EXTRACT In the kingdom of Hyrule a legend has been passed down since the

beginning of time A mysterious artifact known as the Triforce symbolized by three golden triangles arranged to form a fourth triangle is said to possess mystical powers It is hardly surprising that this object has been coveted by many power hungry men over the centuries One day the evil Ganon the Prince of Darkness whose ambition is to subjugate the entire world to his will sends his armies to attack the peaceful kingdom He manages to capture one of the fragments of the Triforce the triangle of power Daughter of the king of Hyrule Princess Zelda is terrified at the prospect of seeing Ganon s armies swarming over the world She too seizes a fragment of the Triforce the triangle of wisdom and chooses to break it into eight pieces which she then scatters across the world hiding them to prevent Ganon from ever acquiring them She then orders her faithful nursemaid Impa to go forth and seek a warrior brave enough to challenge Ganon As Impa roams the kingdom of Hyrule in the hope of finding a savior Ganon learns of Zelda s plans and has her locked up before sending his men to track down the nursemaid Surrounded by these ruthless creatures Impa is saved by a young boy named Link at the very moment when it appears that all is lost As unbelievable as it may seem Link has been chosen by the golden triangle of courage and thus holds a part of the Triforce himself Convinced that she has finally found the one who will save the kingdom Impa hurries to tell him her story Link accepts his mission to rescue Zelda without hesitation Before confronting Ganon however he will have to gather the eight fragments of the triangle of wisdom which are his only hope of gaining entry to the dungeon deep beneath Death Mountain where the Prince of Darkness hides His quest has only just begun

ABOUT THE AUTHORS Nicolas Courcier and Mehdi El Kanafi Fascinated by print media since childhood Nicolas Courcier and Mehdi El Kanafi wasted no time in launching their first magazine Console Syndrome in 2004 After five issues with distribution limited to the Toulouse region of France they decided to found a publishing house under the same name One year later their small business was acquired by another leading publisher of works about video games In their four years in the world of publishing Nicolas and Mehdi published more than twenty works on major video game series and wrote several of those works themselves Metal Gear Solid Hideo Kojima s Magnum Opus Resident Evil Of Zombies and Men and The Legend of Final Fantasy VII and IX Since 2015 they have continued their editorial focus on analyzing major video game series at a new publishing house that they founded together

that shapes the production dissemination and legitimization of dominant stereotypes within the industry itself or in the dehumanizing representations often found within game spaces many video games perpetuate injustice and mirror the inequities and violence that permeate society as a whole Drawing from groundbreaking research on counter and oppositional gaming and from popular games such as World of Warcraft and Tomb Raider Woke Gaming examines resistance to problematic spaces of violence discrimination and microaggressions in gaming culture The contributors of these essays seek to identify strategies to detox gaming culture and orient players and gamers toward progressive ends From Anna Anthropy's Keep Me Occupied to Momo Pixel's Hair Nah video games can reveal the power and potential for marginalized communities to resist and otherwise challenge dehumanizing representations inside and outside of game spaces In a moment of MeToo BlackLivesMatter and efforts to transform current political realities Woke Gaming illustrates the power and potential of video games to foster change and become a catalyst for social justice      *Hey! Listen!* Andrew S. Latham, 2024-02-01 How does analyzing video games as hypertexts expand the landscape of research for video game rhetoricians and games studies scholars This is the first book to focus on how hypertext rhetoric impacts the five canons of rhetoric and to apply that hypertext rhetoric to the study of video games It also explores how ludonarrative agency is seized by players seeking to express themselves in ways that game makers did not necessarily intend when making the games that players around the world enjoy This book takes inspiration from The Legend of Zelda a series which players all over the world have spent decades deconstructing through online playthroughs speedruns and glitch hunts Through these playthroughs players demonstrate their ability to craft their own agency independent of the objectives built by the makers of these games creating new rhetorical situations worthy of analysis and consideration      *Boys' Life* , 2001-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting      *Itchy, Tasty* Alex Aniel, 2021-04-15 This is the definitive behind the scenes account of Capcom's horror video game series Resident Evil one of the most popular innovative and widely influential franchises of all time Industry expert Alex Aniel spent two years interviewing key former members of Capcom staff allowing him to tell the inside story of how Resident Evil was envisioned as early as the late 1980s how its unexpected and unprecedented success saved the company from financial trouble how the series struggled at the turn of the century and eventually how a new generation of creators was born after the release of Resident Evil 4 Itchy Tasty narrates the development of each Resident Evil game released between 1996 and 2006 interspersed with fascinating commentary from the game creators themselves offering unique insight into how the series became the world conquering franchise it is today      **The Games Machines ,      Who Are You?** Alex Custodio, 2020-10-13 Celebrate Nintendo's Game Boy Advance in this video game history that traces the handheld's network of hardware and software afterlives In 2002 Nintendo of America launched an international marketing campaign for the Game Boy Advance that revolved around the slogan Who Are You asking potential buyers which Nintendo

character game or even device they identified with and attempting to sell a new product by exploiting players nostalgic connections to earlier ones Today nearly 2 decades after its release and despite the development of newer and more powerful systems Nintendo's Game Boy Advance lives on through a community that continues to hack modify emulate make break remake redesign trade use love and play with the platform In Who Are You Alex Custidio considers each component of this network hardware software peripheral or practice to illuminate the platform's unique features as a computational system and a cultural artifact You'll learn about The evolution of Nintendo's handhelds and consoles and how they embed nostalgia into the hardware Nintendo's expansion of the Game Boy Advance platform through interoperability Physical and affective engagement with the Game Boy Advance Portability private space and social interaction The platformization of nostalgia Fan generated content including homebrew hacking and hardware modding And much more Although the Game Boy Advance is neither the most powerful nor the most popular of Nintendo's handhelds Custidio argues it is the platform that most fundamentally embodies Nintendo's reliance on the aesthetics and materiality of nostalgia

The Legend of Zelda. The History of a Legendary Saga Vol. 2 Valérie Précigout, 2019-02-19 Continue the discovery of the famous game The Legend of Zelda Featuring in the pantheon of video games the Breath of the Wild episode of the mythical Zelda saga is fully covered in this new book Following the first Chronicle volume of a legendary saga this second part focuses exclusively on the episode Breath of the Wild decrypting its references its game system and the inspiration of its developers EXTRACT Starting production on a title that sought to radically redefine the core elements of a franchise as iconic as The Legend of Zelda involved a certain amount of risk for Nintendo To fully understand the situation we feel it is essential to start by determining what was really at stake in this challenging effort by looking at the many promises that The Legend of Zelda Breath of the Wild carried with it from the earliest announcement of its development until the moment it was released With this perspective in mind we will first step back in time to examine any clues potentially found in other recent installments of the franchise as to the creators desire to rethink the game's most basic conventions We will then consider what fans were expecting from this attempt to go back to basics and revive the ambitions of the original Legend of Zelda We will also look at Nintendo's communications strategy by way of the trailers and other official presentations that were used to introduce the game and consider the credibility of Breath of the Wild's claim to innovation in its approach to the open world genre Of course we will also focus considerable attention on director Hidemaro Fujibayashi's history with the series and listen to the development team's thoughts as we attempt to better understand the origins of this latest Zelda game We then close the chapter with a look at initial reactions from fans and video game journalists when the game was first released on March 3 2017 ABOUT THE AUTHOR Better known by her pseudonym Romendil Valérie Précigout spent 15 years as a journalist for Jeuxvideo.com Europe's largest video game website A fan of Japanese RPGs she managed to establish herself as an online critic when the Internet was still struggling to keep up with print media She loves manga culture and Japanese leisure
