The Battle Worth Fighting Julie Ann Allen, 2018-10-30 When we first become parents we don t imagine ever being single parents Regardless this is where we are Instead of evaluating God s love based on your circumstances evaluate your circumstances through the lens of God s love This is what it is to co parent your children with God The Battle Worth Fighting is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face as well as a guide to spiritual development and growth for your children and you Let God be the authoritative parent for your children Establish the boundaries you know God is leading you to establish Place your priorities where God is showing you to place them Your prayer request is to hear his call and move in the direction he leads This is a game changer Instead of seeking the path to acclaim and earthly accomplishments we seek what God values and wants for us and for our children This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives God is calling us to invest in our children so they can become who God had in mind when he created them

Phillips, 2022-06-02 Use the tools of reason the power of the mind to think understand and form judgments by logic to construct an argument for the Christian faith Paul reasoned from the Scriptures he proved explained and persuaded Samuel L Phillips maintains that we can establish many of the essential truths of Christianity from facts most people believe In **DEFENDING THE CHRISTIAN FAITH** he creates common ground with unbelievers showing that they already believe in fundamental truths that lead to Christianity

Sons and Angels Dramane Traore, 2025-07-01 *Sons and Angels* by Dramane Traore is a revelatory confrontation between two realms of spiritual beings sons born of God and angels created as servants With prophetic insight and bold exposition Traore draws a clear distinction between the identity authority and destiny of sons versus angels While angels are powerful holy and ministering spirits the sons of God are partakers of the divine nature heirs of God and carriers of the incorruptible seed This book reveals that angels stand in awe of the redemptive mystery that has made mortal men into immortal sons Traore unveils the eternal hierarchy established by God angels serve but sons reign Angels worship but sons are joined in union with Christ The book walks through scriptural truths that show how the believer though once lower than the angels has now been raised and seated in Christ far above every principality and power *Sons and Angels* is not a comparison meant to elevate pride but a revelation designed to awaken identity It is a call to stop seeking angelic encounters and start living as the revelation that angels long to behold Traore declares that the age of ignorance is over and the sons must arise not in imitation but in manifestation Angels are not the pattern Christ is And the sons are His image on the earth
