Facs Fundamentals For American Christians:

Freedom of Religion in America: Historical Roots, Philosophical Concepts, Contemporary Problems Henry B. Clark, 1982-01-01 Presenting perceptive essays on various aspects of religious liberty the contributors to this volume provide an overview of the history and the issues surrounding religion in America **Redeeming America** Michael Lienesch, 1993 A study of Christian conservative religious and political beliefs as aspects of constructing and maintaining a world view Considering a series of spheres from the self to the family the economy the polity and the world analyzes published writings by a diversity of people adhering to the movement to reveal the overarching structure of the reality they inhabit Paper edition unseen 17 95 Annotation copyright by Book News Inc Portland OR **The Battle for God** Karen Armstrong, 2011-08-10 In the late twentieth century fundamentalism has emerged as one of the most powerful forces at work in the world contesting the dominance of modern secular values and threatening peace and harmony around the globe Yet it remains incomprehensible to a large number of people In *The Battle for God* Karen Armstrong brilliantly and sympathetically shows us how and why fundamentalist groups came into existence and what they yearn to accomplish We see the West in the sixteenth century beginning to create an entirely new kind of civilization which brought in its wake change in every aspect of life often painful and violent even if liberating Armstrong argues that one of the things that changed most was religion People could no longer think about or experience the divine in the same way they had to develop new forms of faith to fit their new circumstances Armstrong characterizes fundamentalism as one of these new ways of being religious that have emerged in every major faith tradition Focusing on Protestant fundamentalism in the United States Jewish fundamentalism in Israel and Muslim fundamentalism in Egypt and Iran she examines the ways in which these movements while not monolithic have each sprung from a dread of modernity often in response to assault sometimes unwitting sometimes intentional by the mainstream society Armstrong sees fundamentalist groups as complex innovative and modern rather than as throwbacks to the past but contends that they have failed in religious terms Maintaining that fundamentalism often exists in symbiotic relationship with an aggressive modernity each impelling the other on to greater excess she suggests compassion as a way to defuse what is now an intensifying conflict BONUS This edition contains an excerpt from Karen Armstrong's *Twelve Steps to a Compassionate Life* **FACS! Fundamentals for American Christians** Rus Walton, 1979 **What's Scripture Got to Do with It?** Buddy Hanson, 2004-12 Hanson raises awareness regarding core Christian beliefs and stresses the urgency to live in accordance with them Christian Religion **The Religious Right** Glenn H. Utter, John Woodrow Storey, 2007 Timely and unbiased this edition updates and expands its examination of the religious right and its influence on our government citizens society and politics From the fight to outlaw the teaching of Darwin's theory of evolution to the struggle to outlaw abortion the religious right is continually exerting an influence on public policy **Information America** Tracy Davis, Patricia A. Young, 1985 *The Religious Right* Gary E. McCuen, 1989 A collection of essays which define the religious

right discussing their attitudes regarding foreign policy economic and social justice homosexuality and AIDS from differing viewpoints Includes a section on televangelists **The U.S. Defense Economy** Alva W. Stewart,1986 **Choice** ,1982
Subject Guide to Books in Print ,1993 **Liberty & Justice for Some** David Bollier,1982 **Paperbound Books in Print** ,1992 **One Nation Under God** Rus Walton,1993 This book provides a valuable survey of God ordained authority in the family church and civil government and a discerning analysis of major societal issues in the light of God s Word
