Y. Stemple, 2009-07 Adapted from Fairy tale feasts Northampton Mass Crocodile Books 2006 **Fairy Tale Dinners** , 2010 Short fairy tales mentioning or involving food are followed by recipes for the foods mentioned in the story The Fairy Tale Cookbook Carol MacGregor, 1982-01-01 A collection of recipes for a variety of dishes based on such well known tales as The three bears Hansel and Gretel and Stone soup Each recipe is introduced by a brief summary of the original tale **The Fairy Tale Cookbook** Sandre Moore, 2000 In an effort to make mealtime exciting for children Moore has developed menus and recipes that involved characters from well known fairy tales nursery rhymes and children s literature Fairy Tale Desserts: A Cookbook for Young Readers & Eaters Jane Yolen, 2009-07-01 This sweet collection blends enchanting fairy tales fun factual information and enticing dessert recipes for a combination that is sure to please young minds and palettes Readers can transform Cinderella s magic pumpkin into tasty pumpkin tartlets Snow White s pernicious apples are refashioned into a delectable inspiring dish The Chinese tale The Magic Pear Tree and an original folktale by the author called Seven Hills of Sweet will engage the imagination and the taste buds **Fairy Tale Feasts** Jane Yolen, Heidi E.Y. Stemple, 2006-05-09 *Fairy Tale Feasts* is more than collection of stories and recipes In it Caldecott winning author Jane Yolen and her daughter Heidi Stemple imagine their readers as co conspirators About the creation of the stories and the history of the foods they share fun facts and anecdotes designed to encourage future cooks and storytellers to make up their own versions of the classics From the earliest days of stories when hunters told of their exploits around the campfire while gnawing on a leg of beast to the era of kings in castles listening to the storyteller at the royal dinner feast to the time of TV dinners when whole families sit for dinner in front of a screen to watch a movie stories and eating have been close companions So it is not unusual that folk stories are often about food Jack s milk cow traded for beans Snow White given a poisoned apple a pancake running away from those who would eat it Hansel and Gretel lured by the gingerbread house and its candy windows and doors But there is something more stories and recipes are both changeable A storyteller never tells the same story twice because every audience needs a slightly different story depending upon the season or the time of day the restlessness of the youngest listener or how appropriate a tale is to what has just happened in the storyteller s world And every cook knows that a recipe changes according to the time of day the weather the altitude the number of grains in the level teaspoonful the ingredients
