unimaginable horror to save the planet It is a hopeless battle The unstoppable force of the Leviathan will collide with the immovable object of the world's most powerful superheroes in an unflinching tale of ultimate horror and ultimate sacrifice Originally a successful Kickstarter campaign this edition features a new cover newly designed pages and a bonus sketchbook section

Mortal Remains Nancy Isenberg, Andrew Burstein, 2012-07-05 *Mortal Remains* introduces new methods of analyzing death and its crucial meanings over a 240 year period from 1620 to 1860 untangling its influence on other forms of cultural expression from religion and politics to race relations and the nature of war In this volume historians and literary scholars join forces to explore how in a medically primitive and politically evolving environment mortality became an issue that was inseparable from national self definition Attempting to make sense of their suffering and loss while imagining a future of cultural permanence and spiritual value early Americans crafted metaphors of death in particular ways that have shaped the national mythology As the authors show the American fascination with murder dismembered bodies and scenes of death the allure of angel sightings the rural cemetery movement and the enshrinement of George Washington as a saintly father constituted a distinct sensibility Moreover by exploring the idea of the vanishing Indian and the brutality of slavery the authors demonstrate how a culture of violence and death had an early effect on the American collective consciousness *Mortal Remains* draws on a range of primary sources from personal diaries and public addresses satire and accounts of sensational crime and makes a needed contribution to neglected aspects of cultural history It illustrates the profound ways in which experiences with death and the imagery associated with it became enmeshed in American society politics and culture
