

Chronic Hunger

- Chronic hunger is a manifestation of poverty, and that attempts to eradicate hunger can only be successful when poverty is alleviated
- *"Hunger is, in most instances, a consequence of economic impoverishment and marginalization."*
- *"It is imperative that economic empowerment form the core of strategies to eliminate the underlying causes of hunger."*

Violence and Personhood in Ancient Israel and Comparative Contexts T. M. Lemos,2017-09-22 Violence and Personhood in Ancient Israel and Comparative Contexts is the first book length work on personhood in ancient Israel T M Lemos reveals widespread intersections between violence and personhood in both this society and the wider region Relations of domination and subordination were incredibly important to the culture and social organization of ancient Israel often resulting in these relations becoming determined by the boundaries of personhood itself Personhood was malleable it could be and was violently erased in many social contexts This study exposes a violence personhood masculinity nexus in which domination allowed those in control to animalize and brutalize the bodies of subordinates Lemos argues that in particular social contexts in the contemporary western world this same nexus operates holding devastating consequences for particular social groups

Faith Confronts Nuclear Power John R. Gugel,2015-10-22 Faith Confronts Nuclear Power is a theological critique that attempts to call people to action in the battle against nuclear power Nuclear power is a sophisticated terribly expensive and frightfully dangerous way to boil water What is it doing to the earth our God created How do we care for the earth if we allow it to continue Looking at nuclear power through the eyes of faith a Lutheran pastor John Gugel is alarmed at the apparent lack of concern on this issue and seeks to call people to action
