Emotional Alterity in the Medieval North Sea World Erin Sebo, Matthew Firth, Daniel Anlezark, 2023-08-24 This book addresses a little considered aspect of the study of the history of emotions in medieval literature the depiction of perplexing emotional reactions Medieval literature often confronts audiences with displays of emotion that are improbable physiologically impossible or simply unfathomable in modern social contexts The intent of such episodes is not always clear medieval texts rarely explain emotional responses or their motivations The implication is that the meanings communicated by such emotional display were so obvious to their intended audience that no explanation was required This raises the question of whether such meanings can be recovered This is the task to which the contributors to this book have put themselves In approaching this question this book does not set out to be a collection of literary studies that treat portrayals of emotion as simple tropes or motifs isolated within their corpora Rather it seeks to uncover how such manifestations of feeling may reflect cultural and social dynamics underlying vernacular literatures from across the medieval North Sea world

Historical Dictionary of Ireland Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of *Historical Dictionary of Ireland* is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland

The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the *Cambridge History of Ireland* covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

All Dressed Up Joan FitzPatrick Dean, 2014-11-25 In the early twentieth century publicly staged productions of significant historical political and religious events became increasingly popular and increasingly grand in Ireland These public pageants a sort of precursor to today's opening ceremonies at the Olympic games mobilized huge numbers of citizens to present elaborately staged versions of Irish identity based on both history and myth Complete with

marching bands costumes fireworks and mock battles these spectacles were suffused with political and national significance Dean explores the historical significance of these pageants explaining how their popularity correlated to political or religious imperatives in twentieth century Ireland She uncovers unpublished archival findings to present scripts programs and articles covering these events The book also includes over thirty photographs of pageants program covers and detailed designs for costumes to convey the grandeur of the historical pageants at the beginning of the century and their decline in production standards in the 1970s and 1980s Tracing the Irish historical pageant phenomenon through the twentieth century Dean presents a nation contending with the violence and political upheaval of the present by reimagining the past **Ireland and the New Journalism** K. Steele, M. de Nie, Michael de Nie, 2014-07-10 This volume explores the ways in which the complicated revolution in British newspapers the New Journalism influenced Irish politics culture and newspaper practices The essays here further illuminate the central role of the press in the evolution of Irish nationalism and modernism in the late nineteenth and early twentieth centuries Empire's Wake: Postcolonial Irish Writing and the Politics of Modern Literary Form Mark Quigley, 2013 Traces development of Irish literary modernism from the 1920s to the 1990s through the writings of James Joyce John Millington Synge Samuel Beckett Sean O Faolain Frank McCourt and the Blasket Island autobiographers Tomas O Crohan and Maurice O Sullivan Considers Irish literature in relation to Irish nationalism and aftermath of British empire *Celtic Literatures in the Twentieth Century* Сборник статей, 2015-09-09 The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine between the 24th and 26th August 2000 a very successful and informative conference on Celtic Literatures in the Twentieth Century The lectures and the discussions were of a high standard and it was the intention of the organisers to edit and publish the proceedings as soon as possible thereafter Unfortunately due to difficulties in assembling some of the papers this was not possible and consequently publication has been delayed much longer than was originally anticipated Despite this delay we feel that those papers which we have received merit publication at this time not only because of their intrinsic merits but also because they represent the views of the authors on their respective topics at the turn of the twentieth century and will hopefully be of value to those interested in the state of the modern Celtic literatures *Anáil an Bhéil Bheo* Nessa Cronin, John Eastlake, 2009-01-14 An il an Bh il Bheo brings together a stimulating range of interdisciplinary essays considering the connections between orality and modern Irish culture From literature to song folklore to the visual arts contributors examine not only the connections between oral and textual traditions in Ireland but also the theoretical concept of orality itself and the corresponding significance of oral texts in Irish society Featuring work by emerging scholars in the fields of history literature folklore music women's studies film and theatre studies and disciplines contributing to Irish Studies this multifaceted volume also includes contributions from scholars long engaged with issues of orality such as Gearóid Cruaí and Henry Glassie **Conamara Chronicles** , 2022-09-27 I find him to be a kindred spirit a sympathetic but shrewd enquirer a companionable stroller and a lover of anecdotes gathered by the wayside
