sexiest man she'd ever known But each time they kissed Lynn began to forget their engagement was only to protect her reputation and she began wondering if she was the one woman Russ could truly love **Mistaken for a Mistress** Kristi Gold,2009-11-01 TO KNOW THE MAN YOU MUST FIRST KNOW HIS MISTRESS Ford Ashton's quest to discover who had killed his grandfather brought him to the late billionaire's mistress Surely executive assistant Kerry Roarke knew all the intimate details of the man's life And what better way to get what he needed than to seduce it out of her She was no man's mistress not that the press or the public would believe her But now the woman who had been running away from her boss's advances was finding herself drawn to a stranger with familiar eyes and all too tempting kisses The stage was set for seduction But was Ford's heart really ready for the truth DYNASTIES THE ASHTONS A family built on lies brought together by dark passionate secrets **Seduction by the Book** Linda Conrad,2010-09-01 The hurricane that imprisoned them alone in his island fortress was nothing compared to the storm raging within him For two years Nicholas Scoville had forbidden himself the pleasure of a woman a self imposed sentence that Annie Riley challenged with her healing hands and her infectious humor When the lights went out Nicholas took what he wanted what he needed what Annie offered And learned he was her first Annie deserved far better than him She deserved Prince Charming not some beast who'd taken her innocence after she repaired his broken body A man with the means to give her everything but what really mattered Then he learned about the baby **The Romance of Innocent Sexuality** Geoffrey Rees,2011-01-01 From the polling place to the pulpit The Romance of Innocent Sexuality investigates the passions that are enacted in debates about same sex marriage In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as a whole person Through a constructive engagement with the writings of Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons **Like Lightning** Charlene Sands,2005 When a fire destroyed everything Maddie Brooks owned rancher Trey Walker offered the pretty veterinarian a place to stay at 2 Hope Ranch But Trey didn't dare act on the lightning attraction between them because of the Walker Curse *Texts Of Desire* Linda Christian-Smith,2014-01-14 Popular fiction continues to be the object of both academic and

**Meditations for Mediocre Mystics** Tom Stella, 2023-01-27 The term mediocre mystics seems a fitting way to refer to those who yearn for the nameless but do not qualify as full blown mystics I realize that because there is nothing middling about mystics mediocre mystics may appear to be an oxymoron but the root meaning of mediocre is not second rate From the Latin *mediocris* the word means moderate or ordinary and has been used figuratively to refer to one who is halfway up a mountain Unlike ordinary folks sainted mystics have reached the mountaintop they are on a first name basis with the nameless But just because we haven t arrived at the heights just because our lives unfold in the valley of ordinary everyday life doesn t mean that we cannot or do not experience the desire that has fueled the mystic s climb All my life my heart has yearned for a thing I cannot name Andre Breton All my life I have experienced the yearning to which French writer and poet Andr Breton refers For me that yearning is composed in part of a subtle discontent a quiet feeling that something is missing despite the fact that nothing is missing Significant relationships meaningful work as well as material and monetary security have never been enough to satisfy the desire for that which I cannot name I know I m not alone in my discontent or my longing for the nameless for mystics of every spiritual and religious tradition have spoken of their desire for and experience of union with a spiritual entity that is as real as it is surreal I am not claiming that just because I share their yearning I consider myself a mystic but neither do I believe that the term mystic is entirely inappropriate for those of us who might glimpse briefly what certified or canonized mystics have been blinded by
