Fyodor Dostoyevsky, 2008-01-01 Could an ordinary person with no hint of malice and no motive but discovering what it feels like to do it plot to kill and then actually murder a total stranger What if the stranger were a thoroughly unlikable person hated by everyone who came into contact with her One of the great novels of world literature Crime and Punishment is a thriller of the conscience one that wrangles with morality and its uses or lack thereof in the depths of poverty Russian novelist FYODOR MIKHAILOVICH DOSTOEVSKY 1821 1881 conceived the character of his putative hero the impoverished student Raskolnikov while he himself was struggling under the burden of massive debt and turned his ethical dilemmas into a literary detective story of the highest order one in which the criminal seeks to discover his own motives for his terrible deed Renowned for its invention of a more intimate kind of third person narration and featuring narrative manipulations of time and memory that anticipate the works of authors such as Henry James Virginia Woolf and James Joyce this classic novel remains essential reading for all lovers of great literature This edition presents the acclaimed 1914 translation by English writer CONSTANCE CLARA GARNETT 1861 1946 who introduced many of the great Russian novelists to the British and American public Crime and Punishment [Large Print Edition] Fyodor Dostoyevsky, 2014-09-07 This premium quality large print volume includes the complete and unabridged classic translation of Fyodor Dostoyevsky's Crime and Punishment a work which became an enduring and still popular classic exerting a world wide influence that continues today This freshly edited and newly typeset edition features heavyweight 60 bright white paper and a large 7 44x9 69 page size with a fully laminated cover featuring an original full color design Also included in this volume is extensive introductory commentary including biographical and critical essays discussing Dostoyevsky's life work and literary significance to provide useful background information for the modern reader Crime and Punishment A psychological novel written before the phrase psychological novel existed Crime and Punishment is widely regarded as Dostoyevsky's masterpiece establishing his

reputation as a powerful and influential novelist Against the backdrop of the oppressive heat and smell of summer in St Petersburg and in the shadow of religious faith Dostoyevsky explores complex themes of alienation criminal psychology guilt nihilism expiation atonement and what might today be considered narcissistic personality disorder and in an earlier time might have been called megalomania Convinced that superior people like himself are above the law Raskolnikov believes that he could make much better use of an old woman's wealth and decides he is entitled to rob her When the robbery goes horribly wrong Raskolnikov begins to doubt his superiority and his growing guilt and a cat and mouse game that ensues with Porfiry Petrovich the shrewd police investigator drives him further into isolation and despair Focusing on the psychological punishment Raskolnikov suffers as a result of his crime Dostoyevsky suggests that true rehabilitation can come only through atonement and redemption regardless of any punishment meted out by the authorities Like Dickens in England Dostoyevsky was embraced by the masses about whom he wrote and to whom he spoke despite criticism by contemporary experts who found his subject matter unsuitable for literature and his work lacking in style and technical merit And like Dickens Dostoyevsky has become an inextricable part of the culture of his country and the essential literature of the world Crime and Punishment Fyodor Dostoevsky, 1866-02-27 A few words about Dostoevsky himself may help the English reader to understand his work Dostoevsky was the son of a doctor His parents were very hard working and deeply religious people but so poor that they lived with their five children in only two rooms The father and mother spent their evenings in reading aloud to their children generally from books of a serious character Though always sickly and delicate Dostoevsky came out third in the final examination of the Petersburg school of Engineering There he had already begun his first work Poor Folk This story was published by the poet Nekrassov in his review and was received with acclamations The shy unknown youth found himself instantly something of a celebrity A brilliant and successful career seemed to open before him but those hopes were soon dashed In 1849 he was arrested **Fyodor Dostoevsky's Crime and Punishment** Richard Arthur Peace, 2006 This Casebook is a collection of interpretations of Crime and Punishment The selection not only reflects earlier work by major critics in the field but also more recent studies At the same time the choice of critical approaches has been made on the basis of covering the novel's various aspects Dostoevsky's debt to other novelists in the European tradition his roots as a writer in the so-called Natural School of the 1840s with its emphasis on the theme of the city the thematic and symbolic structure of the novel itself the psychology of the hero the philosophical content of the novel and its relationship to contemporary thought the novel's religious dimension This latter approach has long been established in western criticism but the two essays with which the Casebook concludes are by modern Russian scholars who examine the novel in the light of their own Orthodox tradition *Crime and Punishment* Fyodor Dostoyevsky, 2016-02-06 Why buy our paperbacks Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low quality sellers Don't buy cheap paperbacks just to save a few dollars Most of them use low quality papers binding Their pages fall off

Martinsen,2022-02-22 Crime and Punishment A Reader s Guide focuses on narrative strategy psychology and ideology Martinsen demonstrates how Dostoevsky first plunges the reader into Raskolnikov s fevered brain creating sympathy for him and she explains why most readers root for him to get away from the scene of the crime Dostoevsky subsequently provides outsider perspectives on Raskolnikov s thinking effecting a conversion in reader sympathy By examining the multiple justifications for murder Raskolnikov gives as he confesses to Sonya Dostoevsky debunks rationality based theories Finally the question of why Raskolnikov and others including the reader focus on the murder of the pawnbroker and forget the unintended murder of Lizaveta reveals a narrative strategy based on shame and guilt Crime and Punishment Fyodor Dostoevsky,1993-05-25 A masterpiece of guilt and redemption that transforms the sordid story of an old woman s murder into the nineteenth century s profoundest and most compelling philosophical novel ONE OF TIME MAGAZINE S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME Raskolnikov an impoverished student living in the St Petersburg of the tsars is determined to overreach his humanity and assert his untrammelled individual will When he commits an act of murder and theft he sets into motion a story that for its excruciating suspense its atmospheric vividness and its depth of characterization and vision is almost unequaled in the literatures of the world The best known of Dostoevsky s masterpieces Crime and Punishment can bear any amount of rereading without losing a drop of its power over our imaginations Award winning translators Richard Pevear and Larissa Volokhonsky render this elusive and wildly innovative novel with an energy suppleness and range of voice that do full justice to the genius of its creator Everyman s Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full
