Abrams,2013-11 Biography of the author of Ella Enchanted Fairest and Dave at night Gail Carson Levine On the Edge

Lois Duncan,2001 Jack the B **The Princess Test** Gail Carson Levine,1999-03-21 Gail Carson Levine charmed the world with Ella Enchanted her spirited retelling of the Cinderella story Now this award winning author turns her attention to two more classic fairy tales and deftly turns them upside down and inside out with her trademark wit and hilarity In The Fairy's Mistake two very different sisters have two very different encounters with the fairy Ethelinda Rosella is kind and helpful Her reward Jewels and gems tumble out of her mouth whenever she speaks Myrtle is rude and spiteful Her punishment Bugs and vipers slither out of her mouth The fairy Ethelinda feels she's meted out justice just right until she discovers Rosella has been locked up by a greedy prince and Myrtle is having the time of her life In The Princess Test King Humphrey has decided it's time for his son Prince Nicholas to marry But he must make sure the bride is a real princess So he devises a series of princess tests designed to weed out the phonies and the fakes Meanwhile Nicholas has fallen in love with Lorelei a mere blacksmith's daughter She's no princess but he wants to marry her all the same but how will she ever pass the terrible tests In these first two delightfully entertaining laugh out loud Princess Tales Gail Levine gently spoofs the notion that fairies are always right and that tests can never prove a person's worth but holds fast to the notion that true love will always win in the end Reid's Read-Alouds 2 Rob Reid,2011 From humor and drama to science fiction and history Reid makes it easy to find

of a detailed study of these four Hollywood screenplays you will be able to offer a much richer description of what is going on at any particular point in a screenplay In this way you will become much sharper at understanding how screenplays work And you will become much better at learning how to write coherent screenplays yourself *Fantasy Literature for Children and Young Adults* Ruth Nadelman Lynn,2005-03-30 Bibliographic information grade level and annotations for nearly 7 500 fantasy books for grades 3 12 are given The introduction discusses the history of fantasy and awards presented to fantasy titles are listed **American Book Publishing Record** ,2003 **The Brown Fairy Book** Andrew Lang,1927 Fairy tales and stories of the Arabian Nights order are not often attempted by modern imaginations but collections of the old legends are perennially popular Mr Andrew Lang has not yet exhausted the supply of these last although he has to go to countries more and more remote for every new year s gleanings For the material in his latest volume *The Brown Fairy Book* he has searched the folk lore of the red Indians the black Australians the African Kaffirs and the natives of Brazil and New Caledonia Besides these there are some tales of moment from the French and Persian some of them being specially translated for this work
